ONTARIO ELECTIONS CLOSE AT HAND PULLED OFF WITHIN TWO MONTHS

Toronto, Sept. 28.—With Sir James Whitney and every member of his Cabinet out of town, with the exception of the Attorney General, the possibility of a Provincial general election in the near future, formed the main topic of conversation in the offices of the Parliament Building today.

Until within the last day or two it had been generally believed by local politicians of both parties that there might be the tactical advantage of holding the elections immediately the Premier was inclined to defer them.

But whatever may have been the view of the Premier, with regard to the matter, there is now a well defined idea that he has determined to strike at the moment of Liberal demoralization, and still further tighten his hold on Ontario.

This does not mean necessarily that an election will be called within a few weeks. At the very least it would probably be two months before the appeal to the electorate could be made.

Next, fifteen days have to be allowed for appeals, and only then can the lists be made for election purposes.

Politicians who are watching closely for developments are keeping their eyes open, particularly for the announcement of the appointment of these enumerators as the first definite intimation of the likelihood of an early election.

NON-SUBSCRIBERS ARE NOT ALLOWED TO USE THEIR NEIGHBOR'S TELEPHONE

The question of whether a man may allow his neighbor to use his telephone has become a live issue. Heretofore the regulation governing this has been almost a dead letter, for while the prohibition has been plainly enough stated in the contracts given to subscribers of the Bell Telephone Co., the enforcement has not been insisted upon.

In view of the recent action between the Union Stock Yards Company and the Bell Telephone Company, the Post called on Mr. T. J. Tilly, Manager of the local branch, to ascertain his views as regards local conditions. Mr. Tilly's reply was that conditions here were identical with those in Toronto, and that it was within the jurisdiction of the Bell Telephone Company to enforce the rules in that particular respect.

The local agency has received a great many requests from their subscribers regarding non-subscribers using their phones, and asked the management to try and put a stop to it.

W. M. S. SESSION ENDS TODAY HAS BEEN PROFITABLE CONFERENCE

The Wednesday morning session of the Board of Managers of the Womens Foreign Missionary Society of the Methodist Church opened at 9.15.

The President—Mrs. Ross, read a letter of greeting from Rev. Mr. Shore, Foreign Secretary, from the General Board of Missions, now convening in Toronto.

Interesting reports from foreign mission fields were read by Mrs. Strachan and Mrs. Kerr. Matters in Chentu, China and in the Kokokreka and Wahstai missions in Alberta were discussed. The Board of Managers discussed Miss Jost's work among the young people in Japan. There was an expression of the great need for the extension of education in China, also of work in Edmonton, among foreign engineers. In the home fields, not only in western Canada among the Indians and Galicians, but in the larger cities of the east the board proposes to enlarge their field of labor.

The returned missionaries and missionary candidates spoke. All referred to their joy in the service of Christ, and mentioned especially the great joy and comfort of prayer. The returned missionaries were: Miss Cartmel, pioneer missionary of Japan; Miss Hart, who has been a quarter of a century in the land of the Sunrise Kingdom; Miss Jost, who always delights her hearers about her experiences in Japan; Mrs. Snyder, who works among the Chinese in Victoria; Mrs. Schofield, of Port Simpson and Miss Chase of Edmonton.

Missionaries designated: Miss Lindsay and Miss Ellwood were introduced. Miss M. Yarwood, Miss E. L. Ryan, B.A., Miss Isabel Govenlock, B.A. and Miss Hockley, all gave accounts of the influences which led them to adopt foreign work.

The communion service was presided over by Rev. David Balfour.

The reports of publications and periodicals and of other standing committees were heard at the evening session. A very gratifying report of The Outlook was read by Miss Wilkes. This publication has a subscription list of fourteen thousand, eight hundred and fifty-seven. This was followed

ing their phones, and asked the management to try and put a stop to it. It was pointed out by Mr. Tilly that the solution of the trouble rested with their subscribers, in their contract with the Bell Telephone Company, a clause of which reads as follows:

"The right of the subscriber is to use the instruments and connecting lines where the company may place them, but not elsewhere, under such rules as the company may from time to time prescribe. He shall not extend their use to other individuals, except his servants, nor shall they be used for any tolls or consideration to be paid by any person other than the subscriber; nor does this confer on him the right to use any other instrument."

This trouble could be eradicated, it was pointed out, if subscribers lived up to the letter of their contract with the Company.

by a report of the Palm Branch, which has a subscription of five thousand, one hundred and eighty-nine. The Secretary-Treasurer of the literature department reported a successful year, with a satisfactory balance.

The committee on embroidery done in Kanawasa industrial school, Japan, reported sales amounting to one thousand and twenty-seven dollars and seventy-two cents.

Mrs. Ross referred feelingly yesterday to the death of Mrs. Lawson, at St. John, N.B., whose two daughters are absent in the mission fields, one at the Elizabeth Long Memorial Home at Kitamatt, B.C., and the other at Kiating, China.

IMPORTANT SESSIONS OF THE W.M.S.

The Board of Managers of the Womens Missionary Society of the Methodist Church convenes here this week. The sessions are expected to extend over the week end. The Executive met yesterday, and matters connected with the several branches of the work were discussed in the afternoon. Last night there was a public reception and tea under the auspices of the ladies of Cambridge street church.

Mrs. (Dr.) Carman presided at the banquet tendered the Womens Missionary Society last night. After the banquet addresses of welcome were made by representatives from the town churches: Mrs. Marsh from the Anglican, Mrs. Stewart from the Presbyterian, and Mrs. Fisher from the Baptist. Each of the ministers of the town present also addressed the meeting.

The regular session at 8 o'clock was presided over by Mrs. W. E. Ross, of Hamilton. The first paper, during the evening, was read by Mrs. Kerr, of Toronto. She gave a vivid description of the

splendid work done on the home field among French and Italian settlements.

The second paper on the foreign field by Mrs. Strachan, Hamilton was read by Mrs. Gordon Wright, Japa was the first field of labor spoken of. Here there are boarding schools and gymnasiums which are well equipped. The Sunday school has an average attendance of 100. An item of importance is that the fees from the educational sources amounted to \$9,646.

In China there are twenty-five missionaries, all working for the development of education. Old buildings are being torn down and a new school is being built, also a hospital. In Victoria, at the Oriental School, Miss Snyder, who has given such efficient service, is leaving, and Miss Martin takes her place.

At Vancouver both Japanese and Chinese are speedily advancing in Biblical knowledge. Mrs. Brace, of Metropolitan Church, Victoria, wife of the Y.M.C.A. Secretary there, delivered an address. Mrs. Jackson, from Manitoba, told of the success of the ladies of her district.

Miss Chase, of Wahstao, Alberta, gave some of the experiences of her work in the west among foreign immigrants.

The President, Mrs. W. E. Ross, of Hamilton, gave the closing address. It was a splendid resume of her trip out west. She said the people there are never discouraged or unhappy, always looking forward to a better and brighter life.

WEDNESDAY MORNING.

The Womens Missionary Society resumed its work this morning. Mrs. Phillips, corresponding secretary gave a short report from the executive committee, which told of a few of the appropriations of the past year. A grant of \$3,000 was sent to Japan for building purposes in Toyama. They purchased land in Chentu, costing \$10,000, for the purpose of building a hospital. One thousand dollars was paid for land in Kiating to build a school for women. The Government increased the grant for Indian children by \$4,400. The largest expenditure, perhaps, is for property in Edmonton, costing \$10,250 for a Ruthenian school.

Mrs. Carmen read the minutes of the twenty-fourth annual meeting in Japan. The work there is progressing but they want a new teacher and four new missionaries to carry it on.

Mrs. Strachan read a letter from Miss M. A. Robinson. They ask a grant for a new school and assistance in this direction would be highly appreciated.

Mrs. Carmen read the minutes of a meeting at Chentu. Chinese dictionaries are sold at all stations. They ask the home board for a grant of \$2,000 for a union Normal school for West China, and Miss Veazey asks for a \$300 grant for a kindergarten. A small one for poor children was opened last year. New buildings are being erected in quarters where no Christian work has ever been carried on, under the supervision of Miss DeWolfe.

The afternoon session opened at 2.30. Mrs. Brace giving a scriptural reading. Rev. Mr. Woodworth, representing the Association of Christian Stewards, gave a brief address on the work of his organization, and a request was made for the sum of \$250 from the Womens Missionary Association.

Mrs. Kerr gave a short report from each of the home fields. Mrs. Ross had recently visited those fields, and this winter will find the homes more warm and comfortable than heretofore. At the suggestion of Mrs. Chown a plea was made for a deaconess to assist in the First Methodist Church, Prince Rupert, and to especially look after the Indian girls.

Mrs. Snyder of Victoria, B.C. delighted her hearers with a very clear and concise account of her work in the Chinatown of Victoria.

The Foreign Secretary presented greetings from Japan workers, and a written response was ordered to be made as well as a similar recognition to the workers in China.

EVENING SESSION.

The evening session was opened by the chairman, Rev. David Balfour. The choir rendered suitable music.

The introduction of missionaries and missionary candidates was made by Mrs. Ross, the President. She was in her happiest vein, and introduced each in well-chosen words. They were:—The Misses E. C. Hart, H. I. Post, M. I. Cartmel, Japan; Mrs. Snyder, Victoria; Sarah Schofield, Port Simpson, B.C.; E. I. Chance, Wahstao, Alta. Designated to China: Misses A. Harrison, O. C. Lindsay; M. J. Armstrong, M. J. Thompson, Ilg Ellwood and M. E. Addison.

Miss Wilkes, of Toronto, gave the financial report of the year. The balance on hand was \$10,827.53. The total expenditure was \$36,001.91, making a net balance of \$46,829.44.

An address by Miss Harriett Jost, of Japan, elicited much interest. She wanted her hearers to become impressed with the fact of the great need of Japanese women and girls.
