SKIN A MASS OF FIRE

Horrible torture—pain unendurable—days when the whole body seems to be burning up—long nights of sleepless agony—then—

INSTANT RELIEF—The skin cooled and refreshed—all burning and itching gone!

J. Samuel Lewis writes:—"I used three bottles of D.D.D. Prescription and now my skin, once a mass of fire and irritation, is as smooth and soft as a child's."

Of all remedies for the skin that we know we can especially recommend D.D.D. Prescription for eczema. Just a mild, soothing wash—but it cleanses and cools the skin as nothing else can and it takes away the itch instantly.

We would like to tell you more about D.D.D. Prescription if you will call, or write the D.D.D. Laboratories, Dept. P. L., 49 Colborne-st., Toronto, and get a free trial bottle.

Dr. Graham was summoned and dressed the wound, which required a good many stitches. The patient is doing as well as could be expected.
