### CHURCH FLOOR SAGS MANY PERSONS INJURED

Port Hope, Nov. 9.—The congregation of the Methodist church at Shiloh, a village about 15 miles west of here, had a thrilling experience last evening. The church had been undergoing repairs for the past four weeks, and yesterday the reopening services were held. At the evening service the church was packed to the doors, many being obliged to stand. Just as the service commenced the portion of the floor near the entrance began to sag, and about one hundred men and women were thrown to the basement, a distance of seven feet. Chairs, benches and timbers crashed through, and many persons were pinned down by the debris.

Albert Campbell was struck by one of the box stoves, and suffered internal injuries. He was also badly burned, and was taken to the General Hospital, Toronto, this afternoon. Miss Elva White, Elizabethtown, suffered a compound fracture of the leg, and Miss Stalker had her leg broken. Mrs. Amos McMullen was badly cut about the limbs, and Mrs. R. N. Smith had her ankle sprained.

The church is 40 feet by 28 feet, and the damaged portion is 13x23. Upon examination we found the joist which were 3x8 badly rotted and were three feet from centre to centre, which is by far too wide spacing for even a dwelling. Miss Edna Fox and Miss Hazel Kerman, of Port Hope, who were visiting at Shiloh, attended the service and were in the seat immediately ahead of where the floor broke and escaped injury. All those who were fortunate enough to be situated on the solid part of the floor had to be lowered from the windows to the ground, this being the only means of exit left.

Rev. Edwards, formerly of Welcome, is the pastor at this church and he with the Rev. Wesley Down, of Omamee, was officiating Sunday. Even with the unfortunate results of the accident, it would have been much worse had it occurred today. Arrangements had been made for a big fowl supper this evening and the church was sure to have been packed both up and down stairs. With the basement full of people and a crash like Sunday's, it is certain that many lives would have been lost.

Thirty million dollars was the value of California's grape crop for 1913.

### GRATIFYING REPORTS PRESENTED AT ANNUAL MEETING ROSS HOSPITAL

The annual meeting of the Board of Directors of the Ross Memorial Hospital was held last evening in the council chamber. Mr. J. D. Flavelle, chairman, presided, and there were present Messrs. J. R. McNeillie, Secretary-treasurer, John Carew, M. P.P., and Thos. Stewart, (directors), Robert Ross, E. E. W. McGaffey, John McLennan, and the officers and several members of the Ladies' Auxiliary Board of the Hospital.

LADIES' AUXILIARY  
Mrs. A. B. McIntyre, President of the Auxiliary Board, presented the following most satisfactory report, which was adopted. The chairman expressed his appreciation of the work of the Board.

TREASURER'S REPORT  
Mrs. J. McLennan, Treasurer of the Auxiliary, presented her report as follows:—  
Tenth annual report of the Ladies' Auxiliary Board of Ross Memorial Hospital:

The tenth annual report of the Ladies' Auxiliary Board of Ross Memorial Hospital is briefly given as follows:—  
We have held 5 regular and 1 special meetings. In October a hospital tea was held at the home of Mrs. R. M. Beall, the amount realized being \$45.20.

From the annual dance on New Year's eve we added \$109.53 to our treasury and the receipts of dinner served to the Orangemen on July 13th were \$360.19.

Early in November a full list of all garments required is gotten from the superintendent of hospital, and our ladies' board meet in the Public Library Board Room and do the year's serving in bulk, this being most satisfactory than doing it in small lots two or three times during the year.

The personal work this year has been harder on account of serving dinner to the Orangemen, as the town had to be thoroughly canvassed, each member of the Auxiliary being responsible for a district, and being responsible also for a share of work in serving the dinner on July 13th.

As an hospital organization, we do not work for thanks, but we must not forget that any undertaking of ours would be a failure if we had not the support of the ladies of Lindsay, who so cheerfully and generously give whenever we ask, and this year do we especially thank them for the splendid help given us on July 13th by their donation of meat, bread, buns, pies, vegetables and pickles.

Then too, we do not forget the gentlemen who so kindly gave us the use of their automobiles to ferry our patrons to the hospital tea held at Mrs. Beall's, and also to the gentlemen who worked so well at the Orangemen's dinner.

Our receipts for year 1914 were \$528.35, and our expenditure has been \$495.58, thus leaving a surplus of \$332.77. (\$32.77 in current account and \$360.86 in savings.)  
Respectfully submitted,  
WINNIFRED EDWARDS,  
JESSIE MACINTYRE,  
Lindsay, Oct. 5th, 1914.

SECRETARY TRESURER'S REPORT.  
Mr. J. R. McNeillie, Secretary-Treasurer, then presented his report, which was of a most gratifying character. It was pointed out during the presentation of the report, that the Government grant this year was only \$500, whereas at one time it was \$1600. This falling off was due to the fact that the Government for the

and the Board of Governors, received their diplomas and badges, as follows:—Miss Ethel A. Woods, Miss Ethel M. Henley, Miss Ida Lewis, Miss Emily May Pratt, Miss Tilly Mann, Miss Bessie Pratt, Miss Minnie E. Brien, Miss Elva G. Thompson.  
Besides the regular work of the hospital the nurses in training have given attention to a number of cases outside the institution as in former years. The number of persons so helped was 112.

The Superintendent was granted leave of absence for two months during the summer and visited Great Britain and some of the continental countries. Miss Miller was especially welcomed on her return on account of the concern occasioned by the fact of her presence in the territory of belligerents at the inception of the European war.

At the request of the Medical Faculty of Toronto University Mr. S. Y. Walsh, a student who had completed four years of his course in medicine, spent the months of June, July, August and September as house physician and surgeon. The experiment resulted satisfactorily, and the presence of a student during the summer months may hereafter be an annual arrangement.

The staff have commended themselves to the approval of the Board by the faithful and efficient discharge of their duties during the year.

AUDITORS REAPPOINTED  
Messrs. H. J. Lytle and W. E. Agnew were reappointed auditors.

WORDS OF APPRECIATION  
Before the meeting closed Mr. J. D. Flavelle referred in appreciative terms to the excellent services rendered the hospital by the physicians and the ladies of the Auxiliary Board. It was not in the money which the Board of Governors received, but the spirit shown in the work. They had been of great help to the Board, who appreciated not only the gift in money and material needed, but the spirit underneath. The hospital still continues to receive the services of the local physicians gratuitously. The past year had been a most favorable one and the hospital had done exceedingly well. The public were taking advantage of the munificence of the late Mr. Ross more and more every year and the hospital as a result was growing in popularity. This gratifying condition of affairs was due in a great measure to the Lady Superintendent and excellent staff of nurses.

In conclusion Mr. Flavelle said the hospital could not be run so satisfactorily were it not for the splendid assistance given by the Ladies' Auxiliary and the citizens generally.

### WAR'S HORRORS IN POLAND

The blighting hand of war has been relentlessly on the stretch of country between Warsaw and Galicia for the past few weeks.  
From Lublin, where began the trenches and common graves, to the north and south, to the east and the west, half of the villages have been destroyed by fire. The square of slaughter, lying southward into Galicia, is one interrupted by a line of battle, from the horrors of which only Zamost and three other villages escaped. The square of devastation is a scene of the bodies of horses and men everywhere.
