ONE COTTAGE WAS ENTERED

Yesterday afternoon Mr. John McCrae took a party of nine to Sturgeon Point in his steam launch, the "Flo Mac." They left Lindsay about 2.30, returning about six o'clock in the evening.

The purpose of the trip was to ascertain if there was any truth in the report which was circulated on Saturday last to the effect that a number of the cottages at the Point had been broken into. The party tried every house and found everything was apparently as it had been left in the fall when the owners of the cottages left for the season. One of the cottages, Mr. B. J. Gough's, had been entered. A paddle was missing and a can of tomatoes had been opened. The person or persons who entered the cottage were apparently after something to appease the inner man.

Mr. McCrae stated to a Post man this morning that where the water had washed up on the shore at the Point everything was covered with ice. The long cut and the bay were covered with a thin sheet of ice. Two planks were fastened on the bow of the boat to protect it from being damaged.

Mr. Archie Gillespie returned from visiting friends in Toronto and other places.

WEDDING BELLS

DONALDSON - MIDDLETON

A quiet wedding took place at 2.30 o'clock to-day at the home Mr. H. A. Middleton, Kent street, west, when his sister, Miss Meta, became the bride of Mr. G. E. Donaldson, of Iroquois, Ont. Rev. S. J. Shorey, pastor of the Cambridge-st. Methodist church, officiated in the presence of the immediate friends of the contracting parties.

After the ceremony a dainty wedding repast was served, and the happy couple afterward left on a wedding trip. On their return they will reside in Lindsay.

McAULIFFE-LEDGER.

The wedding was solemnized at St. Peter's Cathedral, Peterboro, Tuesday, of Mr. Patrick McAuliffe, of East Emily, to Helen Adelaide Ledger. The ceremony was performed by Rev. Fr. McColl, in the presence of immediate friends. The bride wore a navy blue suit, with a white hat, and was assisted by Miss Effie McAuliffe, sister of the groom, who also wore navy Wilfrid Carroll of East Emily was best man. Mr. and Mrs. McAuliffe left on the 11.30 train for Oshawa, Toronto and points west. On their return they will take up residence in Emily. The wedding presents were both numerous and handsome.

Belleville, Ont.—Considerable damage was occasioned at the G. T. R. yard Friday morning by a collision which occurred at 2 o'clock between some released freight cars and the Belleville-Peterboro train.

The accident happened while the coaches of the local were standing stationary, awaiting the morning journey. It appears that as an engine was shunting down the incline some of the attached cars were uncoupled and owing to the brakes having been left open, proceeded onward along the track, crashing into the coaches of the local.

A coach, which had only recently been overhauled and repainted, received considerable damage, and a

combination mail and smoker was badly telescoped while the baggage car was also rendered practically useless. The damaged cars will probably be sent to Montreal for repairs.

REV. A. F. BARR HAS RESIGNED

Toronto Star: Rev. A. F. Barr, son of Mr. C. D. Barr, County Registrar, who has had charge of All Saints' Church, Whitby, for the past four years, and who previous to that was curate of All Saints' Church, Toronto, has been forced to resign his pastorate on account of ill health and will take a long rest on the advice of his physician. Mr. Barr is threatened with nervous breakdown.

Mr. Barr's resignation will go into effect at once. It will be a distinct loss to Whitby, where Mr. Barr was held in the highest esteem by all classes of people.

The many friends in this district of the reverend gentleman will join with the Post in wishing him a speedy restoration to health.

C. P. R. OFFICIALS VISIT LINDSAY

(From Wednesday's Post)

This morning Mr. D. McNicholl, Vice-president, and General Manager of the C.P.R., accompanied by other officials, arrived in town by special train on a tour of inspection of the line, and more particularly of the Georgian Bay and Seaboard Railway. The party went as far as Bobcaygeon, where a short stop was made, after which a trip was made over the grain line to Orillia and Victoria Harbor.

It is understood that the management is desirous of having the line completed as speedily as possible and the Toronto Construction Company is bending every energy with a view to handing over the line early in December.

LOOKING AFTER OUR PEAT BOGS

Peterboro Times: An enquiry reached the Times yesterday from Buffalo, regarding the extent of the bogs of peat in this neighborhood. These are known to be very extensive, especially in the neighborhood of Balsam Lake, and on the Scugog River. It would appear from what is taking place at the experimental works of the Dominion Government peat plant near Ottawa that it will not be long before this industry becomes a most important one, especially on the Trent Waterway. It is said that peat fuel is ever preferable to coal, as it leaves an ash that makes a good fertilizer, and can be produced at much less cost than coal.

TRAINS COLLIDE AT KING-ST. CROSSING TWO CARS OF EGGS FARED BADLY

(From Wednesday's Post)

Another railway accident occurred to-day about 11.45 o'clock, at the King-st. crossing, when a construction train on the C.P.R. and a G.T.R. freight train collided with disastrous results.

It appears that a G.T.R. engine was engaged in shunting some cars of produce from the cold storage of Flavelles Limited, and which was for immediate shipment to the old country. The semaphore board at the diamond, it is claimed, was up against the C.P.R., but along came a long ballast train from Bobcaygeon with the car containing the ballast plow in the rear. It rounded the curve at the station, and crashed into the G.T.R. train at the diamond, the crew of the ballast train not noticing the danger until too late to avert the collision. One car of eggs completely turned turtle, one end of it crashing into the ware house between Flavelles elevator and the semaphores. The car is badly wrecked and it is believed that the produce has fared badly.

Another car of eggs, as a result of the collision, landed square across the two tracks, a little east of the semaphore, completely blocking the lines.

The construction car containing the ballast plow also fared badly as the result of the accident. The track was cleared this afternoon.

PLEASANT POINT

The threshers are busy in this corner at present, winding up for this season. They are very glad for the change in the weather as moving from place to place was greatly hampered by the mud and water.

We are sorry to see Mrs. Frances Brien on the sick-list once more. She has been taken down by a severe attack of pleurisy.

Mr. Theo. Greer has returned after spending the harvest in the west. He rather likes this part of the country best yet.

Mr. John Myers has been successful in bringing home a fine deer after his two weeks' sojourn in the north country.

Miss Elizabeth Monks, of New York city, is visiting in town.

Rev. Father Scanlon, of Grafton, a former curate of St. Mary's Church, was in town to-day.
