Address on India and the Far East

Dr. Walters Addresses the Students of the Collegiate Institute

Wednesday afternoon the students of the collegiate institute were addressed by Dr. Walters, a missionary who has been in India representing the Canadian Colleges' Mission. He shows a very thorough knowledge of the movements of the great eastern powers, particularly Turkey, China, and our own dominions in India. He said that China was very anxious to get a knowledge of western methods and civilization, so much so that three years ago Chinamen seeking government positions had to have a thorough western education. Before that time such questions as "What did a certain writer say was a man's duty to his parents?" etc, were asked. Now it is such questions as "How should coast towns be guarded?" "What is the secret of England's greatness?"

A Hindu in India (and he was not a Christian) said to Dr. Walters that England's greatness was not in her army or navy, but in the fact that the bible was a book which was studied in all the homes. A person could be kept busy reading the bible from morning till night to interested bodies of men.

In referring to Turkey, the speaker said it was the only country that had a paper edited by women for women. He also mentioned other movements to advance the condition of the people, and altogether showed that he had a thorough knowledge of his subject.

Dr. Walters returned home from India in January, but expects to go back again very soon.

A committee with representatives from each form will be organized to canvass for and receive contributions.

STOMACH COMFORT

When the Stomach Rebels Headache, Indigestion and Nerve Pain Follows—Mi-o-na Brings Relief

Just as soon as you are done eating the healthy stomach commences to churn the food around and mixes it thoroughly with the juices of the stomach.

If the food is not churned it lays heavily on your stomach, turns sour and causes all kinds of distressing symptoms, such as headache, indigestion, stomach pain and dyspepsia. Mi-o-na helps the stomach to properly mix the food.

John S. May, of Isabella street, Belleville, Ont. says: "For over seven months I was in constant agony with a case of nervous dyspepsia and indigestion that medical skill could not relieve. I was weak and had lost much weight through loss of appetite and suffering. My meals would fill me with gas and a feeling of oppression across the stomach and all up the left side, left me in a miserable condition. I was restless at night and as tired and unrefreshed in the morning as on going to bed. A choking sensation in my throat was always constant when lying down, and my heart seemed to flutter and pound as though it were coming out through my side. I was benefited from the first two days' use of Mi-o-na. I began to feel like myself again, my appetite returned and the depressive feeling left me. I can enjoy my meals without the least worry of after suffering. I have gained in weight and can sleep the night through in comfort."

Go to Jurg & Gregory, the druggists, and get a 50 cent box of Mi-o-na Tablets. Money back if Mi-o-na does not cure.

Plucky Lumberman Takes Painful Ride

Travels Six Miles on Horseback with a Broken Leg

Six miles on horseback with a broken leg was the painful experience on Monday of Mr. Jack Phillips, a young lumberman, employed in the McDonald estate lumber camp in Burleigh. Phillips, unfortunately, had his leg broken below the knee by the falling of a log on it, near the lumber camp. This occurred about noon on Monday and in order to get to his home in Chandos, Phillips had to ride on horseback a distance of six miles to Mr. McMillan's residence on the Burleigh-Apsley Road. Despite the intense pain he pluckily finished his journey from where he was driven by Mr. Bert McMillan through Apsley to his home.

Dr. Bell, of Apsley, was summoned and found that his leg had swollen so badly by hanging downwards that it was almost impossible to set the fracture.

This circumstance goes to show the trials that a lumberman meets with in the northern woods, and should gain for these heroic men more sympathy than they are now being tendered by their more fortunate brethren of the town where the transportation facilities are of more modern type.

Commissioners Were in Session

Contract Signed for Operating Works by Electricity

A meeting of the water commissioners was held Wednesday afternoon at four o'clock. There were present Messrs J. D. Flavell, (chairman), His Worship Mayor Begg, T. Brady and D. Sinclair.

The monthly statement presented showed that thirteen million gallons of water had been pumped, which was 500,000 more than for the same period last year, with 1 1-2 tons less of coal consumed.

A petition for an extension on Regent-st. was received and was not granted because of the fact that the nearest hydrant was 700 feet away.

Mr. D. Curtin, of the east ward, asked for a half year service. His request was granted, but on the condition that should he turn the water off the service would be cancelled.

Mr. B. A. Wood, William-st., had water service for two months and only paid \$1.25. The secretary was empowered to collect for the quarter.

CONTRACT SIGNED

The secretary next read the contract, clause by clause, entered into between the Light, Heat and Power Company and Water Commissioners regarding the installation of the electric pump at the pump house. The provisions of the by-law and the amendments suggested by the commissioners were dealt with in a previous issue, as well as a detailed reference to the capacity of the new pump.

On motion of Messrs. Begg and Sinclair the contract was accepted and the agreement signed.

In the discussion it was brought out that the commissioners will be supplied with 660,000 gallons of water daily or 240 million gallons a year.

THE WATERWORKS BY-LAW

The commissioners next took up for consideration the by-law to fix and provide for levying a special frontage rate upon lands in the town of Lindsay fronting on streets, lanes and alleys upon which water mains are laid.

According to the proposed by-law, the Lindsay water commissioners shall have power to levy and charge a special rate upon the several lands, lots, or parts of lots, whether occupied or vacant, fronting or abutting upon all streets, lanes and alleys in the municipality upon which water mains are laid, from which the commissioners are willing to supply water, are laid, such special rate to be an annual rate according to the fronting of the said lands, lots or parts of lots and not to exceed four cents per foot for such frontage and to be subject to the same discount for prompt payment as shall be allowed in respect of ordinary water rates for domestic use, and to be payable at the time or times during each year, fixed by the water commissioners for payment thereof.

The water commissioners have decided to fix the said special rate at four cents per foot for each foot of frontage on said streets, lanes and alleys, and to make the same payable on the same days and times as ordinary water rates are payable under the by-laws of the said commissioners from time to time in force and effect.

This by-law practically means that citizens taking water are not called

upon to pay the tax and besides property owners are not obliged to pay on those streets where mains are not laid. The rate to be levied will not exceed one mill on the dollar.

This by-law will be submitted to the electors at the approaching municipal elections.

County Councillors Dined by Warden

Members of County Parliament Spend Very Pleasant Evening

Warden Mason of the county council was the host at a very enjoyable banquet Friday evening in Taylor's restaurant tendered to the members of the county council, the county officials, the mayor of Lindsay, and several other invited guests.

The affair was a splendid success in every respect, and those around the festive board spent a most enjoyable evening.

The chairman of the evening was His Honor Judge McMillan, and the duties of toast master was ably filled by Reeve Geo. A. Jordan.

The first toast honored was that of the king, the company singing the national anthem.

"The Legislature" was responded to by Mr. S. J. Fox, M.P.P., who, in expressing his pleasure at being present, eulogized the county council and the county officials. The work of the provincial legislature in upbuilding the country was also referred to.

The next toast was that of "Our Town," and Mayor Begg in a brief speech thanked the warden for the privilege of being present. He congratulated the county council on their record, and paid a warm tribute to Mr. J. R. McNeillie, the efficient county clerk.

Deputy-reeve Eyres also spoke to the toast and made eulogistic references to the business ability of the warden and county councillors.

The toast, "Our Host," was fittingly honored, and was responded to by His Honor Judge McMillan, who reviewed county municipal matters, praised the council and county officials, especially Mr. J. R. McNeillie. In reference to the town of Lindsay he said it was a good town. The taxes were somewhat high, and what the town really needed was more factories. He eulogized Warden Mason and Mr. McNeillie, whom he said, made the work comparatively easy for the council.

Reeve Watson, of Mariposa, paid a very warm tribute to the warden, whom he held in very high esteem, and whom he said had guided the affairs of the council well. The warden, on rising to speak, was warmly received. He told of the embarrassment he experienced when he was elected warden. He tried to do his duty to the county, and was proud of the loyalty and assistance given by the councillors. He closed his remarks by paying a warm tribute to Mr. McNeillie.

The toast, "The County of Victoria," was next honored, and J. R. Taylor Parkin, of Fenelon, in a brief speech eulogized the warden, and referred to him as a man of probity and honor, and who had rendered excellent service to the county.

Mr. J. Graham, of Carden, said he was pleased to be present, but regretted that the warden and Mr. Parkin would not be in the council next year. He paid a warm tribute to the council, and expressed himself as proud of the county. He was also interested in Lindsay, but felt the taxes were too high and that the streets were in bad condition. He claimed that if the town had local option conditions would change. He admired the warden's style, and thought he was an ideal official.

Reeve Howkins said he had always endeavored to do his duty to the council. He referred to the excellent services rendered the county by Mr. McNeillie, and expressed his pride in the county.

Mr. J. R. McNeillie, clerk and treasurer, is a modest speech thanked the gathering for the kind expressions. He was glad to respond to the toast, and to be able to say a word of tribute and praise to the warden.

"The Learned Professors" brought neat speeches, replete with witty sallies, and warm tributes to the warden and council from County Engineer Smith, County Solicitor F. A. McDiarmid, and Dr. Wood, county physician.

"The Ladies," had able and eloquent champions in Messrs. Leonard Nesbitt and F. Moynes. The toast of "The Press" was acknowledged by the representatives present.

The chairman introduced the closing toast, that of "The Toast Master," which was responded to in a neat speech by Reeve G. A. Jordan, who reviewed county municipal matters, and eulogized the warden and all those entangled with the affairs of the county of Victoria.

The proceedings closed with the national anthem.

OPS COUNCIL

A regular meeting of Ops council was held on Monday, November 16. All members were present. The minutes of last meeting were read by the clerk, and on motion of Messrs. O'Loughlin and Howkins, were confirmed.

Communications.

A letter from the treasury department, Toronto, stating that the sum of \$159.52 would redeem tile drain debentures No.'s 33 and 38, for which the west half of lot 4, con. 1, is liable.

A form of by-law from the department of public works, Toronto, for the use of municipal councils desiring to take advantage of government aid for the construction of public roads.

Report from Dr. Brown, M. H. O., stating that Ops was almost entirely free from infectious diseases during the year now closing—there being only a few cases of typhoid, and one of scarlet fever, from which the patients quickly recovered.

A report from the chairman and secretary of Ops Board of Health for the year ending November 15, 1908.

A report from the sanitary inspector of Lindsay board of health, stating that some of the slaughter houses adjoining the town were not in good condition; also enclosing a letter from the town clerk calling the attention of Ops council to the same.

A certificate from the township engineer, stating that the work on the Jewell drain had been completed in accordance with the award as amended by His Honor Judge Harding.

The healthy condition of the township as given by the M.H.O.'s report, and the precaution taken by the people of the township generally in removing nuisances were a source of pleasure to the council.

The reports were received and filed. The report received from Lindsay board of health in reference to the slaughter houses, etc., were referred to Ops board of health for consideration.

Moved by P. Howkins, seconded by S. Coulter, that the treasurer be authorized to accept \$159.52 to redeem sale debentures Nos. 33 and 38; and that he forward the same to the provincial treasurer.—Carried.

Messrs. L. Minthorne and J. H. Copeland, of Mariposa, addressed the council requesting that a part of 4th quarter line crossing the first concession be repaired.

The council instructed J. O'Loughlin, commissioner, to attend to the matter and make such repairs as are really necessary.

The following accounts were then passed, and on motion of Messrs. Wilson and Coulter, were paid as follows:

- Wm. Crowley, work on Jewell's drain \$3.15.
- M. Porter, work on Jewell's drain, \$5.60.
- Wm. A. Wilson, work on Jewell's drain, \$1.50.
- Theodore Calvert, work on first quarter line, \$8.

ELDON COUNCIL

Council met pursuant to adjournment in Plank's hall, Lorneville, on Saturday, Nov. 7th, at the hour of eleven o'clock a.m. Members all present. Reeve Howkins and Councillors McFadyen, Spence, Robinson and McQuarrie. The minutes of the former meeting of Oct. 14th were read.

Moved by Mr. McQuarrie, seconded by Mr. Spence, that the minutes as read be amended as follows: The account of "Division Court, William Hopkins vs. Township of Eldon" read "Wm. Nicholls vs. Township of Eldon," and that the minutes as amended be adopted.—Carried.

Annie McRae waited on the council wanting to know if they intended to build the sidewalk to their house this fall. She stated that she had waited on the council at a meeting in July asking for this sidewalk and complained that the fact of her waiting on the council was not reported in the papers under report of "Council Proceedings."

The reeve explained to her that part of the material was already on the ground, and they had arranged to commence building the sidewalk on Tuesday or Wednesday next.

John McEachern waited on the council re school debentures for S. S. No. 3, being raised on his property, east half of lot 6, con. 6, and stated that this property was not included in the by-law for raising said debenture fund. The reeve instructed him to pay the full amount of his taxes and the amount of the school debenture rate would be rebated to him.

Communications were read as follows from the following:— Mrs. Sarah Taylor, asking to have her taxes for 1908 abated, as she was not able to pay same.

A report from A. G. Cavana, township engineer, stating that all parties of the Hector McFadyen award drain had completed their portion, and were therefore relieved, in so far as work was concerned, from further responsibility; and he presented his account re same of \$24.10.

A. C. Cavana's certificate that the portion of the Budd drain allotted to the township of Eldon had been completed in a satisfactory manner and that the corporation was hereby relieved from further responsibility in so far as the construction of the award drain was concerned.

Clerk of Fenelon, presenting an account of \$5 as half of work performed on the boundary between Fenelon and Eldon.

James Jack, asking that the necessary steps to dispose of the appeal of the James Jack drain be taken.

G. B. Rennie, Clerk of Mariposa, enclosing a money order for \$2.25 as half of the money expended on the townline Mariposa and Eldon, in 1906.

R. Connolly, pathmaster on road division No. 95, presenting an account for work done filling in a washout, \$3.

Clerk of Mariposa, stating that Messrs. Rodgers, Michael and himself, were appointed a committee from the township of Eldon, to adjust the expenditure of moneys on the boundary between Mariposa and Eldon.

The following communications were left over to be dealt with at the next meeting: Mrs. Sarah Taylor's, Clerk of Fenelon, and James Jack.

The post office order of the treasurer of Mariposa was not cashed until such time as the expenditure on the town line between Mariposa and Eldon could be adjusted. There was no committee appointed to meet a committee from Mariposa, the reeve wishing to interview the reeve and deputy-reeve at the first meeting of the county council.

Moved by Mr. McQuarrie, seconded by Mr. Spence, that the following accounts be passed and the reeve issue his orders on the treasurer for same: A. G. Cavana, account in full re the H. McFadyen award drain \$24.10

A. G. Cavana, account in full re the Geo. McFarlane award drain \$63.35

John Grant, balance of account in full, Wm. McEachern award drain \$5.77

Hugh McPherson, for doing township'd portion of the Hector McFadyen award drain \$12.75

Thos. Robinson, removing Jas. (Rushton) to the House of Refuge \$4.05; and freight on cement bags, 36 cts. \$4.40

Percy Robinson, removing tile moulds \$1.50

R. Connolly, work done on washout on road div. No. 95 \$3.00

Carried. Moved by Mr. Spence, seconded by Robinson, that we adjourn to meet in McKenzie's hall, Kirkfield, on Tuesday, December 15th, at the hour of ten o'clock a.m.

B. STACEY, Clerk and Treas.
