A Truly Regal Showing Of The New Fall Wearables

FALL OPENING

Our Fall Stocks were purchased and shipped before war was declared. We can therefore offer you them at Regular Prices.

To the thousands who will attend Lindsay's Great Central Fair we extend a most cordial invitation to make this store your headquarters while in town. We have made every preparation for your comfort and convenience in shopping. Our stocks of the New Fall Wearables are most comprehensive and best of all you can buy them during these unsettled times at Regular Prices

DISTINCTIVE STYLES IN THE NEW FALL COATS.

Hundreds of the new Fall coats, each one possessing some distinct individuality all its own, are here for your inspection. The materials are chiefly Chinchillas, Wool Velours, Curl Cloths, Zibelines and Fabrics giving the effect of warmth. Dark colors are much in vogue but many fancy patterns, including plaids, are seen. The new seven-eighth and the full length have supplemented the shorter coats that have hitherto been in vogue. The redingote effect is a dominant one while nearly all the coats are loose or semi-fitting. You will see smart and handsome coats of this sort in abundance in our present showing.

Prices..... \$8.50 to 50.00

Children's coats from \$2.50 to \$12.00.

THE NEW FALL SUITS ARE BEING GREATLY ADMIRER.

It is more or less remarkable for styles as new as these are to achieve the popularity already given them. We can attribute it to only one thing—their intrinsic beauty which is evident at a glance.

These handsome suits set forth in a splendid way, the fashions most favored this fall. They are not exaggerated types, but are cleverly toned down and thoroughly practical models which the extreme and conservative dresser alike will soon be wearing. The important style features are semi-fitted and straight line effects in three quarter and longer length coats with flare in the coat skirts; long tunic, pleated circular tiered and ruffled effect in the skirts. Gabardines, Serges, Poplins, Broadcloths and novelty weaves are some of the favorite materials represented. Colors are mostly handsome dark shades. The workmanship of every garment is faultless and the values are excellent.

Prices..... \$10. to 40.00

Our stocks of the new fall gloves, hosiery and underwear are especially complete and well assorted. Anticipate your needs in these early while you can buy them here at regular prices.

HANDSOME NEW IMPORTED DRESS FABRICS AND SUITINGS

All the new Serges, Gabardines, Plaids, Tweeds, Worsted, Broadcloths, Zibelines, Crepe de Chines, Armures, Roxanas, Crippelines, Cingales, Charmalines, San Toys, Tringalines, Costume Velvet, Silks, etc., are here in gorgeous array. A most representative collection of the immense diversity of weaves and patterns which are popular this fall. You are assured a certain degree of exclusiveness with any dress goods you select here.

The wisdom of early selection is pointed out by our low prices, any of which, on account of the war, may be advanced by the mills on lines which we have to repeat.

SUPERB SHOWING OF THE LATEST STYLES IN FURS

Incidentally we remark that our present exhibition of winter furs is one of the broadest we have ever given you to select from. We are proud of it because it represents the successful culmination of several months of discriminating search. Every sort of fur is represented in our present stock, such as Mink, Black Fox, Black Wolf, Blue Wolf, Alaska Sable, Persian Lamb, Marmot, Hudson and Electric Seal, etc. They are made up in the most fashionable and becoming coats, neckpieces, muffs and sets, for women and children—and remember that every piece is warranted as to its satisfactory service. We sell only trustworthy furs.

CHARMING SMART STYLES IN THE NEW FALL MILLINERY.

The diversity of the season's new fashions in trimmed hats is equalled only by the individual charm of each model. We should like to tell you about the various fashions—should like to minutely describe them to you—but we know that it is impossible to convey in words a proper sense of their artistic beauty and becomingness, so we shall have to fall back on the old plea of "Come to see them personally."

Supply your needs in Blankets, Flannels, Flannelettes, Comforters, Linens etc. here, and you will find the choice large and the values enticing.
