

Special Meeting of School Trustees

Board of Education Deliberates on the Choice of Teacher

A special meeting of the board of education was held on Tuesday evening, Mr. Thos. Stewart, chairman, presided.

The subject of the meeting was to consider three applications received for position of teacher on the staff of the collegiate institute. The application of Mr. Everett A. Lloyd, of Grand Valley, was the most favorable, that gentleman having the required qualification. He ranks as a qualified high school assistant and is well recommended. It was unanimously decided on motion of Dr. Blanchard and Mr. John Carew to engage Mr. Lloyd at a salary of \$1,000, duties to commence January 1st, 1909.

A communication was received from Mr. Walter Reesor, asking the board to kindly allow the Sheffield choir chairs for use on the occasion of that organization's visit to Lindsay. The request was granted on motion of Messrs. Staples and Blanchard. Mr. R. E. Porter was engaged as drill instructor by the board until the end of the year at a salary of \$10 per month. A motion to that effect was presented by Messrs. Staples and J. Carew.

Large Shaft Broke at Flavelles' Mill

The Delay is Brief—Repairs Being Made by Madison Williams Foundry

Last evening the main shaft at the Flavelle mill, which is some four and a half inches thick, snapped at the coupling, and put the mill out of business until it could be repaired. Machinists from the Madison Williams Foundry Co., worked all night on the job, and it is likely the work will be completed this afternoon.

It was very fortunate that there was located in town an institution such as the Madison Williams foundry, else the broken parts would have had to be sent away and much delay would have resulted. As it is there is comparatively no delay, and the mill has made but a brief stop.

Wedding Bells

Obituary

WILLIAM STEVENS.

The death occurred on Oct. 22nd of Mr. William Stevens, at his late residence, Dalton township, at the advanced age of 84 years.

The deceased was born in Canada, and lived in Lindsay for many years. He was a resident of Lindsay for a number of years, living here forty years ago at the time when the destructive fire occurred. He also farmed in Ops for a number of years. His wife predeceased him about a year ago, and he leaves to mourn his loss four sons and two daughters, Phoebe, Margaret, Robert, William, John and Charles.

The funeral took place on Saturday, Oct. 24th, from his late residence to Sobrigh cemetery.

MRS. WM. CROUGH.

The death occurred in Ennismore Monday of Mrs. Wm. Crough, after a lengthy illness from rheumatism. The deceased was 71 years of age, and was born in Emily. Her maiden name was Ellen Scollard. She was widely known and highly respected.

Besides her husband three sons are left to mourn her loss. The sons are Messrs. William, Daniel and Michael, all residing in Ennismore.

The funeral took place this morning at 10 o'clock to St. Martin's church, and thence to the Roman Catholic cemetery.

Burial of the Late W. J. Winn

The remains of the late W. J. Winn, who died in Vancouver on Saturday, Oct. 17th, arrived in Lindsay last evening on the C. P. R. The funeral took place this morning from the residence of his parents, Mr. and Mrs. D. Winn, Emily township, this morning and proceeded to St. Luke's church, Downeyville, and thence to the Downeyville cemetery. The death of the young man is universally regretted, and the sympathy of the community is extended to the bereaved family.

Died in Toronto

Word was received in town on Tuesday of the death at St. Michael's hospital, Toronto, of Mr. Albert Baker, son of Mr. C. L. Baker, Lindsay, aged 24 years. The deceased young man was well known in town and the sympathy of the community will be extended to the family in their bereavement.

Raised Sixty Thousand Bushels

A despatch to Saturday's Globe states that sixty thousand bushels of wheat is the immense crop of E. Burke, of Gainsboro', Sask., one of the bonanza farms of the west, and one of the largest individual farmers in the entire world. All graded Nos. 1 and 2. He was in Winnipeg Friday and disposed of twenty-three thousand bushels.

Mr. Burke is a former Lindsay man, and for a number of years has been agent for the Sylvester Manufacturing Co.

A Lesson to Others

A much-needed lesson was taught a booze-fighter in Hamilton, who showed too much sympathy with a law-breaker who supplied him with the goods.

A man who had been put on the Indian list was found to have obtained liquor and was arrested. On being interrogated as to the source whence he got his supply he refused to give the information and was sent to jail. Those on the Indian list should not forget that the law is very clear on this point and that the magistrate is required to commit them to prison if they refuse to divulge the name of the person who supplies them with liquor. This is a matter which some of our local Indians might well ponder over, as some of them will very likely have to answer the question soon.

Re-organize!

Owing to the death of Mr. Robert Melvin, who was President of The Mutual Life Assurance Company of Canada for the past eleven years, it has become necessary to re-organize the board, and for this purpose the directors met at its head office, Waterloo, Ont., on the 20th inst., when Mr. E. P. Clement, K.C., Berlin, was elected President, Mr. F. C. Bruce, Hamilton, vice-president, and Mr. J. Kerr Fiske, Toronto, second vice-president of the company.

His Trouble

"Poor Borroughs! He's worrying a great deal about debts."

"Nonsense! You'll never catch him worrying about his inability to pay his debts."

"I didn't say he was worrying about any old debts, he couldn't pay, but about new ones that he can't contract." — Philadelphia Press.

When ironing box plaited waists, and the plaits are twisted together with the starching, take a stick of wood and insert in the plait to open it up, and you will find the plait can be ironed quite readily.

Hospital Annual Meeting

The annual meeting of the Ross Memorial hospital will be held in the town council chamber on Thursday, November 5th, at 8 o'clock p. m. A cordial invitation is extended to the public.—S.

"Just look at the chicklings!" she exclaimed in ecstasy. "They're running about raw."—London Opinion.

To preserve the wear of the kitchen coal skuttle cut a piece of wood to fit tightly to the bottom, and it will last for years.
