FENELON FALLS

(Special to the Post)

On Monday evening, Dec. 16th a meeting in the interests of local opinion was held in Dickson's hall. Dr. T. Albert Moore, general secretary of Social and Moral Reform, of Toronto, delivered an eloquent and convincing address in favor of the measure. No one who listened to Dr. Moore's address could fail to be impressed with the fact as stated by him that fully ninety per cent. of the ills with which humanity is afflicted

have their root in the legalized liquor traffic, as it stands today. The heavy handicap that is laid on a large portion of the human race through the intemperate habits of

At the Fenelon Falls Curling Club meeting on Monday evening the following skips were elected for the season: Messrs. R. M. Hamilton, T. Graham, M. H. Stanton, C. Deyman, A. J. Gould, T. Cashore, M. H. McCallum, M. W. Reive and T. Sadler. Messrs. M. H. McCallum and J. H. Stanton will be district cup skips. A discussion as to the subject of re-

arrangements for the Mason shield. It was decided to give individual prizes for women in the Brandon cup contest. The orchestra was tendered a vote of thanks for their services at the curlers' concert.

those who should be their shield and support, was shown by the speaker, who quoted from the government blue books in many instances in support of his statements. The efforts of the opponents of local option to show how the measure, when carried, hurts the business of a town, was shown in an amusing story told by

the speaker. A circular letter signed by a supposed resident of the town of Campbellford was found in a train where several had been distributed. This letter stated among many other alarming facts that business was bad at the town mentioned since local option came in force. The speaker being in Campbellford shortly afterward, asked a friend as to the person whose name was signed to the letter, "Oh," he said, "he left here some time ago, having twice been convicted and fined for keeping a blind pig. Business was bad for him without a doubt. It is as good or better than ever since we got local option, with the rest of us." Many other good anecdotes were related by Dr. Moore, hearty applause showing the appreciation of the audience many times during the course of the evening. Dr. D. Gould acted as chairman. A vote of thanks was tendered Dr. Moore at the close of the meeting.
