

## Correspondents' Newsy Letters

Continued from first page.

The many friends of Mr. D. W. King will be pleased to learn that the operation performed by Drs. Dale and Hall on Saturday last has been very successful, and all join in wishing her a speedy recovery.

Mrs. Jane Coad, who has been ill for the past few weeks, died at her home on Tuesday morning. She was the widow of Mr. James Coad, who predeceased her some sixteen years ago, and had reached the advanced age of 86 years. She leaves to mourn her loss two sons and two daughters, her sons being Mr. William Coad of Lorneville and Mr. Joseph Coad of Oakwood. Mrs. Edward Thomdyke, of Winnipeg, and Mrs. D. R. Anderson, of Lindsay being daughters. The funeral took place on Thursday afternoon at the Oakwood cemetery. The service was conducted by Revs. Munro and Elliott and the following gentlemen were pallbearers: Messrs P. S. Mark, R. Dobson, G. B. Rennie, S. Walters, D. Dundas, D. W. King. The large attendance showed the high esteem in which the deceased was held. We extend our deepest sympathy to the bereaved friends.

Our fall fair on Monday and Tuesday was a decided success, in spite of the cold weather. The attendance was very large and the horses and cattle exceptionally good.

The concert in the evening was one of the best ever held in our village, the hall being crowded. The proceeds amounted to nearly \$100.

The infant child of Mr. and Mrs. Saville died very suddenly on Monday last while its parents were away from home, and was buried on Wednesday.

We were pleased to see so many Lindsay people at the fall fair on Tuesday afternoon. Mr. and Mrs. G. H. Thomas, of Bracebridge, attended the fair and were glad to renew their acquaintances.

(From another Correspondent)

The Oakwood fair this year was a huge success. The receipts from the gate and concert were the largest ever taken in. The ball game between Manilla and Hartley helped to draw the crowd. Hartley won the cup, which was held by Manilla.

A mistake was made last week in an announcement from here which stated that the Oakwood Institute was invited to Mrs. Birchard's for Wednesday afternoon, Oct. 7. Just those taking part in programme on the evening of Oct. 7 in connection with social evening of the Cambay Institute, which is held at Mrs. J. Birchard's home, are expected.

A large number from town were in our burg yesterday attending the fair.

We regret to hear of the death of Mrs. J. Coad.

The women's auxiliary from here expect to visit the Little Britain auxiliary this week.

### OMEEMEE.

(Special to The Post.)

The visiting parties to the central show came home well pleased, and everyone of the same opinion—the best ever held.

English are now moving in a match about the 1st of November, but will ask prizes before the election. They are pleased with their last camp military instructor.

Stephenson and Brooks are putting a new foundation under their flour mill, and other improvements.

Henry Laidley's new house on Sturgeon-st. will soon be completed, and will be an ornament to this street.

Mrs. Dr. Snelgrove presented the doctor with a new elector (a son). Both are well.

The Methodist pupil was occupied by the Rev. Washington of Stouffville, on Sunday, who gave an excellent temperance sermon.

Children's services were conducted in the Presbyterian church by Mr. Jordan, superintendent, and Mr. Bryce.

—Stomach troubles would more quickly disappear if the idea of treating the cause, rather than the effect would come into practice. A tiny, insidious, hidden nerve, says Dr. Shoop, governs and gives strength to the stomach. A brach also goes to the heart, and one to the kidneys. When these inside nerves fail, then the organs must falter. Dr. Shoop's Restorative in directed specifically to these failing nerves. Within 48 hours after starting the Restorative treatment patients say they realize a gain. Sold by all dealers.

### A Sonya Man in Trouble

A young man who hails from Sonya 18 miles from Lindsay, appeared before Magistrate Dumble at Police Court, Peterboro, this morning, on a charge of being drunk. He pleaded guilty and was muled to the extent of \$2, which he paid promptly, and departed, amid the warnings of the magistrate to let liquor alone.—Examiner.

### Deafness Cannot be Cured.

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by co-stimulation of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound, or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous lining. We will give One Hundred Dollars for any case of Deafness (caused by Catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circular free. P. J. CHENEY & CO., Toledo, O., sold by druggists, 7c. Take Hall's Family Pills for constipation.

Young ladies get free tickets to Y. W. C. A., young men to Y. M. C. A., or T. A. A. An interesting advertisement may be seen in another column.
