XMAS SUGGESTIONS OF RARE QUALITY AND BEAUTY

Everything New at Our New Store

Even if you are not buying—only "looking"—we will be glad to see you.

We take pride in our new place and in our splendid Xmas Stock.

Suggestions for the Home—for the mother or wife who takes pride in her home, what better gift than a Grandfather Clock; one which we are selling at \$50.00 in hewed oak is splendid value. I strikes on a rich deep-toned gong—hour and half hour—which sounds all over the house and yet is not harsh in the least.

An Electric Lamp is another splendid gift—we are showing some beautiful lamps selling from \$11.50 to \$25.00.

A Watch for the Young Lady—The gold wristlet Watch on an expanding bracelet is the correct thing for ladies' wear and very popular. Made in the high standard of quality which we have always maintained. These sell at \$11.50, \$17.00, \$20.00 and upwards

Every watch we sell carries our guarantee and recommendation.

Rings and Brooches of most beautiful design and finest quality—gifts any lady appreciates.

Gifts for Everyone from father down to the baby, you will find a splendid selection of gifts at this store—gifts whose quality is beyond question and at prices as low as the quality will allow—as low as anyone can sell them for.

Give us the opportunity to show you and we feel we can suit you and help you to decide what to give.
