# Why You Should Buy Your Floor-

# coverings and Draperies

There are several good reasons why you should buy Carpets, Rugs, Lace Curtains, Draperies, Linoleums and Oilcloths now-HERE...because you can save good dollars on every purchase.

BECAUSE we know when and where to se-· cure our stocks and we get ahead of a rising market and bought before the recent big advance in price. That means economy for you.

BECAUSE we buy our floor coverings direct from the makers, been doing so for years, and they know better than to try to sell us the doubtful kinds. We demand

their best invariably. That means satisfaction for you.

BECAUSE our stocks are as large and varied as those found in many city department stores -- no need to go farther and fare worse.

## THE FOLLOWING ITEMS...

### Carpets Underpriced.

This stock of Carpets has just been gone through, and some very good designs have been neglected. We don't care to carry patterns over, so if low prices would sell them, we would prefer to let them go. In our list below we have not told you of every line but have given enough to interest you. A visit to this department will give you

LOT I.-6 patterns in Tapestry Carpets, floral and conventional designs, they come in fawn, crimson, brown and green grounds, and also some stair patterns. They have been selling at 60c and 65c per yard. To clear quickly per yard... ..... 50c
