In the evening a grand concert was held in the town hall. Eddie Pigott, comedian; Miss Eva Cuthbert, vocalist; and Master Harold Rich, pianist, were the leading stars.

Almost Sensational

There is General Surprise at the Great Number of Persons in Lindsay Who Praise Booth's Kidney Pills

It's but a short time since the first box of Booth's Kidney Pills came to Lindsay.

What a work this stranger has accomplished. Dozens of residents benefited and cured of lame, weak and aching backs, urinary and kidney troubles. It is remarkable; the reason for it is Booth's Kidney Pills are a new blend of vegetable ingredients, having a peculiar action on the kidney tissue that rings quick help.

Joseph Davies, of 75 Colbourne-st., Lindsay, Ont., says: "I have suffered for many years from bladder and kidney trouble, almost constant pains in my back and through my loins. Doctors had called it rheumatism, Bright's disease and all else. Sometimes there was mucous and sediment in my urine, but the back and bladder trouble were the worst. I finally obtained a box of Booth's Kidney Pills from Gregory's Drug Store and began taking them as directed. I received immediate relief and I have no pain now, no sediment in the urine and no backache. I confidently and freely recommend Booth's Kidney Pills to all suffering as I did. I have had no trouble at all since. Sold by dealers. Price 50 cents. The R. T. Booth Co., Ltd., Fort Erie, Ont., Sole Canadian agents.

Hughes found that the people would not read his paper, he became soured, and when his party went out of power and he could get no more money to advance his schemes, he took to abusing the constituency as the home of boodlers and all kinds of bad people. Mr. McLaughlin asked what Sam Hughes had done for the constituency during the past four years in the way of improvements? The fact was that he was a servant of the Mackenzie & Mann railway; his time was entirely taken up with the work of his employers, and he did not even know what was being done to improve conditions in various parts of the county.

Mr. McLaughlin made a strong appeal to the audience for their support for Dr. Wilson. He asked if they did not want an honest, straightforward servant; faithful in the discharge of his duties, and the audience responded most heartily. He said Dr. Wilson was a man above suspicion, and would not betray his constituents for his own purposes, and he believed that by supporting Dr. Wilson they would honor themselves and the riding.

\$1,200 Surplus

From the Fair

Great Financial Success of Lindsay Central Exhibition

The following statements of the receipts of the Lindsay central fair has been handed out. The total receipts amounted to \$5,900; receipts at the gate \$3,316.27; receipts from other sources, \$2,583.

After all expenses are paid including \$1,200 on the recently acquired Warner property, the society has the handsome surplus of \$1,200.

This is a record to be proud of. During the past half dozen years the receipts have steadily increased, and the directors are to be congratulated on the splendid results achieved.

Brickmaking

Season is Ending

An Extensive Season's Work Drawing to a Close

The season's operations at Mr. S. J. Fox's brick yards, the Pottery Corners, South Ops, are nearing a close, brick making ending on Monday.

There are, however, two lots of brick and one of tile to burn yet and when that is accomplished the cleaning up operations will follow preparatory to closing down for the year.

Monday the steamer Maple Leaf with scow steamed into the brickyard wharf from Bobcaygeon, and is being loaded with 30,000 brick for that village.

Since the month of June Mr. Fox has shipped some sixty cars of brick from the siding near the yards, and the output of tile has been so extensive that he could not supply the orders. The weather of late has permitted the men to get out sufficient tile clay to do them for next season's operations.

SALE REGISTER.

Mariposa Fair Quite a Success

Hartley Defeats Manilla by a Score of 10 to 12

The annual fall fair of the Mariposa agricultural society, and incidentally the sixtieth anniversary of the jubilee of that organization was held at Oakwood Tuesday, and was attended by a large number of people from the surrounding district. Almost zero weather prevailed, and the spectators had to be continually on the move to keep warm. Fall and winter overcoats were the order of the day with those who were fortunate enough, or, at least, wise enough to bring them, while the ladies sported the furs and fur-lined coats. It was indeed a wonderful transformation from the conditions prevailing almost forty-eight hours before, when the weather was warm and sultry. It was a hard job assuredly to keep warm, for while the sun at times threatened to come out and brighten up things, it failed to provide that warmth and comfort necessary for the people to enjoy themselves. These conditions told greatly, for while the fair was an all round success, still the weather conditions prevented a larger display of exhibits in the different departments.

THE EXHIBITS.

The exhibit of horses, while not large, was most creditable, as far as quality was concerned. Some of the exhibitors in this class were Messrs. M. Coughlin and Michael Leddy, Ops; J. Taylor, Alf. Rich, John De Geer, Webber Sons, Anson Palmer, Arthur Webster, John Mark, C. Rich, F. Coad, all of Oakwood. The display of cattle was very good in the different classes. Some of the exhibitors were:—Messrs. Steinhilber, Lindsay; John W. Harris, B. Greenway, W. Channon, of Oakwood. In sheep, pigs and poultry the entries were not quite up to former years; but, nevertheless these classes were represented by some first class goods. The inside exhibit in the main hall was most creditable, but The Post was informed that it did not excel that of past years. Some of the exhibitors in the different sections were Mrs. (Rev.) Munroe, Mrs. E. J. Ly-

tle, Mrs. G. B. Rennie, Miss Horces, Mrs. D. Dundas, Mrs. Tyrrell, Oakwood; Mrs. Jordan, Woodville; Mrs. Woodridge, Mariposa; Mrs. Arthur Washington, Oakwood, and Mrs. Kempt, Cannington; Mrs. J. Swain, Valentia; Mrs. J. F. Dix, Little Britain; Mrs. L. Mark, Oakwood.

THE SPEEDING EVENTS.

The speeding events seemed to catch the crowd immensely. The track was somewhat heavy after Monday's rain, for new records to be made, nevertheless the different events afforded barrels of fun for the spectators. The judges were:—Messrs. T. Bows, Lindsay, starter; W. O'Hara, Port Hope; J. Brown, Lindsay; W. Thornadyke, Oakwood. The green race was the first event pulled off, and resulted as follows:— Sam Hal 1 1 1
Casper 2 2 2
Big Chief 3 3 3
Maud S. 4 x x
Mount Clement 5 4 4
Minnie T. 6 1 x
The free-for-all resulted as follows:— Miss J. J. 1 1 2
Brown Hal 2 1 1

THE FOOT RACES.

The boys' mile race was an exciting event, and resulted as follows:— 1, A. Hutchinson; 2, J. Rathwell; 3, C. Hill. The men's two-mile race was another good event, and was keenly contested. The result was as follows:— 1, Andrew Dixon, Manilla; 2, Jos. McTaggart, Sonya; 3, L. Mark, Oakwood.

THE BASEBALL MATCH.

Of course the vast majority of the people came to see Hartley and Manilla nines battle on the diamond for supremacy, and when the ball game was announced the crowd swarmed out on the field and took up their positions around the diamond. A few days ago these two teams met at Woodville fair, and played what promised to be an almost errorless game, but an unfortunate accident occurred when the struggle was about ended, and the game was called off. To settle the question as to which was the better team, a game was arranged for Oakwood fair. Notwithstanding the fact that the game was for blood, the best of feeling existed among the players on the opposing sides, and there were no disputes or kicks registered during the afternoon. Dr. Walters, of Lindsay, umpired the game to the entire satisfaction of all. The day was not an ideal one by

any means for ball players. Apart from the cool atmosphere that prevailed, the sun, when it did shine, was in the faces of the fielders, who were unable to connect with the many flies which came their way.

The game could not be compared to the Woodville struggle, but as stated above the weather conditions were different. However, the contest was replete with brilliant plays on both sides which more than made up for the juicy errors which featured the struggle.

Hartley did not play up to form, and in the first innings allowed Manilla to score two runs, to which they added five more later on. Varcoe, the southpaw twirler of the Manilla nine, uncocked benders that puzzled the Hartley nine, and up to the fifth innings they only tallied two runs, the score standing 7-2 in favor of Manilla.

Hartley then took an and in the game, and by good hitting assisted by several juicy errors on the part of their opponents, changed the tally card to read 7-6. Excitement then broke loose, and the rooters on both sides yelled themselves hoarse. Manilla got a batting streak, and the field work of the Hartley nine being somewhat ragged, the former increased their lead by two runs. At the end of the seventh innings the score was a tie—10-10. The boldest held his breath for a time, and the vast crowd settled down to see an exciting finish.

Hartley began the eighth innings by hitting up Varcoe quite freely, and cheered on by their supporters, they scampered around the bases like two-year-olds, and broke the tie by netting two runs, making the score 10-12 in their favor.

A Manilla man stepped up to the bat for the ninth full of hope and a determination to do or die, but McKerrall, who pitched good ball during the day, had the situation well in hand, and the innings ended without a run being scored.

Then the excitement broke loose. Coats, hats, and everything handy went up in the air. Men and boys turned hand springs and leaped in the air with joy. The ladies, too, cheered the victors, who were congratulated on all sides for their victory.

NOTES.

The Sylvester band was present during the day and rendered an excellent programme. A tented menagerie was the only

Political Meeting at Omeme

Dr. Wilson Holds Very Satisfactory Meeting Assisted by Mr. McLaughlin

A political meeting was held in Omeme in the interest of the Liberal candidate, Dr. Wilson, of Fenelon Falls, and assisted by Mr. R. J. McLaughlin, K.C. Notwithstanding the short notice and inclement state of the weather, it turned out to be one of the most satisfactory, orderly and profitable meetings ever held here by any political party.

Mr. Harvey, teacher (independent politician), was selected for chairman, which position he filled to the satisfaction of all. After making a few suitable and well chosen remarks of an independent nature, he called on the candidate, Dr. Wilson, who has many old personal friends here, whom he visited, without prejudice or politics, and this, his maiden speech, really got a good hearing, receiving no interruptions or even questions asked by any of the audience, which was largely of a Conservative bearing—but will learn quite a few in another direction for at least three years until our village receives all the necessities and accomplishments neglected for the last half century—up to the last three years.

Then followed Mr. R. J. McLaughlin, K.C., who arrived on the mail train from Lindsay somewhat late. He assured the audience, however, that he would willingly have driven through the welcome rain, rather than miss the meeting. The rain was indeed a welcome one and put the audience in such good humor that there were no signs of interruptions throughout the meeting. The speaker discussed Col. Hughes and his addresses for some time. He said it was the colonel's practice to endeavor to crush everything and everybody who did not see eye to eye with him, and every party, church and creed that he did not agree with received his implacable hatred. He had even tried to defeat the good old Conservative citizens of Omeme and Lindsay, whom he is now using for his own ends. He came to Lindsay from Toronto a Grit to start a Grit paper, and changed for reasons of his own. Military positions he had tried to use for his advancement, but his influence there had dwindled away to such an extent that he could, hardly get a corporal's guard to go to the instruction camp—quite a different state of affairs from that which prevailed at the last camp. When Col.

The Sylvester band was present during the day and rendered an excellent programme. A tented menagerie was the only
