## DOWNEYVILLE PICNIC GREAT SUCCESS

(Continued from page one.)

### OTHER FEATURES

There were other features, too, which contributed to the success of the picnic. A fish pond was installed on the grounds, and it did a thriving business. The fishing was good and the catches valuable and useful. A refreshment booth also did a thriving business in dispensing cool drinks to the crowds.

It was indeed a pleasure to see all mingling together in peace, harmony and sociability. The young people were to be seen in groups and pairs, and their merry laughter resounded through the grove. Their seniors gathered under the trees and discussed the war outlook and other topics, while the women chatted merrily on sundry matters. Old friends met once more in warm hand clasps, and cares and worries were scattered to the winds for at least one day.

### CLERGY PRESENT

The picnic was honored by the presence of a large number of clergy. Among those noticed on the grounds were: His Lordship Bishop O'Brien, of Peterboro; Monsignor Casey, Lindsay; Dean McColl, of St. Peter's Cathedral, Peterboro; Rev. Father Fitzpatrick, Ennismore; Rev. Father Guiry, Kinmount; Rev. Father J. F. O'Sullivan, Victoria Road; Rev. Father F. J. O'Sullivan, Port Hope; Rev. Father Galvin, Norwood; Rev. Father O'Brien, Sacred Heart Church, Peterboro; Rev. Father Meagher, Lakefield; Rev. Father McAuley, and Rev. Father Ferguson, Peterboro; Rev. Father Ferguson, Lindsay.

### FINE LIST OF SPORTS

Mr. George A. Jordan had charge of a programme of events, and he handled it satisfactorily. The most important item was the baby contest. Five babies were entered, and they were all little beauties. Little Earle Morrissy captured the prize. The other events were keenly contested and resulted as follows:—

### FRANKLIN

(Special to The Post.)  
Death has again entered our midst, claiming as its victim Mr. Wm. Ball. Deceased who was in his 82nd year, passed quietly away on Sunday morning. He had been ailing for over a year. He leaves to mourn his loss a wife and one son and a sister, who resides in St. Thomas. The funeral will be held on Tuesday and the remains will be interred at St. Mary's cemetery.

Among those who took in the Toronto Exhibition this year were Mr. Harold Noble, Mr. and Mrs. A. H. Veals, Mr. Percy Steward, Mr. Will White and Miss Pearl White.

Mr. Thomas Steward has purchased Mr. H. E. Tripp's general store, and will take possession March 1st. Miss Alta Jones is taking a business course in Lindsay.

The Ladies' Aid have undertaken to do some repairs to the church. We understand they intend papering and painting the building, and a cement platform will be built outside.

Mr. A. Staples is in the neighborhood this week with his threshing outfit.

The farmers are getting busy cutting their corn.

Mr. Wm. Windrem met with an accident last Tuesday. While riding a horse to water the animal became fractious and threw him, fracturing his collar bone.

### WINNIPEG GRAIN MARKET.

WINNIPEG, Sept. 15.—Trading on the wheat market was quiet in the early hours and only a light volume in futures was transacted. Prices advanced 1/2c to 3/4c following Monday's collapse, and were stronger generally, ranging from 1 1/2c to 1 3/4c over opening values. Oats opened 3/4c to 1/2c higher and declining later to 1/2c. Flax opened unchanged, ending 1/2c later on both months. War news had considerable effect on prices and a drop took place of about 1/2c when the big German reverse was rumored on the exchange. Prices advanced 1/2c, however, on the news standing unchanged.

### MONTREAL GRAIN MARKET.

MONTREAL, Sept. 15.—The foreign demand for new crop Manitoba spring wheat this morning was very limited. Prices for coarse grains were easy. A feature of the flour market was the stronger feeling in winter wheat grades and prices advanced 1/2c to 3/4c per barrel owing to the continued small offerings. The feeling in the market for spring wheat flour was quiet. Demand for millfeed is good and the market is active, with a firm undertone. The trade in butter is rather quiet and chiefly of local character. Cheese is quiet. Demand for eggs is good.

### MINNEAPOLIS GRAIN MARKET.

MINNEAPOLIS, Sept. 15.—Wheat—No. 1 hard, \$1.05; No. 2 hard, \$1.02; No. 1 hard, \$1.04; No. 2 hard, \$1.01; No. 1 hard, \$1.04; No. 2 hard, \$1.01.

### CATTLE MARKETS

### UNION STOCK YARDS.

TORONTO, Sept. 15.—Receipts of live stock at the Union Yards were 68 cars, comprising 689 cattle, 885 hogs, 1517 sheep and lambs and 73 calves.

### Butchers' Cattle.

Choice steers about \$8.50; medium to good, \$7.75 to \$8.15; medium, \$7.50 to \$7.75; common to medium, \$7.25 to \$7.50; inferior heifers, \$6.50 to \$7; choice cows, \$6.75 to \$7; good cows, \$6.25 to \$6.50; medium cows, \$5.75 to \$6; common cows, \$5 to \$5.50; good bulls, \$6.75 to \$7.50; common bulls, \$5 to \$6.25.

### Stockers and Feeders.

There was a fair supply, but quality was not up to the requirements of the demand. Choice steers, 800 to 900 lbs., sold at \$7.25 to \$7.50; good steers, 600 to 700 lbs., at \$6.75 to \$7; stockers at \$5 to \$6.50.

### Milkers and Springers.

There were a few good milkers and springers, but the market was not so good at prices ranging from \$5 to \$6.50.

### Veal Calves.

Receipts were light and prices very firm. Choice veal calves sold at \$10 to \$11; good at \$8.50 to \$9.50; medium at \$7.50 to \$8.50; common at \$6.50 to \$7.50; inferior at \$5.50 to \$6.50.

## KINMOUNT FAIR DREW FAIR CROWD

In spite of the cancelling of the special train and of the fact that singlefare rates could not be obtained as well as other adverse circumstances, Kinmount Fair Tuesday drew a good sized crowd. Everybody from the surrounding district was loyally present to support the home fair, while a number of Lindsay people also made it a point to be present. There were the usual number of barkers and "cane-you-ring" men, some of whom did a good business, while others found the pickings rather poor.

The horse races attracted most attention and two very close races were held during which the excitement ran high. The free-for-all was not as good as the other as the leading horse had the others too easily under control, but second and third place made close competition. Billie Direct, owned by Roy Watson, got first place in all three heats, Jack Rothschilds owned by H. Austin, got second and Paddy Keswick, the property of A. Young, took third.

Messrs. Geo. Dettman and C. Graney gave universal satisfaction as judges.

The running race was very exciting. There were four entries, Fred Pogue, Boynton Butts, Eric Morrison and a young man whose name could not be obtained. It was nip and tuck all the way. The jockeys were too free with the whip, in the opinion of many in the audience, but fortunately for the horses the noise was much worse than the whipping, as the whips were ordinary buggy whips, and beat the air and ground rather than the animals, because of their length.

The Haliburton band under bandmaster H. B. Peir added much to the occasion by its fine selections. There were ten members there Tuesday.

The baseball match was much enjoyed by the crowd, and applause and rooting was freely given. Unfortunately play had to stop in the fifth innings, when the boys ran out of baseballs. The score then was 5-3 in favor of Lindsay G.T.R. team.

Following is the lineup:  
G.T.R.—Ayers p., O'Neill c., Algar lb., Anderson 2b, Rivers 3b, Scott c.f., Neill s.s., Spillsbury r.f., Jobe l.f.

Kinmount—Day p., Cohen c., O'Hara lb., O'Brien 2b, Butts 3b, Dolan c.f., Nattress s.s., Moore r.f., Perkins l.f.

Inside the buildings there was a good display of fruits, roots, vegetables and home made goods. The citizens were extra good, as well as the vegetable marrows, cucumbers and cabbages. The grains, too, showed evidences of good culture and a good season. Some of the potatoes were positively huge. The judges in this department were Messrs. Geo. L. Stevens, C. G. Kingham, of Peterboro, and Robt. Stinson, of Lindsay.

Among the principal exhibitors who had extra good showings were Reeve Morrison, of Somerville; Reeve Henry Boldt, of Snowden; Reeve Chas. Cohen, of Galway; Ed. Lee, of Somerville; C. E. Taylor, of Snowden; Mr. Trumbull, of Minden; Jno. Clarke, of Galway, and Sidney Switzer, of Snowden.

In the ladies' department everything was extremely pretty, but it is useless for one unversed in such things to try to describe the many pretty examples of fancy work, drawn work, burnt work, crocheting, knitting and so forth. There was everything from hand made rag rugs and hand made shirts to dollies and table center pieces.

The horses shown were all fine animals, and it took the discerning eyes of the judges, Messrs. Jas. Ingram, Bobcaygeon, Joseph Hadley, Burnt River, and Robt. Stevenson, of Lindsay, to tell which really were the best animals. In this department a few of the best known exhibitors were Messrs. C. Cohen, Wm. Munn Dan Connors, Robt. Young, Edward Albin and John Austin and Sons.

The people of Kinmount have reason to be proud of such a fair, that surmounts all difficulties, and is a success in spite of every obstacle. The directors are to be highly congratulated.

## Poultry for 1914 Bought on Quality Basis

Dealers handling Poultry in future will be compelled to buy more and more, according to quality—large chickens and hens well fattened will command a premium, while smaller inferior and underfed Poultry will not be wanted by anyone.

Chickens and fowl can be fed by any one to great advantage by closing them up for a couple of weeks before marketing and feeding them with fine ground grain mixed with sweet or sour milk.

Geese and Ducks can also be closed up to good advantage for a couple of weeks and fed with cracked grain, corn or peas preferred.

Our Poultry Department will open next week, but Poultry, unlike most other food, will be lower in price this season. The Western Provinces which have given us our best market in recent years, are now producing large quantities themselves and prices in future will be governed more by export values.

The following are present prices delivered at our warehouse:—

Chickens, 5 lb and over in good condition	11c.
Chickens, under 5 lb and over 3 lb	9c.
Fowl, 5 lb and over in good condition	10c.
