### Miss Frechette Was Remembered

(From Monday's Post)

Saturday afternoon a pleasing pres-  
entation took place at Horn Bros.  
Woolen Mills when Miss Lizzie Fre-  
chette of the weaving department who  
leaves for Toronto in a few days, was  
the recipient of a handsome mantle  
clock and an address from the entire  
staff. Mr. T. Campbell made the pres-  
entation and Mr. Geo. Way read the  
following address:

Dear Miss Frechette—  
It is with much regret that we heard  
some time ago that you were about to  
take your departure from amongst us.  
We cannot let this opportunity go

by without expressing our apprecia-  
tion of your unfailing kindness and  
friendship in the past, and we ask you  
to accept this mantle clock as a small  
remembrance of the many pleasant  
hours we have spent together.  
We wish you and your family every  
success in your new home and hope  
that sometimes when you hear your  
clock tick in the still small hours of  
the night or in the more busy ones of  
the day, you will think kindly of the  
many friends you have left behind in  
Lindsay.

Signed on behalf of the staff.

#### Real Estate Transfer

F. Knowlson, property on the corner  
of Kent and William-sts., recently  
sold it to Mr. Jas. Horn, of Horn

## ST. MARY CATHOLIC CLUB OFFICERS MR. CHARLES CUNNINGHAM PRESIDENT

(From Monday's Post.)

St. Mary's Catholic Club has orga-  
nized for the season with an excel-  
lent staff of officers, and the outlook  
for the season is exceedingly bright.

At the annual meeting the Assembly  
Hall was crowded with enthusiastic  
young men eager to enter into the  
season's work. Last year was a most  
successful one for the club, but the  
boys expect to do still better this  
year. The social features of the club,  
which were enjoyed so much last year  
will be carried out again this season  
and the open air rink will again be  
under capable management and will  
be one of the great privileges of the  
Club.

A hockey team will also be orga-  
nized and placed in the Town League, if  
one is organized. The Club will have  
a stronger team than last year.

Mr. John Rogers President, presid-  
ed at the meeting called to elect offi-  
cers, and in vacating the chair made  
a very graceful speech. Addresses were  
also delivered by Ven. Archdeacon  
Casey, Rev. Father Guiry, Mr. T.  
Burke, and Chas. Cunningham, the  
new President.

The officers for the year were elect-  
ed as follows:

Hon. President—Rev. Archdeacon  
Casey.  
Chaplain—Rev. J. J. Guiry.  
President—Mr. Chas. Cunningham.  
1st Vice-Pres.—T. Burke.  
2nd Vice-Pres.—Thos. Flurey.  
Rec.-Secretary—James Gilgoly, Jr.  
Assist.-Sec.—John Murphy.  
Treasurer—James Cain.  
Marshall—Thos. Power.  
Canvassing Committee—Messrs. J.  
Hickey, T. Flurey, J. Cain, J. Mur-  
phy, F. Dennison, Stafford O'Neill, T.  
Powers.

With such an excellent staff of offi-  
cers, St. Mary's Club should enjoy a  
most prosperous year.

### Peterboro and The Grain Line

Peterboro Examiner: The comple-  
tion of the Peterborough-Victoria  
Harbour branch of the C.P.R. means  
more to Peterboro than most people  
imagine. The fact that trainloads of  
grain from Western Canada will pass  
through Peterboro may not count for  
very much, but in the passenger ser-  
vice, which is stated, will soon be es-  
tablished, Peterboro will occupy an  
improved position.

It is pretty generally admitted by  
officials of the C.P.R. that many of  
the through passenger trains which  
now go by way of Ottawa and North  
Bay will run through Peterboro and  
take the new Coldwater line. It is  
much shorter than any other line to  
the West, and the grades are much  
more favorable to more rapid transit.  
An addition of two or more passenger  
trains each day passing through Peter-  
boro will certainly give us a better  
passenger service with Montreal and  
other eastern points.

The local passenger service on this  
line should be of benefit to Peterboro  
and Peterboro merchants. The village  
along the route of the new Coldwater  
line for some distance out will have  
more direct communication with Peter-  
boro than heretofore enjoyed by them.

What Peterboro now wants in trans-  
porting the Canadian-Northern Toronto-Ottawa  
line, and a railroad running north  
in the back portion of Peterboro coun-  
ty so that the hundreds of acres of  
good hard-wood timber, still standing  
can be manufactured in finished pro-  
ducts right here in Peterboro.

### W. H. M. S. CONVENED ON WEDNESDAY

The annual meeting of the Lindsay  
Presbytery of the W. H. M. S., was  
held yesterday at Sonya, a very fair  
attendance of the ladies of Lindsay  
Presbytery being present. The differ-  
ent reports of the various officers were  
presented and fully discussed—the  
president, Mrs. J. P. Donald, of Lindsay,  
being able to report a very substan-  
tial growth all along the line. Mrs.  
Donald McDonald, of Toronto, repre-  
senting the general Board, gave a very  
interesting talk on the larger phase  
of the work as applied to Canada and  
was the recipient of a hearty vote of  
thanks. It was decided to meet next  
year in St. Andrew's Church, Beaver-  
ton. The retiring officers were all re-  
spected. The ladies of Sonya quite sur-  
passed themselves in their hospita-  
lities and altogether a very enjoyable  
time was spent.

### Military Camp At Peterboro

Examiner: With the establishment  
ment of a branch of the Army Service  
Corps at Peterboro, it should require  
only a little exertion to have an an-  
nual camp of instruction at Peter-  
boro. A splendid brigade camp could  
be organized, consisting of the 16th  
Regiment of Prince Edward County,  
the 40th Regiment of Northumberland,  
the 46th of Durham, the 45th of Vic-  
toria, the 10th Brigade Canadian  
Field Artillery and the 3rd Dragoons.

The fact that the Minister of Militia  
of Canada is Col. Hughes from this  
district, should make it comparatively  
easy to land a camp of instruction  
at Peterboro. It would not only tend  
to increase the military enthusiasm of  
the city, but it would mean consider-  
able to the merchants and others who  
would supply the camp with provisions  
while, as a rule, soldiers spend a good  
deal of the camp pay before leaving  
for home.

#### THE RIFLE RANGE.

Another factor that is bound to  
prove stimulating to the military  
spirit of Peterboro is the establish-  
ment of a new rifle range. The money  
for this has already been voted, the  
delay in the matter being due entirely  
to the fact that it was found very  
difficult to secure a suitable site. A  
site has at last been chosen in Oton-  
abee, and has been approved of by  
the militia department. It is expected  
that active work on the ranges will  
be commenced in the course of a few  
months. One of the greatest draw-  
backs to having a military camp of  
instruction at Peterboro has been the  
fact that no rifle range was available  
for rifle practice. There will be no  
drawback in this respect now, and  
with a branch of the Army Service  
Corps, it remains only for the citi-  
zens themselves to get busy and make  
Peterboro the training ground for the  
active Militia of this district.

### Fish Pirates Were Captured

Advocate:—The "Sonia" is not the  
patrol boat that has done service here  
for some time, the "Naadid," having  
departed for winter quarters left this  
little consort to look after the inter-  
ests of the Lake Simcoe fish in her  
absence. Some of the Point Maria fish-  
ermen did not know this, however and  
hailed the Naadid's departure with glee  
as releasing them from the close vigil-  
ance which Capt. Carson has for some  
time maintained over the shoals of  
this section, the "Sonia" moved  
out Saturday evening, a trifle after  
dark. The wireless station at the  
Point did not report her clearing, and  
before the gentlemen engaged were  
aware of her presence, she had caught  
on to a pretty little stretch of a  
hundred feet with a boat and three occu-  
pants, who will come up before the  
Magistrate in Beaverton for trial in a  
few days.

The Government has issued instruc-  
tions to Inspectors to see that the  
fishery laws are vigorously enforced,  
and they will be held personally re-  
sponsible for any miscarriage of jus-  
tice through their neglect.

The Sonia will remain here the  
rest of the season, and will make it  
lively for fish pirates.

provided for the evening. A cordial  
invitation is extended to everyone to

### PRESENTATION OF VETERANS' JEWELS TO THREE LOCAL ODDFELLOWS LAST EVENING

(From Tuesday's Post)

Last evening the handsome lodge  
rooms of Lindsay Lodge I. O. O. F.,  
were crowded with enthusiastic Odd-  
fellows the occasion being the con-  
fering of the initiatory degree on  
three candidates as well as the pres-  
entation of Veterans' Jewels to Bros.  
Dr. McAlpine, G. H. Matthis and Al-  
exander Ross.

The chair was taken by Bro. W. W.  
Staples, P. G., who, in a few well  
chosen remarks, referred to the honor  
conferred on three more of the brethren  
who had reached the quarter cen-  
tury mark of membership in Oddfel-  
lowship.

The presentation of the Jewels was  
made by Bro. Jas. Wallace who in a  
capable speech, congratulated the  
three veterans.

The brethren then repaired to the  
commodious lodge banquet hall where  
a dainty repast was enjoyed. Speeches  
and songs featured the occasion, ad-  
dresses being made by the initiated  
candidates and several brethren. The  
function closed with the National An-  
them.

### WEDDING BELLS

CAMPBELL-HOYLE.

All Saints' Church, Cannington,  
was the scene of a pretty wedding at  
half past two o'clock Wednesday af-  
ternoon, when Miss Madeline Florence  
May, daughter of W. H. Hoyle, M.P.P.  
and Mrs. Hoyle, was married to Dr.  
Angus Alexander Campbell, Rev. A.  
C. Cummer conducted the ceremony.

The bride, who was given away by  
her father, wore a graceful gown of  
white satin veiled in ninon, embroide-  
red in gold and crystal. Her tulle  
veil was crowned with orange bloss-  
oms, and she carried a shower of white  
roses. She also wore the groom's gift  
a beautiful necklace of pearls. Miss  
Mary Campbell, sister of the groom,  
was bridesmaid, and wore a blue satin  
charmeuse, with crystal trimmings.  
She carried pink roses and wore the  
groom's gift, a gold bracelet. Mrs.  
Emerson McNickle, sister of the bride,  
as matron of honor, wore white satin  
and pearl brooch, gift of the groom.  
Dr. Kirkpatrick, of Orillia, was best  
man, and Mr. G. J. Hoyle, uncle of  
the bride, usher. Mrs. Walter Henderson,  
of Qu'Appelle, Sask., played the  
wedding music, and Miss Katherine  
Ellis, of Toronto, sang "Because"  
during the signing of the register.

After the ceremony Mr. and Mrs.  
Hoyle held a reception at "Westward  
Ho," the bride's mother receiving in a  
satin gown with black hat. The  
bride's travelling suit was a navy  
blue. The bride has relatives in Lindsay.

A quiet wedding was solemnized this  
afternoon at the residence of Rev. Mr.  
Brown, Wellington-st., who was the

Wednesday October 18th, at the home  
of Mr. and Mrs. Wm. B. Kennedy, when  
their daughter Rebecca Elizabeth was

handsome gown of white embroidery,

which the wedding party retired to  
the dining room where a sumptuous re-

### WHITE RIBBONERS IN CONVENTION

Sherbrooke, Que., Oct. 22.—The 17th  
convention of the Dominion W. C. T. U.  
opened in Plymouth hall this morn-  
ing. About 80 delegates from all over  
Canada were present. Last night Mrs.  
A. A. Gordon, superintendent of engi-  
neering department, made the con-  
vention address in Plymouth church. Mrs.  
Gordon, in a stirring address, dealt  
with the cigaret habit and what it was  
causing among boys. She prayed for  
the co-operation of every man and  
woman in an effort to do away with  
this cause as well as with liquor and  
white slave traffic. Mrs. Gordon  
stated that in the Dominion of Can-  
ada last year 1,500 girls disappeared  
from sight, having fallen victims to  
the white slave traffic. In the city of  
Chicago, the boast was openly made  
that the brightest and best victims se-  
cured were Canadian girls.

This morning at 9 o'clock the regu-  
lar business meeting began and will  
be continued until Thursday after-  
noon. This evening's meeting will be  
held in the Art hall with the Dominion
