JOHN CAREW, President. **J. A. WILLIAMSON, Vice-Pres.** **J. P. RYLEY, Treasurer.**
D. A. MacKENZIE, Secretary

J. D. Flavelle Chairman School Board Thomas Stewart Retires From Office

At the close of the regular business of the Board of Education last night Mr. Thomas Stewart, chairman, requested Mr. J. D. Flavelle to take the chair. Mr. Stewart then handed in his formal resignation of the chair, with the accompanying letter of explanation:

Lindsay, Dec. 5th, 1912.
Gentlemen,—I hereby resign from the position of chairman of your Board, and ask you to accept this resignation, and elect my successor.

Yours truly,
THOS. STEWART.

Lindsay, Dec. 3rd, 1912.
The Board of Education, Lindsay:
Gentlemen,—Herewith I hand you my resignation from the chair. I have occupied this position continuously since the annual meeting in February 1906, and while the chairman should not be frequently changed, I think it not wise that the same person should hold the position for too long a period. It has, as you know, been my desire to vacate the chair for several years past, but constantly we have been crossing some stream so that you have thought it not advisable to change, and from year to year I have remained on at your request.

I accepted the position last February with the understanding that I should be allowed to retire as soon as the contractors had finished their work upon the Central and Alexandra school buildings. This has now been done, and the contractors have been settled with.

Matters in relation to the schools are now in as favorable a condition as can be reasonably hoped for at any time.

There is now therefore no good reason why I should not retire; on the contrary I think it better to retire now than to wait until the annual meeting. I think it better that you should choose my successor now so that he can enter upon the work and be ready for the new year.

There are several matters requiring the attention of the chairman

and the board besides the usual maintenance and management of our system of education; chief amongst these are the following:

- Better school accommodation for the south ward.
- Improving and beautifying the school grounds.
- Manual training and household science.

These seem to me amongst the most important. There are others, and yet more will arise as time goes on, for education can never be at rest. We must ever keep advancing with the change of time. What was sufficient in the past is not so now, and what may be sufficient now will not be so in the time to come.

In conclusion let me thank not only the present members of the Board but all those who have sat with me during my occupancy of the chair, for their uniform kindness and courtesy to me while I have been chairman, and for devotion to duty as guardians of the educational interests of the town as well as of those pupils from other municipalities who have attended our schools.

Yours sincerely,
THOS. STEWART.

Mr. Stewart still remains a member of the board, but that his colleagues felt the loss sustained by the Board by his resignation was evidenced by the tense silence that prevailed for a moment or so after he had vacated the chair.

For a few moments one could see the Board felt at a loss, as a ship without a rudder. Mr. Stewart has always taken an active part in the debate and given a steady guiding hand to the discussions of the board. For some time he has felt impelled to resign, to give more attention to his private affairs, but he kept up the onerous duties of his office until the matters in connection with the new schools were entirely cleared up.

EXPRESSIONS OF REGRET
Mr. Jackson said in his words of regret at the chairman's resignation Mr. Stewart has many special qualifications for the office he has filled so

well. He has done his full duty in every case and always. He has served as chairman for twelve years and has been a member of the Board of Education for over twenty. Much as all regretted losing such a capable leader, he felt the board could no longer justly ask Mr. Stewart to remain at their head each time for just a little longer to see certain difficult works cleared away.

DR. BLANCHARD
Dr. Blanchard also expressed his regret. Mr. Stewart, he said, was very energetic as a chairman and he was so whole-souled in his work for education that the town was greatly benefited by his efforts. The position is one of the most difficult in town, entailing much hard labor, and he thought the board should respect Mr. Stewart's wishes and relieve him of his office as he has taken the responsibility for a long time.

MR. FLAVELLE'S REMARKS
In putting the motion for acceptance Mr. Flavelle stated he and Mr. Stewart had been colleagues on the board for twenty years. There was no man in town as capable to fill the position as Mr. Stewart.

THANKED THE BOARD
Chairman Flavelle thanked the board for the honor done him. He would not have thought of accepting the position were it not that in the future he would have more time at his disposal than in the past and could therefore give the difficult duties more attention than would otherwise have been possible with him. Education was very important, as it stood next the home in influence. Therefore appointments on the staff and in educational matters should be on merit and free from personal feelings.

ELECTED VICE-CHAIRMAN
Dr. Blanchard was the unanimous selection of the board for the office of vice-chairman. The motion was made by Trustees Jos. Staples and John W. Anderson.

ended by Mr. Sparling, that the employment of a Commissioner be continued—Carried.

On motion the following members of the Industrial Commission were re-elected: Messrs. J. D. Flavelle, John Carew, John O'Reilly, Jas. Boxall, and T. H. Stinson, which was carried unanimously.

Mr. T. Brady said he had been stopped on the street by a workman who was earning \$9 a week who said he would willingly give \$1 a month towards the industrial movement.

Mr. Wm. Galbraith was commended for the satisfactory manner in which he had made the collections from the subscribers.

ANGLICAN YOUNG PEOPLE CONVENT

The Anglican Young People's Association held their regular meeting, which took the form of a social evening, on Friday. The meeting was well attended, very few members being present, and those present showing such enthusiasm for the work of the association as to indicate the same pronounced success this year that the A.Y.P.A. has enjoyed in the past.

After the business of the evening was quickly despatched a short select musical programme was enjoyed by the society. Mr. Merritt gave a vocal solo which was heartily accorded. Miss A. Smith rendered a vocal solo in sweet clear voice, and was forced to again sing before the applause would subside. The musical part of the evening was concluded by a beautiful vocal solo by Miss Carrie Marsh, accompanied by Miss E. Matchett at the piano and Miss V. Marsh on the violin.

The young people then spent a good time at some appropriate games, the prize winners at which were Miss P. Twigg, Miss M. Corran, Mr. E. Burgess, Mr. C. Murtagh and Mr. H. Reid. After being served with sandwiches, cake and cocoa the evening came to a close by singing the National Anthem and by the benediction pronounced by Canon Marsh.

LIQUOR CASES TRIED AT OMEMEE

Bobycageon Independent.—The most exciting event of last week, was a liquor case, Mr. F. D. Moore Magistrate and Inspector Jas. Lithgow held a court on Friday.

Three persons were charged with being drunk in a Local option town, they were H. Brooks, E. H. English and W. Finch.

Mr. English was next and he conducted his own case that surprised many, especially the influential bunch of witnesses who told the magistrate that they considered English was drunk. Mr. English had seven witnesses who declared that in their judgment he was not drunk. The accused conducted his case quite skillfully, and His Honor dismissed the charge.

The next Mr. Finch was 23, he hearing of what was going to take place declined the invitation with thanks, and has not been seen since. He skiddooed, thus ending the sport for the day.

WEDDING BELLS

ROBERTS—SIDDLER
A quiet but pretty wedding was solemnized this afternoon at four o'clock at the residence of Mr. and Mrs. Wm. Siddle, Bay-st., when their daughter, Victoria Blanche was united in marriage to Mr. Frederick Roberts. Rev. Mr. Balfour performed the ceremony in the presence of only the immediate friends and relatives.

The bridesmaid was Miss Cynthia Warner, while the groom was supported by Mr. Charlton Siddle, brother of the bride. The popularity of the youthful couple was evidenced by the large number of useful and ornamental presents from their many friends.

Mr. and Mrs. Roberts will take up residence in Lindsay.

PROCURED LIQUOR FOR A MERE YOUTH

At the police court on Friday a charge was laid against a youth of eighteen years of giving a fifteen year old boy liquor. The accused pleaded guilty and was fined \$10.00 and costs. License Inspector Thornbury laid the information. The names of the boys are withheld, as it is understood the liquor was supplied by an adult.

ANNUAL MEETING INDUSTRIAL COMMISSION GOOD WORK TO BE CONTINUED

A meeting of citizens who have been contributing towards maintaining an Industrial Commission was held in the council chamber last evening. There were about twenty-five present.

Mr. J. D. Flavelle took the chair, and said that as one year had expired since the organization had been formed, he had called together the subscribers to decide whether the commissioner should be retained, the committee reappointed and the work continued. He said he felt considerable satisfaction in the results achieved as they had been successful in securing two very promising industries and prospects for several years. He said the present commissioner, Mr. Rudkins, had proved himself a very capable man for the position, and he thought it would be a mistake to let him go at the present juncture. The committee which is composed of Messrs. Carew, Smale, Reilly, Boxall, Stinson and himself had devoted a great deal of time to the work, and considerable travelling at their own expense, but had done it cheerfully. They had received most loyal support from the original subscribers and there had been a slight decrease in the amount promised, which was occasioned by the death of one subscriber and a couple who had personal reasons for withdrawing. He said he also wished to speak of the loyal support given by the Seymour Power Co., which has been the largest subscriber,

and had shown interest in every project the committee had been working on. Mr. T. Stinson, the secretary, had been an indefatigable worker and had given very valuable assistance. The new law provided that a town the size of Lindsay could devote a sum not exceeding \$500 a year for the advertising purposes, and he thought it was only fair that the general taxpayer should contribute towards this expense, as all would benefit.

The treasurer, Mr. Stinson presented his report in detail, which showed the receipts to be \$324.75 and the expenditures to be \$336.29. The number of concerns brought forward and investigated were fifty-eight.

Mr. John Carew said he thought it would be a great mistake to abandon the movement at this time on account of its success; also in view of the Commissioners having several promising propositions in town. He would cheerfully continue his subscription, as he thought the town was being benefitted by the movement.

Mr. C. B. Barr strongly favored a continuation of the commission. Mr. W. B. Sparling said he felt strongly on the matter, and that it would be a grave mistake to give up the commission.

Mayor Wood, and Messrs. Boxall and Taylor all spoke in favor of the continued engagement of the Commissioner.

It was moved by Mr. Gillies, seconded by Mr. Stinson, that the

NERVOUS, LIFELESS DEBILITATED MEN

YOUNG MEN AND MIDDLE-AGED MEN, the victims of early indiscretions and later excesses, who are failures in life—you are the ones who can restore to manhood and revive the spark of energy and vitality. Don't give up! We describe to you how we have treated with other doctors, used electric belts and tried various drug stores nostrums.

Our New Method Treatment has snatched hundreds from the brink of despair, has restored happiness to hundreds of homes and has made successful men of those who were "down and out." We prescribe specific remedies for each individual case according to the symptoms and complications—we have no patent medicines. This is one of the secrets of our wonderful success as our treatment cannot fail for we prescribe remedies adapted to each individual case. Only curable cases accepted. We have done business throughout Canada for over 20 years.

CURABLE CASES GUARANTEED OR NO PAY

READER Are you a victim? Have you lost hope? Are you intending to marry? Has your blood been diseased? Have you any weakness? Our New Method Treatment will cure you. What it has done for others it will do for you. Consultation Free. No matter who has treated you, write for an honest opinion. Free of Charge. Books Free—"Boyhood, Manhood, Fatherhood." (Illustrated) on Diseases of Men.
