PREMIER WHITNEY WILL BE OPPOSED SEVENTEEN ACCLAMATIONS ARE REPORTED

Toronto, Dec. 5.—Seventeen Conservatives elected by acclamation and no Liberals appear for five of the Toronto seats and Dufferin. This is the net result of the nominations for the Legislature which took place throughout Ontario on Monday. There are 106 seats in the Legislature.

Of the eight seats in Toronto, Labor candidates are contesting seven and only three Liberals are making the run. The Liberals are Joseph Oliver in North Toronto (B), Dr. John Hunter in West Toronto (A), and E. Fielding in South Toronto (B).

Four Cabinet Ministers are re-elected without a contest, namely: Hon. Adam Beck, London; Hon. A. J. Matheson, South Lanark; Hon. W. H. Hearst, Sault Ste. Marie; and Hon. James Duff, West Simcoe.

Sir James Whitney, the Prime Minister, does not win his seat without a fight. At the last minute, R. S. Muir, a Toronto lawyer, bobbed up at Winchester Springs, and entered the contest.

The Opposition leader, N. W. Rowell, K.C., who is running in North Oxford, is opposed by Robert Lockhart. In West Kent, George Sulman is opposed by E. Hea, who is called an Independent Liberal.

Here and there in the list will be found a Socialist candidate who perhaps regards the opportunity as favorable for the spread of the society's propaganda. The following Conservatives are elected by acclamation: Addington, W. D. Black; Carleton, R. McElroy; East Durham, J. J. Preston; Grenville, G. Ferguson; East Hastings, Sandy Grant; North Hastings, Robert Cook; West Hastings, W. Johnston; Kingston, Dr. Ross; North Lanark, Dr. Preston; South Lanark, Hon. Mr. Matheson; Lincoln, Dr. Jessop; London, Hon. A. Beck; North Renfrew, E. A. Dunlop; South Renfrew, T. McGarry; Sault Ste. Marie, Hon. Mr. Hearst; West Simcoe, Hon. J. Duff; South Simcoe, A. Ferguson; East Victoria, R. M. Mason.

GREAT LIBERAL MEETING AT MT. HOREB SPEAKERS GIVEN A SPLENDID HEARING

The Liberal meeting held last evening at Mount Horeb in the interests of Mr. C. E. Weeks, the Liberal Candidate, was a remarkable one in many respects. The hall was packed to the doors with an appreciative audience, and the attentive hearing given the different speakers shows that the voters of the riding are taking a deep interest in the question at issue in the campaign now drawing to a close.

Mr. Wm. Jackson made a most capable chairman and handled the meeting in a creditable manner.

Mr. A. Fulton was the first speaker, and in a splendid address, dealt with public utilities as well as the original principles dividing the two parties.

Dr. White was in excellent form, and in a forty-minute address, effectively disposed of the arguments advanced by Premier Whitney at the recent meeting in the Academy of Music. He challenged the temperance men present to state if they would vote for a man who would not declare himself on the three-fifths' clause and who stood for retrogression instead of progress.

He exposed the inconsistency of the Conservative Government on the temperance question and explained in a satisfactory manner where the Liberal party stood on this great question.

Mr. L. V. O'Connor's address was an excellent one. He went thoroughly into the question of tax reform, explained the Workmen's Compensation Act, and criticized the Whitney Administration's policy regarding New Ontario.

Mr. O'Connor showed that he was thoroughly conversant with these topics, and at the close of the meet-

ing several strong Conservatives substantiated the remarks made by Mr. O'Connor on the question of Tax reform and the refusal of Mr. Whitney to listen to the mandate of the people.

This meeting was the most successful of the series held, and bespeaks a good vote for Mr. Weeks on Dec. 11th

AGED CLERGYMAN DIES

Rev. Canon Ellegood of Montreal in Harness to the Last.

Montreal, Dec. 4.—Rev. Canon Ellegood, rector of the Church of St. James the Apostle, one of the oldest clergymen in the Dominion, passed away at his residence at eight o'clock yesterday morning. He had been in very feeble health for some time, and during the past few days the end had been expected at any minute. Canon Ellegood's career was one of enthusiastic work in the ministry right up to the time of his last illness. Born near Fredericton, N.B., March 1, 1824, he received his early education at King's College, where he graduated with the degree of B.A., in 1849. Upon his ordination, first as a deacon in 1848, and as a priest in the following year, he was appointed junior assistant at Christ Church Cathedral, Montreal. His first charge was St. Ann's Chapel, Griffintown, and there he remained during the year of the immigrant ship fever and as a consequence suffered for years from the poisonous virus with which his system had become infected. A year later he aided the fight against the pestilential outbreak of cholera, which followed the ship fever.

His church was burned to the ground shortly after, but was rebuilt through an appeal to the people of wealthier parishes and renamed St. Stephens.

In 1864 St James the Apostle Church was built, and he became the first rector, and has since remained with that church. He was the oldest clergyman in the diocese of Montreal, and the only one left who saw the birth of its synod in 1859. He was also the oldest military chaplain in the British service, having been appointed chaplain of the Victoria Rifles when that regiment was organized over fifty years ago.

The Kingston (Jamaica) newspapers publish reports of summary executions outside of Port au Prince, Hayti. It is added that that section of the country is in a state of great excitement.

A bomb was thrown yesterday in a mosque at Istib, in the vilayet of Kossovo, European Turkey, killing 12 persons and wounding 20. This is the fourth outrage in Macedonia within a few days.

Rev. J. T. Corby Morris, pastor of Park street Methodist Church, Chatham, fell down his basement steps Sunday morning and broke four ribs. The reverend gentleman is still in quite a critical condition.

After serving eight days in the St. Catharines' jail upon summary conviction by J. L. Heaslip, on a charge of horse stealing, George Rogers, a 17-year-old lad, was yesterday legally released by Crown Attorney Brennan, so soon as he learned of the magistrate's act.

China is Having a Bad Time Raising More Money.

Pekin, Dec. 5.—Premier Yuan Shi Kai is having great difficulty with the board of finance. He appointed a president to the board, who declined to serve. The vice-president left Peking after informing his friends that the situation was hopeless. The acting president has now asked for a leave of absence on the ground of illness, but really because he was summoned before the National Assembly.

Considerable of a sensation has been caused by the discovery that the National Assembly, the Chinese Foreign Board and the board of finance hold three different texts of the \$30,000,000 loan agreement, negotiated by Baron Cottu in behalf of a Franco-Belgian syndicate. This was discovered, it was said, when a representative of the Chinese Foreign Board appeared before the National Assembly in secret session. It is on this loan that China's future form of government practically depends.

A despatch from Tien Tsin says that the Chilli provincial assembly has telegraphed to the French Government protesting against the Cottu loan and declaring that the National Assembly's action with respect to this loan is illegal.

A message has also been sent to Peking declaring that the Chilli assembly had decided to withdraw its representatives from the National Assembly which now musters few beyond the appointees of the throne. Sessions of the National House are being held with about one-third the BRIEFS FROM THE WIRES.

An order-in-council has been issued abolishing the close season for white fish in that part of Lake Erie opposite the County of Welland.

Ultimatum Rejected. Teheran, Persia, Dec. 2.—The National Council has rejected the Russian ultimatum by a big majority. The Foreign Minister has resigned.

A cablegram from British Foreign Minister, Sir Edward Grey, was presented to the Assembly, urgently advising compliance with the Russian demands, but some of the members pointed out that England's advice had hitherto only led to Persian humiliation. They believed that Sir Edward had been misinformed, and emphatically asserted that Russian injustice had become intolerable.

Huge Loss of Fuel. Chicago, Dec. 2.—American railroads lose \$50,000,000 worth of fuel a year and consume \$200,000,000 worth of coal to obtain \$80,000,000 worth of efficiency, according to figures prepared by Chief Engineer E. C. Fitch, of the Chicago Great Western Railroad.

In ten years, says the report, American railroads have increased the cost of their fuel supply from \$104,926,000 to \$213,828,000.

Pritchard Also Drowned. Port Colborne, Dec. 2.—The body of Wm. Pritchard of Cleveland, engineer of the Raleigh, was washed ashore a short distance from where the steamer was wrecked. He was last seen on the stern of the boat and at intervals gave signals to the watchers on shore, when the stern disappeared he was lost in the heavy seas. The shore in and around Abino Point is strewn with the wreckage and the cargo of bulwood.

New York, Dec. 5.—A despatch from Berlin says: The Post yesterday advocates that Germany lay down five capital ships yearly, saying that Great Britain will be unable, through lack of building dock facilities to continue her policy of "two keels to one." Germany should build ships, ships, ships.

Rancher Ended Life. Okotoks, Alberta, Dec. 4.—Edward W. Melladow, a well-known rancher of Millarville, committed suicide yesterday morning in the Grand Central Hotel by blowing off the top of his head with a shotgun. He discharged both barrels and death was instantaneous. He had been acting strangely of late, and it is believed he was insane.

Two firemen were seriously injured before the blaze was under control at 4:45 o'clock. The loss will probably reach \$400,000.
