

51 YEARS There are two photos in our window; one of the late Mr. Wm. Cluxton, and the other of the late Mr. J. R. Dundas. These two gentlemen, 51 years ago, founded this business, the anniversary of which we are now celebrating.

Old residents of the town and surrounding country will view these with interest, and we cordially invite them to visit our store during this Celebration and "talk over old times."

MEANING OF 51c

You will notice during the celebration of this our Fifty-First Anniversary countless articles of merchandise which you know to be of greater value—now priced at 51 cents. We do this to emphasize the fact that this business has been growing in Lindsay for fifty-one years, for we are naturally proud of this long period of development.

FIFTY-FIRST BIRTHDAY

Our Anniversary

Fifty-one years is a long time for a firm to have been continuously in business in this town, and it is to herald this fact that all over the store the 51 cent price has sway during our great Anniversary Celebration for two weeks, commencing SATURDAY, NOVEMBER 11th, and ending SATURDAY, NOVEMBER 25th.

Ever since the establishing of this business we have been planting the seeds of "bestness" in the fertile soil of the people's appreciation. Our business policy is a policy moulded by laudible ambition, a policy of liberality, of strict integrity, of highest aims, of pluck and push, a policy whose alphabet spells only SUCCESS.

We want you to join the thousands who will visit the store during this Celebration. The welcome will be cordial even though purchases are not intended. A choice musical programme will be rendered daily. We have space here to mention only a few of the hundreds of exceptional values that we offer to celebrate this event.
