# CHRISTMAS SUGGESTIONS

In the face of the strife through the whole world, the same old time, Christmas, comes again with its message of peace.

Want is felt on every hand, yet our own town has suffered little. Let us be grateful and show it—at least in a small way. Give simple, but necessary gifts, and give them at Christmas. You will spread the spirit of good feeling and make this Christmas happy for many.

We have put forth our best efforts to help you in selecting pretty and inexpensive goods for this festive season.

In the Ladies' Department, all styles of fancy neckwear, including collars, soft and wired, lace, nett and muslin, from 25c to $1.00 and over.

Fancy Scarfs at 50c to $7.50.

Fine white washable Kid Gloves and also colored gloves of all styles and qualities, always a welcome gift, 75c to $2.50.

Beautiful embroideries for dress coverings or trimmings. These goods cannot be duplicated this year as they are chiefly from Brussels where war has paralysed trade. Handsome notions of all kinds.

For the men we have untold stores of pretty comforts and necessities.

Where a brave son has gone to war, send him some warm underwear and he will thank you.

We want you one and all to come and see what we have on display. Prices an attraction at
