Orillia Loses Tudhope Concern

News Letter: Is Orillia to lose the Tudhope Motor Works? A despatch from Windsor on Monday says: "The city council and Board of Trade have completed negotiations whereby another factory, the largest yet to locate here, is secured. The concern is to be the Canadian branch of the Everitt Motor Co., of Detroit, and will occupy 10 acres in the city factory district. The new factory is being handled by B. F. Everitt, and will cost in the neighborhood of \$1,000,000, including the equipment. The company will be known as the Tudhope Automobile Manufacturing Co. The officials of the company state building operations will begin not later than April 15 and will be completed by July 15, 1913."

Well, there you have it in a nutshell. Mr. C. B. Tudhope, when shown the despatch yesterday, characterized it as a little premature. "It is quite true," he stated, "that Mr. Everitt has purchased a factory site in Windsor, but it is by no means sure that it is for the Tudhope Motor Works. Windsor offers many attractions for the manufacture of motor cars, Detroit being the centre of motor manufacturing in America, as well as the centre of supplies. Labor, too, is always available there, but on the other hand the factory here is selling all the cars it can produce. It is no secret that we have been approached to remove to Windsor, but there is nothing in the report that we have decided to go." Orillians all will only hope that the factory not only stays here but continues to increase year after year. Such a loss as the removal of the motor works would be felt by every ratepayer in town. Let us hope for the best and meantime make things attractive enough to encourage the permanency of the factory here.

GIFTS WOR H GIVING

Those that are alike said factory to give and receive to secure in represent excellent judgment, beauty and utility as well as good will. The following will give you some idea of our stock:

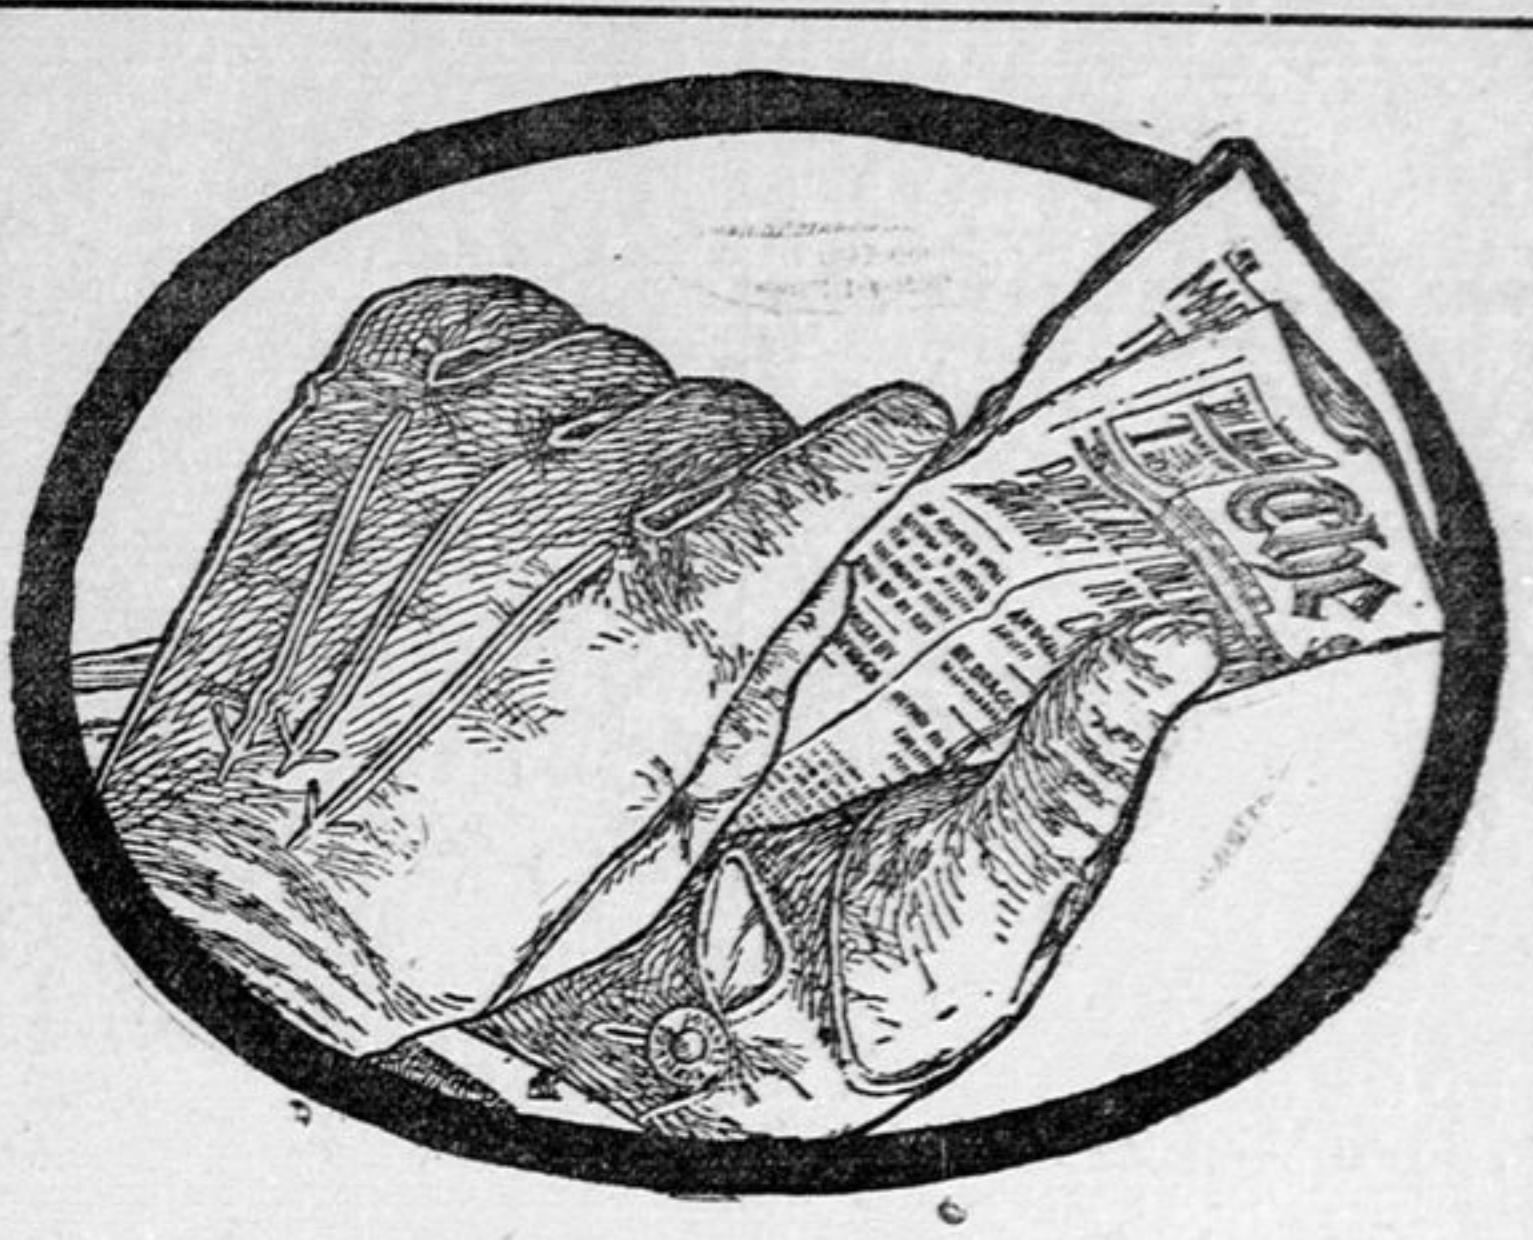

- Brushes, Toilet Sets
- Shaving Supplies
- Stationery, Perfume
- Smoking Supplies
- Cameras, Fountain Pens
- Christmas Cards, Etc.

Hunters Secure Twenty-one Deer

Talking of successful hunting parties, the palm must be accorded the John Dixon hunting party, which returned on Tuesday morning from a most successful hunt at Little Red-stone Lake, Havelock township, Haliburton county. There were twenty in the party and each man secured a deer—and a splendid specimen at that. Those who viewed the trophies of the chase pronounce them the finest bunch of deer of the season. The members of the party were favored with delightful weather conditions, and they are all unanimous in declaring it the most successful and enjoyable outing of their experience.

The wolves are said to be very plentiful, and although they have created sad havoc among the deer, the Dixon party were able to secure their quota. The following comprised the members of the party, who are to be congratulated on their great success: Messrs. Wm. Young, Jack Graham, Bert Bobee, Geo. Beamish, Wm. Craig, John K. Fleming, Fred Clayton, J. C. Stewart, Toronto; Earl Langford, Eddie Graham, Peterboro; Thos. Bartley, Cobocok; Mike Bitterman, Ernie Munroe, Jos. Brenner, Leonard Myers, A. Holte, J. Honecker, Hamilton; John Dixon, (capt.) Robt. Griffiths, Frank Bushnell, Roger Maunder, Lindsay.

GLOVES

Every man wants gloves, and wants good, fashionable, serviceable and durable gloves. The style of our street gloves is conspicuous on sight and our gloves for those who drive or work out-doors are of wide variety in all the good hides both fur and wool lined.

City Council Closing Session

Friday morning. The total amount of money paid in accounts was \$1875.29. Independent—Mr. Parker Davis of Bobcaygeon received a message on Saturday that his brother Finley had been killed on the railway, and the accident appeared in the Mail under date of Parry Sound. The Vancouver Toronto express, first section, killed Finley H. Davis at Pickeral Station on the C. P. R. about sixty miles north of this place Saturday morning. Mr. Davis who formerly resided at Parry Sound, had been farming for some years in McDougall Township, near Ambo station, about nine miles north west of the town, but lately was in the employ of the C. P. R. as tank tender at Pickeral Station. Deceased was a cripple the result of his having his leg broken in three places some years ago. He was at Pickeral Station when the express came along the main line towards the tank house. Evidently thinking he could reach the tank before the train overtook him, he started along the track. The train struck him in the back, throwing him with great violence. An inquest has been ordered by Coroner Dr. Lambert Davis was 52 years of age, and was well known here, where he resided before removing to his farm. He leaves a wife and six children, one son and one daughter working for the C. P. R. at Regina, Sask. He was much respected.

'CAYGEON CITIZEN'S BROTHER KILLED

Friday morning. The total amount of money paid in accounts was \$1875.29. Independent—Mr. Parker Davis of Bobcaygeon received a message on Saturday that his brother Finley had been killed on the railway, and the accident appeared in the Mail under date of Parry Sound. The Vancouver Toronto express, first section, killed Finley H. Davis at Pickeral Station on the C. P. R. about sixty miles north of this place Saturday morning. Mr. Davis who formerly resided at Parry Sound, had been farming for some years in McDougall Township, near Ambo station, about nine miles north west of the town, but lately was in the employ of the C. P. R. as tank tender at Pickeral Station. Deceased was a cripple the result of his having his leg broken in three places some years ago. He was at Pickeral Station when the express came along the main line towards the tank house. Evidently thinking he could reach the tank before the train overtook him, he started along the track. He leaves a wife and six children, one son and one daughter working for the C. P. R. at Regina, Sask. He was much respected.

SOUTH VERULAM HUNTER SHOT

Bobcaygeon Independent—Mr. John Myers, of South Verulam, came out from his hunting party in North Harvey, on Thursday last, a day before the close of the season. He came out because he had to. Thursday morning he left camp with two brace of hounds on the chains, and after a time he left the one brace loose proceeding further on. Presently he heard the hounds coming in his direction and he hustled up a steep ridge to get a better view of the surroundings. As he was getting to the top, he cannot tell how it happened, but his rifle went off, and the ball went through the second toe of his right foot. It did not cut it off, but very nearly. He did not like to take his boot off, for fear he would be unable to get on again, so he walked back to the camp about two miles. There he did the best he could with it, and was brought out to medical aid.

Ellis Petition Before Council

A deputation of Dr. A. E. Vrooman, Mr. Alex. Horn and Thos. Stinson came before the county council Wednesday in connection with a petition of clemency for Ellis. Mr. Stinson said all were aware that a movement was being made to have the sentence commuted from murder to manslaughter. He was interested entirely from a sentimental view. We are not finding fault with the finding of the jury. Many of them believed that with a verdict of murder with a recommendation to mercy, that it meant manslaughter. The only way that clemency can be executed is to petition the Minister of Justice. I have known Ellis for the past ten years and never have known him to do anything wrong. Mr. Stinson then reviewed the circumstances of the case from a standpoint of not being influenced except by sympathy. Mr. Horn gave his personal views on the subject, which were valued very highly. He was well acquainted with the district in which the unfortunate shooting took place, and took occasion of the opportunity to refute the misleading statements published in the Toronto press concerning the residents in that locality. They were industrious and honest to a fault, and would willingly share the last loaf with their neighbor or those in need. Every member of the council but two signed the petition.

No Repeal at Bobcaygeon

(Special to The Post) Bobcaygeon, Nov. 20—At the regular meeting of the village council, held in the council chamber last night a petition was presented for the purpose of submitting a bylaw to vote on the repeal of local option here, but there were only 59 names who were voters, on it, hence it was useless, as it required 77 to make the twenty-five per cent. of the voters, so that the council would be compelled to submit the bylaw to the ratepayers. The names on the petition shows that they had been all over the village, but withal they still lacked 18 names of voters to make it of any use. The council received it and put it on file, but took no action in the matter. The anti were out in full force and when they were informed that the petition lacked the required 25 per cent. of the voters, and was worthless, no one muttered, and not a word was uttered, but like good citizens, they quietly rose and started home. This speaks well for local option, which has been in force here for nearly three years now. If Lindsay and Fenelon Falls carries local option, it will work still better here as the most of the "wet goods" come here from these two places, so the temperance people of Bobcaygeon are watching the campaigns that are being waged on behalf of local option in these two adjacent towns, with much interest.

DIED

THURSTON—At Suver, Oregon, on Monday, Nov. 18th, 1912, Mrs. J. H. Thurston, aged 55 years.

EVERSON—In the township of Fenelon, on Wednesday, Nov. 20th, 1912 Mrs. Chas. Everson, aged 61 years, 6 months and 2 days.

RUSH OF GRAIN AT LAKE PORTS

Midland Free Press: The elevators have been kept pretty busy during the past few weeks handling grain coming to this port. The C.P.R. elevator at Port McNicoll has been doing a large grain trade this fall. Last week several boats were in waiting at one time to be unloaded. There is, however, available room for a large quantity at the present time, and little danger of the elevators being taxed to their capacity at this late date, although navigation will be open until Dec. 20th. Midland elevator has room for 600,000 bushels; Aberdeen 500,000; G.T.P. 600,000, and the C.P.R. at Port McNicoll, 2,000,000 bushels.

OPERATIONS CEASE ON SCUGG RIVER

The government has paid off the men engaged in the work of deepening the Scuggog, and all have been laid off for this season. The dredge left some time ago for Lake Simcoe, but the drill-scow has been steadily at work up to the last few days, and blasting has also been carried on. Mr. Alex. Cullon, the blacksmith, on the job has also been at work steadily till the quitting order came a few days back.

SUDDEN DEATHS AT MILLBROOK

A highly esteemed resident was lost to Millbrook, when Samuel Russell, aged 75 years passed away last week. During the evening meal on Monday, he took a weak spell, and died the following morning. STROKE WAS FATAL. Another sudden death was recorded when Mrs. Geo. A. Wallace was stricken with a paralytic stroke while driving, and passed away a few hours later.

NO GRANT FOR CHRISTMAS FAIR

The Finance Committee of the County Council at Thursday afternoon's session considered the request for a grant to the Lindsay Christmas Fair. The question was left over until January 1913, on motion of the Warden and Reeve McKee.

TEMPERANCE PARTY HOPEFUL IN OSHAWA

Most encouraging reports have been received from the temperance workers at Oshawa, who have been conducting a vigorous local option campaign. The various manufacturers in the place are all in line for the cause and the prospects of the town going "dry are exceedingly bright. Thursday night a successful demonstration was held in the town hall, Mr. McLaughlin, of the local automobile factory, presiding over a good attendance. Addresses were given by Theo. Wilmet, Orillia; Rev. Ben H. Spence, secretary of the Dominion Alliance, and Controller McCarthy of Toronto.

RECENT ENACTMENT RELATING TO HOSPITALS

The new act entitled "The Hospitals and Charitable Institutions Act" provides that "No hospital receiving aid shall refuse to admit and care for any sick person brought to it while suffering from any disease other than a communicable disease, notice of which is by the Public Health Act required to be placarded. The corporation of municipality from which an indigent person is admitted to a hospital, receiving aid under this Act, is, at the time of his admission, residents, shall be liable to pay to the hospital for charges for his treatment and in case of death, burial expenses not exceeding \$15. Municipalities can arrange with the hospital authorities to make an annual grant covering the maintenance of indigent patients. One dollar a day is the maximum charge which can be made against a municipality for treatment of indigent patients."
