WE are in CONSPIRACY with SANTA CLAUS

EVERY evidence indicates that we are in conspiracy with Santa Claus. Seems as if he told us everything that anybody secretly wants for Christmas and we have put it in stock.

Never has our Christmas stock been so wide or so complete. Something for everybody, Baby, Mother, Sister, Master, Miss, Father, Etc.

Words amount to little in telling of our Christmas stock, or in describing the Christmas spirit that radiates throughout the store. Bring your gift list here and save in its fulfillment, or if it is incomplete, a trip through the store will offer you scores of suggestions for its completion. Perhaps these will help you :
