

### The Churches

Services Held in the Various Town Churches Sunday.

#### ST. ANDREW'S

Rev. Mr. Wallace occupied the pulpit in St. Andrew's church on Sunday morning, and took for his text, Genesis, 15, 11: "When the fowl came down upon the carcasses Abraham drove them away."

In the beginning of this chapter Jehovah comes to Abraham to encourage him. Abraham was a man who interested himself in the welfare of others. What is greatly needed to-day is a few more men like Abraham who will interest themselves in the welfare of their neighbor.

God made a covenant with Abraham and Abraham showed his faith by immediately building a sacrifice. The fowls of the air, however, swooped down upon this sacrifice, but Abraham rose up and drove them away. What the public of this world need to do is to rise up and drive the birds away.

This sacrifice which Abraham made was an approach unto God. Some sacrifice is necessary that a man might enter into the fulness of life. The principle that the people of olden times followed was right, but their method was wrong.

The birds of the air are many. They represent the destructive means of life. They are always looking for an opportunity to swoop down upon us. May we with a mighty effort rise up and drive them away.

Yesterday afternoon was children's day in St. Andrew's Sunday school, and a large number of children and parents gathered in the schoolroom for the service. Special programmes had been printed and were distributed among the audience. The programme consisted of old familiar hymns, responsive reading and the roll call. Mr. J. P. Donald delivered an address to the audience on Our Gifts, which was well received.

A special collection was taken up for the benefit of missionary work.

#### ST. MARY'S

At St. Mary's church Sunday Ven. Archdeacon Casey read a circular letter from His Worship Bishop O'Connor dealing with the Golden Jubilee of His Holiness, Pope Pius X. A collection will be taken up in every church of the diocese next Sunday, the offering to be presented to the head of the church in honor of the fiftieth anniversary of his ordination to the priesthood.

The October devotions will commence the first evening of the month at 7.50.

Ven. Archdeacon Casey preached a powerful sermon Sunday on the text, "Thou art Peter," etc. The discourse was a splendid review of the trials, struggles and triumphs of the church from its beginning to the present day.

### Cheese Board at Peterborough

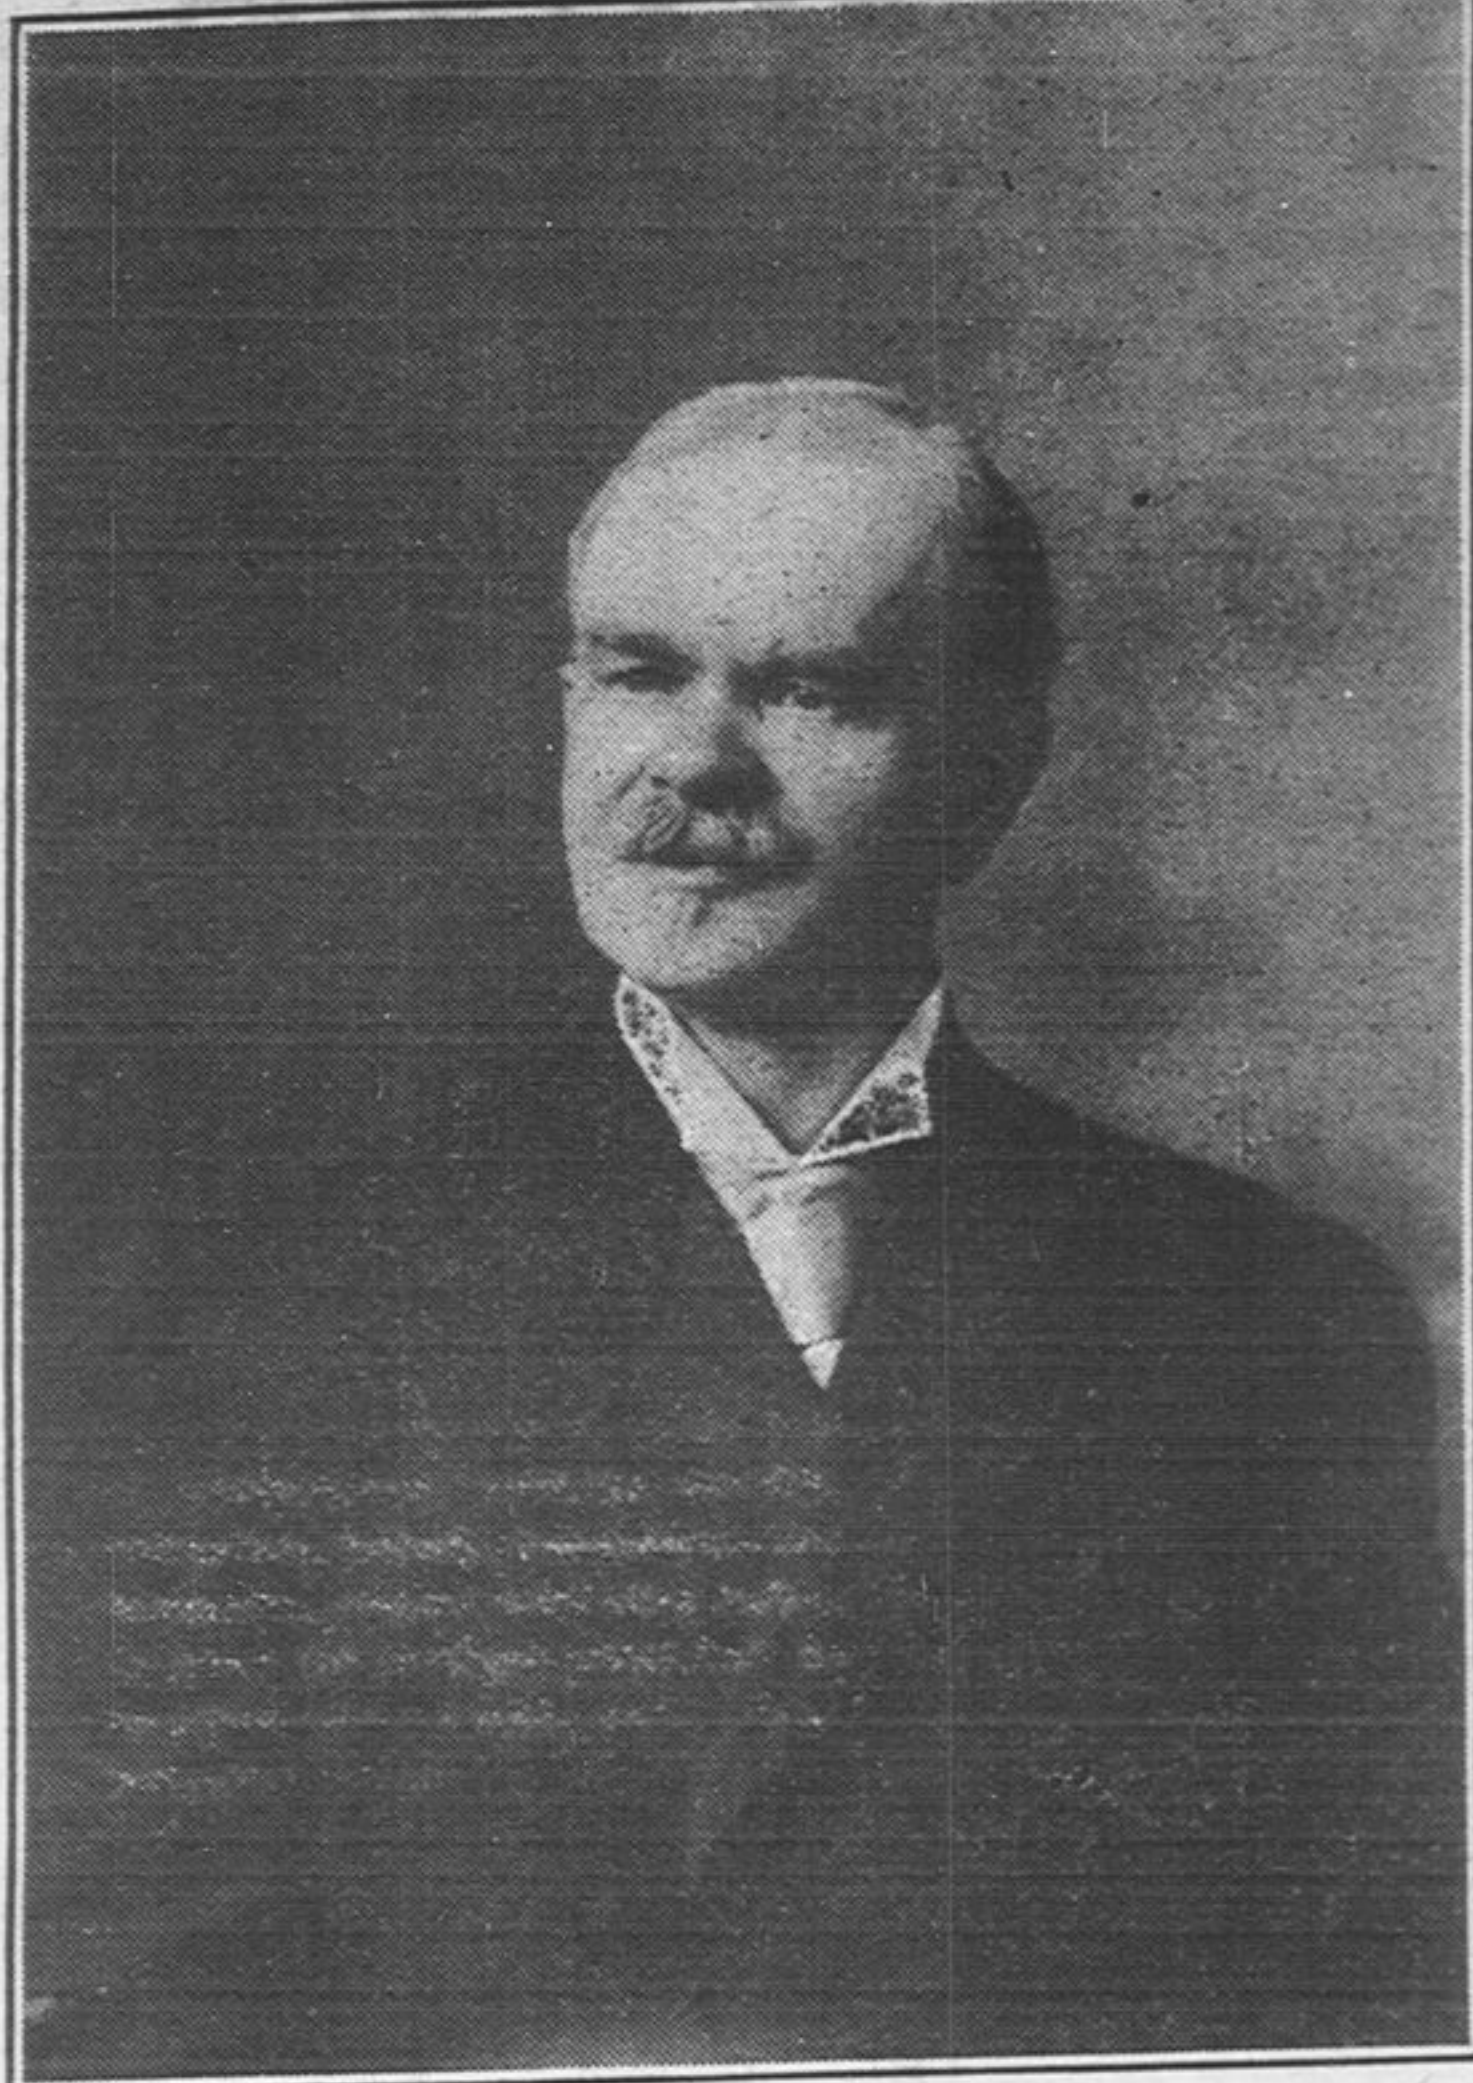

Another Advance is Made in the Price of this Product

The price of cheese went up another notch Wednesday at the Peterborough cheese board when 12 9-16 cts. were obtained for almost the entire board. The make, however, has considerably decreased, which explains to a great extent the increase in price. Altogether 3,486 boxes were boarded as compared with 3,985 at the last sale, which was three weeks ago. On Sept. 18th, 1907 there were 2,929 boxes boarded, the best price being 12 5-16 cts.

Before beginning the business, President Coulston welcomed the return of Mr. Whittin, buyer, who has been ill for some time.

The following cheese were boarded:

Keene	85
Warmster	85
Shearer	175
Central Smith	150
Selwyn	135
Villiers	90
Warsaw	105
Westwood	109
Oakdale	90
Daisy D.	60
Lakefield	60
Pine Grove	75
King Edward	50
Otonabee Union	100
Maple Leaf	125
Myrtle	100
Ormonde	140
Young's Point	70
Lang	135
Fraserville	95
North Dummer	50
East Emily	105
Trewern	100
Bensford	155
Cedarvale	65
Stony Lake	30
Cavanville	100
Crown	115
Norwood	140
Fleetwood	150
Oak Leaf	20
South Burleigh	30
Brockley	30
Shamrock	100

DR. A. WILSON

### ADDRESS TO THE ELECTORS.

To the free and independent electors of the riding of Victoria and Haliburton:—

Gentlemen:— In accepting the nomination as candidate in the interests of the present Reform Government, I have no apology to offer, inasmuch as I have never sought the position, although I have been previously interviewed in regard to it on more than one occasion.

I have lived in the riding—in the village of Fenelon Falls—for 30 years, and have during that time not been asleep as to the various conditions of things, of the chief actors, and of the role taken by them in the political drama enacted on the stage of our fair Dominion.

I elected as your representative to the House of Commons on the 26th day of October, I pledge myself to ever stand by the principles of the confederation of the provinces—each controlling her own local affairs of government, and all united in one great Dominion of Canada as a part of the British Empire.

I promise to support any measure that I may consider to be for the benefit of the people—of the Dominion generally—or of this riding particularly.

I favor the policy of the present Government—first in the British preference, and the closer relations of Canada with the British Empire, as well as their methods of extension of trade and the reduction of the tariff with foreign nations, wherever that reduction may benefit the Canadian consumer.

I endorse the policy of the Government in the opening up of the western and the great north-western provinces by the construction of the transcontinental railway—the Grand Trunk Pacific; and their emigration policy in connection therewith.

I admire the foresight and business ability of the government, the department of public works, by the improvement of our harbors, the deepening of the canals, in the deepening of the St. Lawrence river, permitting the largest vessels to load and unload through Canada to the markets beyond the Atlantic.

In the Post Office Department I delight to draw your attention to the great benefit it has been to the people of Canada by the reduction from 3 cents per letter to 2 cents, that has been no doubt gratefully appreciated by every citizen of our Dominion. They have not only reduced the cost of postage, but are now preparing to put in operation in some thickly populated parts the rural mail delivery, which within a few years will have become systematically established all over Canada.

In the Department of Agriculture I admire the action of the Government in opening up avenues of trade with Britain and foreign countries, in providing cold storage in warehouses and steamships for the preservation of those perishable exports as butter, cheese, eggs, fruit and fowl—dressed and undressed.

In the Militia Department I am satisfied that the Hon. Sir Frederick Borden has built, is building and will build as good a construction as the foundation built by the past governments will allow, that is, a militia of defence and protection carefully avoiding the danger of drifting into militarism like the nations of Europe.

Believing that I can be of benefit to the people of the riding as a member of the House of Commons, both in the matter of general legislation and in watching and caring for the interests of the people of Victoria and Haliburton, I confidently solicit your votes and your influence in the election now pending.

Yours obediently,  
ARCHIBALD WILSON.

### Wedding Bells

#### WILKINSON—SHEA.

A very pretty wedding was solemnized at St. Mary's church at seven o'clock Tuesday morning, when Miss Elizabeth Shea, daughter of Mr. Jas. Shea, of Ops township, was united in marriage to Mr. William Wilkinson, a prominent and successful dairyman of London, Ontario.

The nuptial mass was celebrated by Rev. Father Collins, and the service was attended by a large congregation.

The bride, who was beautifully gowned in a costume of brown serge, with picture hat to match, was assisted by Miss M. Wilkinson, of Chester, N.Y., sister of the groom.

The bride, who was beautifully gowned in a costume of brown serge, with picture hat to match, was assisted by Miss M. Wilkinson, of Chester, N.Y., sister of the groom. The bridegroom was in a suit of crepe and white with hat to match. Mr. James Albert Shea, brother of the bride, acted in the capacity of best man.

The ceremony was held at Benvenuto, where the always beautiful rooms were transformed into bowers of fragrant flowers, orchids, roses and carnations predominating, and an orchestra played in the palm room. The many beautiful presents displayed in the billiard room included a beautiful set of diamond aqua marine ornaments from Mr. Roderick Mackenzie; a cabinet of table silver from Mr. and Mrs. Beardmore, an emerald and diamond bracket from Mr. Jos. Mackenzie, a silver tray from Mr. George Beardmore, a silver tea service from Mr. Alfred Beardmore, and a diamond brooch from Lord Lovet and Sir Keith Fraser.

Long tables were set in the dining room and smaller tables to seat four were dotted about the hall and drawing room for the luncheon which followed the reception, the bride's table, centred with the wedding cake, being arranged with mauve orchids and lily of the valley, while the smaller ones were decorated with pink and white roses in slender silver vases. After luncheon the bride changed her wedding dress for a traveling gown of palest grey cloth, in Princess Dretreire form and a large satin hat of the same shade, in which she looked even prettier than in her bridal attire. On the way down stairs she threw her bouquet, which was caught by Miss Saunders (a debutante of this season). Mr. and Mrs. Beardmore left for a short stay in the country before going to Italy, where they will remain for some months. Mrs. Mackenzie was wearing a gown and long coat of black satin, folds and embroidery over white chiffon and a black hat with paradise plumes and carried a bouquet of mauve orchids. Some very beautiful costumes were worn, and among them was noticed that of Miss Meagher, who wore a pink champagne picture dress and hat to match.

After the ceremony the happy couple drove to the residence of the bride's parents, where a sumptuous wedding repast was partaken of, and where they were tendered the congratulations of their friends. The bride's popularity was attested by the many costly wedding gifts which were received.

Mr. and Mrs. Wilkinson left for the 5 o'clock C.P.R. train on a wedding trip, after which they will take up residence in London, Ontario.

#### KIRLEY—McGEOUGH.

St. Mary's church was the scene of a very interesting event at 3 o'clock Tuesday morning, when Miss Lily McGeough, youngest daughter of Mr. and Mrs. Bernard McGeough, of Ops, was united in marriage to Mr. Frank Kirley, of the same township, the nuptial knot being tied by Ven. Archdeacon Casey in the presence of a large number of relatives and friends.

The happy young couple entered the church to the strains of a wedding march. The bride was attired in a gown of white silk mull with black picture hat to match, and was assisted by her sister, Miss Lucy McGeough, who was gowned in pale blue mull with hat to match. Mr. J. Flurey acted as best man.

After the nuptial mass was celebrated the happy couple drove to the residence of the bride's parents, where a wedding breakfast was partaken of. The bride, who is extremely popular throughout the district, was the recipient of a large number of beautiful wedding presents.

Mr. and Mrs. Kirley left on the 6.20 G.T.R. train this evening on a wedding trip, after which they will reside in Ops township, where their many friends will wish them a happy life of conjugal bliss.

#### BEARDMORE—MACKENZIE

The marriage took place in St. Basil's church, Toronto, Wednesday morning of Miss Katherine Mackenzie, fifth daughter of Mr. and Mrs. William Mackenzie, to Mr. Walter Williams Beardmore, third son of Mr. and Mrs. Beardmore. The church was decorated with quantities of palms and flowers, the guests' pews being marked with large bouquets of lily of the valley and eucharist carnations, while the high altar, massed with shaded pink roses, lilacs and ferns and lighted by innumerable candles, made an exquisite background for the bridal party, which entered the church to the strains of the bridal chorus from "Lohengrin" played by Dr. Vogt, who rendered soft music throughout the ceremony and Dr. Nicolai, cellist, played Ave Maria. Mr. Mackenzie gave away his daughter, who made a most charming little bride in her Parisian gown of creamy tinted satin with border of beautiful mother-of-pearl passementerie and trimmings of Brussels lace.

The veil of Brussels applique was caught with orange blossoms and fell about her quaint face in most becoming folds. The showy bouquet was of lily of the valley, and maiden-hair fern. The only ornaments worn were diamond and pearl drop earrings, the gift of the bridegroom, and Mr. Mackenzie's wedding present, a necklace of whole pearls. The maid of honor, Mrs. Grace Mackenzie, was extremely pretty in an Empire frock of sun-ray pleated chiffon with serial border of satin and old gold and blue embroidery on the bodice. With it was worn a wide hat of pale blue and pink satin with lace frill under the brim and a wreath of roses, smoothed in pink and blue tulle, which was also used as strings, tied at one side and falling to the hem of the dress. The bridesmaids, Miss Nadine Kerr and Miss Ethel Mitchell, the bride's cousins, were attired in blue frocks and hats similar to the maid of honor, all three carrying bouquets of shaded Killarney roses and wearing heavy gold chain bracelets, the gift of the bridegroom, who gave diamond and pearl scarf pins to his best man, Mr. Clement Pepler, the ushers, Mr. Clement Beardmore, Mr. Joseph Mackenzie, Mr. Charles Fellows, Mr. Britton Oster, Mr. Norman Gzowski, and Mr. Stanley Kerr. The ceremony was performed by the Rev. M. V. Kelly and the Rev. R. McBrady, who looked most impressive in their gorgeous gold vestments. After the ceremony a large reception was held at Benvenuto, where the always beautiful rooms were transformed into bowers of fragrant flowers, orchids, roses and carnations predominating, and an orchestra played in the palm room. The many beautiful presents displayed in the billiard room included a beautiful set of diamond aqua marine ornaments from Mr. Roderick Mackenzie; a cabinet of table silver from Mr. and Mrs. Beardmore, an emerald and diamond bracket from Mr. Jos. Mackenzie, a silver tray from Mr. George Beardmore, a silver tea service from Mr. Alfred Beardmore, and a diamond brooch from Lord Lovet and Sir Keith Fraser.

Long tables were set in the dining room and smaller tables to seat four were dotted about the hall and drawing room for the luncheon which followed the reception, the bride's table, centred with the wedding cake, being arranged with mauve orchids and lily of the valley, while the smaller ones were decorated with pink and white roses in slender silver vases. After luncheon the bride changed her wedding dress for a traveling gown of palest grey cloth, in Princess Dretreire form and a large satin hat of the same shade, in which she looked even prettier than in her bridal attire. On the way down stairs she threw her bouquet, which was caught by Miss Saunders (a debutante of this season). Mr. and Mrs. Beardmore left for a short stay in the country before going to Italy, where they will remain for some months. Mrs. Mackenzie was wearing a gown and long coat of black satin, folds and embroidery over white chiffon and a black hat with paradise plumes and carried a bouquet of mauve orchids. Some very beautiful costumes were worn, and among them was noticed that of Miss Meagher, who wore a pink champagne picture dress and hat to match.

### Ogilvie's Royal Household

The maxim of many housewives is, "When in doubt blame the flour." This is unfair.

If your baking goes wrong, investigate—find the cause. Look to your stove, your yeast, your baking methods.

If you succeed in pinning the trouble down to the flour—if you clear yourself—then take up the flour question in dead earnest.

Consider that flour, to be successful from a baking standpoint, must be fine to produce light bread or pastry, pure to make that bread or pastry wholesome, and rich in nutriment to make it nourishing.

The good housewives all over the country are learning that

has these three qualities in the greatest degree.

Ogilvie's Royal Household is milled by the most modern methods, purified by the only process that makes for absolute purity and made only from Manitoba Hard Wheat which contains the highest percentage of nutriment.

Royal Household Flour, in competent hands, never disappoints. Your grocer will guarantee this and gladly furnish the flour.

Ogilvie Flour Mills Co., Limited  
Montreal.

pare September with previous September that one is led to regard it as one of the driest of the dry. In the first twenty-three days of the same month last year 2.75 inches fell, or five times as much as during the present month. The same period of the year previous gave a little less—2.34 inches.

Out of those twenty-three days last year, there were fourteen on which rain fell, and in 1906 the days of rainfall numbered ten. There were three damp days this month.

The rainfall for September for the last twenty years, it may be added, runs about 3.30, or over six times as much as during the twenty-three days which have passed in the present month.

STUBBORN INDIGESTION  
One Who Had Suffered for Years Cured by Dr. Williams' Pink Pills

The symptoms of stomach trouble vary. Some victims have a ravenous appetite, while others loathe the sight of food. Often there is a feeling as of a weight on the chest, a full feeling in the throat. With others there is an intense pain and feeling of nausea after eating. Sometimes gas presses on the heart and leads the sufferer to think he has heart disease. Sick headache is another frequent and distressing symptom.

Mr. Alex. McKay, McLellan's Mountain, N. S., says: "For years I was a great sufferer from indigestion, which was gradually growing worse and worse, and it would be impossible for me to tell how much suffering I endured. At different times I had treatment from three good doctors, but it did not help me in the least. Then I began trying all sorts of advertised medicines and took ten packages of dyspepsia, but with no better result. I had practically come to regard myself as incurable, and to feel that I would be a continuous sufferer, when one day I read in a newspaper of the cure of indigestion through the use of Dr. Williams' Pink Pills, and I made up my mind to give them a trial. I had used nearly five boxes before they began to help me, but I do not wonder at this as my case was so bad. I used in all a dozen boxes of the pills and they cured me completely. I can now eat anything we raise on the farm, for man to eat and have no longer the pains and discomfort I had endured for years. It is several years now since I was cured, and I have never felt a symptom of indigestion since. I am well known in this locality and you are quite at liberty to use what I say in the hope that it will benefit some other sufferer."

All medicine dealers sell Dr. Williams' Pink Pills, or you can get them by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

EXAMINE CERTIFICATES  
(To the Editor of The Post)

Sr.,—In view of the fact that some persons pretend that they have certificates when they have none, and that they have second class certificates when they have only third, I would suggest that they examine certificates before purchasing, if possible, or as soon after as may be, and in case of doubt refer the matter to the Inspector.

Within a year two persons holding no certificate have engaged and commenced to teach, and similar cases have occurred in the past. One person taught for three years as a district teacher for one year, and in one year six teachers certified that they had second class certificates, which they held only third.

Is it any wonder that counterfeit bills are in circulation when teachers accept counterfeit certificates?

J. H. KNIGHT  
P. S. Inspector  
Lindsay, September 28, 1908.
