MANILLA

(Special to The Post.)

The regular monthly meeting of the Manilla Women's Institute met Wednesday 23 of Oct at the home of Mrs. George Douglass. The meeting opened in the usual way with the ode O. Canada followed by the Lord's Prayer after dispensing with the business which was more lengthy than usual a very interesting programme was listened to. Mrs. Osborne and her daugh. ter sang us a duett and to them we owe many thanks for their timely help. We had a short but interesting paper given by Miss Eva Pearce on Good form in public places. If the ad vice given in her pethy paper was strictly adhered to many flagrant blunders would never be committed. The papers given by our members from time to time and chosen by our executive are worthy of commendat ion. Much study is given to the preparation that it may be presented in the ablest form and much ability is brought to light. After this paper Mrs. McPhail sang a solo the words of which entered one's soul.

We had another very instructive reading on "How to choose linen, and points were brought forward that moving pictures in the Orange Hall will help any one present to be a better judge of the real article when again purchasing. Belfast samples were then passed around for each lady to examine. They were very choice samples and it proved to be an interesting object lesson. At the close of this paper Miss Osborne sang a solo which every one enjoyed. Some very good recipes were given in answer to questions from the question drawer answered by Mrs. Nugent The Roll Call was heartily responded to with some very instructive thoughts and the November meeting announcement was then given out. It will be of much interest, as it takes the form of a hemming and patching their turnips which are an exceptionfreshshments served. All are cordially invited, but only members can compete for prizes. It will be held on Nov. 27th at the home of Mrs. Norman Mintern.

At the conclusion of the ceremony the happy couple drove to the residence of the bride's mother, where a wedding breakfast was partaken of. They left on a honeymoon trip to Ottawa and other points.
