Newsy Notes From Manilla

A meeting of the Manilla Women's Institute, was held at the home of Miss Hattie Hunter on Dec. 13th. The roads being very unfavorable, the members on the outside points were debarred from one of the most interesting meetings yet held by the Institute.

The membership in the close vicinity was well represented and each one was well pleased.

The programme commenced with a musical selection by Mrs. Geo. Smith, which delighted all lovers of music. Then came a paper by Miss B. Carmichael on "Our Year's work, and the thoughts on the closing year." This was a recalling and a summoning up of the work done for the year. A great many good thoughts were brought out and a smart discussion followed.

We were then treated with a vocal solo by Miss B. Heslick, which was nicely rendered.

Miss McQueen next gave us a few interesting thoughts that she gleaned when at the Toronto Convention there being "How to Train the Boy". A few of her head lines were, "Don't be suspicious. Don't mistrust. Teach respect. Direct his energies. Teach sacrifice and hinder street education."

Another thought brought before our notice was "The future of My Child." The principal thought brought forward in this was that the future of my child was a God given trust and the Mother's love in every heart, should cause each and every one to do their very best for their children.

A duett by Mrs. W. Edwards and Miss N. Hunter was well received at this point. A paper on how to develop self-reliance and individuality in our children, was read by one of the members. This paper will appear in Saturday's daily and next week's weekly. Next came the Question drawer which always lifts the standing clouds.

It being near the close of the year, Miss Minnie Short gave a sweet Xmas message, which showed us plainly that there is a great happiness in giving a gift, no matter how small, when love prompts and goes with it.

It was decided to hold the next meeting at the home of Mrs. G. Steele on Jan. 24th. The program is to be an Afternoon with Scotland. A motion was then extended to Miss H. Hunter for her kind hospitality, and the meeting closed with the National Anthem.
