New Post Office For Peterboro

Peterboro Times: "It is likely that Feterboro will have a new post office in the near future. Parcels post and increased mail will necessitace some such measures. The Times has heard the local gedesal member sat that if the present lot will not be enough it will be up to the city council to name the locality in which they want a new one purchased. The

council represents the people." Peterboro seems to be able to get "plums" every time it reaches out for them. Lindsay has been praying for a clock in the post office tower for some time, but the prayers are

SHOT HIMSELF

Madoc, Ont., Sept. 23 .- The parents of Ella Franks, the 16-year-old girl who was found dead by neighbors late on Saturday afternoon, with a shot wound in the breast, believe she was accidentally killed by Moose Jaw, Sept. 25.-That the her 14-year-old foster brother, and

neighbors who called found her dead in the pantry. Her parents were off in town at the time. The boy and his gun were missing.

AND CHICKERS

Ottawa, Sept. 23.—Raising chickhis brother, John, was run into ens by electricity is the subject of a while out walking by a small boy report received by the Department of coasting down the sidewalk in a Trade and Commerce from its Bristol commissioner. The application of electric currents, it is stated, stimulates the chicks, keeping life in the weakly ones, so that "a farmer could by the application of electricity to his poultry farm produce nearly fifty per cent. more chickens per annum at a cost which works out very much like lower than the cost of producing the

electrification." "Assuming the above to be correct, it will be of considerable interest to farmers and others who raise ply of electricity," says the report.
