Successful Hunt After the Deer

Janetville Party win Out with Sixteen Deer

A Janetville hunting party consisting of Messrs. John R. Burn, Geo. Wilson, Lewis Fitz, Andrew McGill, James Armstrong, R. McGill and James Henry arrived in town Tuesday morning from the happy hunting ground on the shore of Big Pine Lake, Monmouth township. This party was one of the jolliest on the hunt and brought back with them sixteen deer. They are all veteran hunters, and everyone knows Jim Henry, one of the expert buck hunters, the man with the steady aim. Then there was Lewis Fitz, the first man to bring down game, and Geo. Wilson, the wood ranger, who could not be lost. Jimmy Armstrong had the distinction of bagging the baby deer.

Husband and Wife

Both Restored to Health by Dr. Williams' Pink Pills

"Both myself and my wife can truthfully say that Dr. Williams' Pink Pills have been of great benefit to us, and we are constantly recommending them to our friends." Thus writes Mr. Ernest L. Archibald, Tario, N. S., who further says: "In my own case I had been subject to dizzy headaches for over a year, and three boxes of the pills completely cured me of the trouble. About a year ago my wife began to complain. She seemed to be completely run down; was very pale and weak; she could not walk upstairs without stopping on the way to get breath, and ultimately she grew so weak she could not sweep a floor without resting. She tried several tonics but received no benefit. Then I persuaded her to try Dr. Williams' Pink Pills and got her a half dozen boxes. After she had used a couple of boxes her appetite began to improve and the color to return to her face. She continued using the Pills until she had taken the six boxes, and today she is perfectly well, feels stronger and looks better than she has done for some years. While she was taking the Pills she gained twelve pounds in weight."

Dr. Williams' Pills cure troubles like these because they are rooted in the blood. Bad blood is the cause of all common diseases like anaemia, rheumatism, indigestion, neuralgia, St. Vitus dance, general weakness, and those ailments that only women folks know, with their attendant backaches and headaches and irregularities. Dr. Williams' Pink Pills are a sure cure when given a fair trial, because they enrich the blood and thus reach the root of the disease. Sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50, from The Dr. Williams' Medicine Co., Brockville, Ont.

KEEP BABY WELL

No matter whether baby is sick or well, Baby's Own Tablets should always be kept in the house. They not only cure the minor disorders of childhood, but prevent them, and should be given whenever the little ones show the slightest signs of illness. Children take the Tablets as readily as candy, and they are absolutely safe. Mrs. Geo. Howell, Sandy Beach, Que., says: "My baby was greatly troubled with colic and cried night and day, but after giving him Baby's Own Tablets the trouble disappeared. I advise all mothers to use this medicine." Sold by all medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

...THE BIBLE STUDY CLUB...

The Post has arranged to conduct a branch of the International Newspaper Study Club. The questions will appear in this department every week, and all are invited to write out their answers and send them in to this office. Any information regarding the contest will also be gladly given at any time to those who ask for it. It costs nothing to join, and the prizes are well worth the winning.

Persons may join the club at any time during the year, but must of course answer the 52 questions to qualify for the prizes. It is however desirable that the questions be answered as the lessons are studied.

This club is for the purpose of promoting in an unfettered way among the masses, a wider study of the Bible and the biblical truths of Christianity. It is composed of all those who join a local club, and take up this month's course herein outlined, barring only ordained clergymen. We have the systematic co-operation of the latter, but it is not considered fair to have them compete for the prizes. Sunday school teachers, Bible class scholars, and church goers generally, also non-church goers of all shades of opinion. All such who have not joined are warmly invited to do so, and to compete for the prizes.

CONDITIONS OF THE CONTEST.

1. Each contestant, or his or her family, must be a subscriber to this paper during the continuance of the contest in order to qualify for membership in this Local Club.
2. Each contestant in this Local Club must answer each of the written questions for 52 consecutive weeks, commencing Saturday, Aug. 22, 1908, and the answers must all be in the possession of this paper by August 30, 1909, which allows two weeks grace after the close of the contest.
3. Each question must be answered separately, and the paper written on one side only. No answer must exceed 200 words in length, and may be less. It will be a convenience if students will write their answer on

letter paper, size about 8 1/2 inches by 14 inches.
4. Each answer must have the name and address of the writer at the bottom of each answer, so it can be identified, giving a number, registered, and then the name cut off so the examiner can know it by the number only.
5. Students should be careful to understand the question before answering. To do this the lesson text must be read and especially the verse or verses upon which the question is based.
6. The question from the Local Club must be delivered to this office, and they will be collated at the end of the contest and forwarded to the headquarters of the International Newspaper Bible Study Club for independent examination by competent examiners. The prizes will then be awarded according to the highest number of marks, and those won by members of this local club will be given out from this office.

THE PRIZES.

First series—A gold medal to each of the first five contestants.
Second series—A silver medal to each of the next five contestants.
Third series—A teacher's Bible, price \$5.50, to each of the next five contestants.
Fourth series—The book "The Heart of Christianity," price \$1.50, to each of the next thirty-five contestants.
Fifth series—A developed mind, an expanded imagination, a richer experience and a profounder knowledge of the Bible, and of life, to all who take this course, whether winning a prize or not.

Each medal will be suitably engraved, giving the name of the winner, and for what it is awarded and in like manner each bible and book will be inscribed.
All who can write and have ideas are urged to take up their studies regardless of the degree of their education, as the papers are not valued from an educational or literary standpoint, but from the point of view of the cogency of their reasoned ideas.

Verses 1-4. — How old was David, and had he any right to be a descendant of old man at such an age? What can we say of the advisers of the old king marrying him with "one foot in the grave," to his young and fair maiden?

Was God in those days ever pleased with things which grieve him in these days?

Verses 5-10 — How do you explain the fact that Absalom and Adonijah, sons of the same mother and very handsome men, both turned traitors to their father and to the plans of God? (This question must be answered in writing by the members of the club.)

Are unusual good looks and ability generally a help, or a hindrance to character?

If Absalom and Adonijah had not been pampered and petted by their father and mother, but had been properly trained, what would have been
