

"I thank Dr. Pierce for the kind advice he gave when I wrote to him."

"I am thankful to the friend who first recommended your medicine, writes Mrs. Annie M. Brook of Smithfield, Fayette Co., Pa. I have a twelve pound baby, three weeks old. I look three bottles of Dr. Pierce's Prescription before baby came, and the time was only one hour and a half. I have a severe case of constipation, and never was able to do any work for about two months afterwards. Now I am doing all the work for four children. My friends say I look better now than ever before. We told one of my sisters to take 'Favorite' which she did, and when her friends saw her they said 'how well she looks'. She has better health now than since she was married, some years ago. We cannot praise Dr. Pierce's medicine enough. I thank you for the kind advice he gave when I wrote to him. Whenever I see other women who are suffering I tell them about your wonderful medicine."

The benefits resulting from a consultation by letter with Dr. Pierce are testified to by thousands of grateful women who have been made new women by his medical advice and fatherly counsel given absolutely without cost or fee.

Sick and ailing women, especially those suffering from chronic diseases, are invited to consult Dr. Pierce, by letter, free. All correspondence is held as strictly private and confidential. Address Dr. R. V. Pierce, Buffalo, N. Y. Dr. Pierce's Favorite Prescription is the best medicine for the cure of womanly ills. It establishes regularity, drives out impurities, cures inflammation, weakens drains, heals female weakness and ulceration and cures inflammation, giving the mother strength to give her child, and making the baby's advent practically painless.

Dr. Pierce's Favorite Prescription contains no alcohol and is entirely free from opium, cocaine and all other narcotics. The Common Sense Medical Adviser, 32 pages, in paper covers, is sent free on receipt of 31 one-cent stamps to pay expense of customs and mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.

The Weekly Post.

LINDSAY, FRIDAY, JAN. 30, 1903.

TOWN AND COUNTY JOTTINGS.

Saturday's Market.

The cold weather kept many from the market last Saturday. Consequently business was a little slow. Inside Mrs. Zealand, Mrs. Ruddy, Mrs. Curtin, Mrs. M. Kay and Mrs. Dundas sold fresh eggs and butter, realizing fair prices. Outside about a dozen steaks were filled with choice beef and pork. Butter sold at 20c per lb., eggs 25c per doz., turkeys 15c per lb., chickens 15c per pair, geese 10c per lb., beef 10c to 12c per lb., and lamb 7c to 8c per lb.

Remains Found.

Port Hope Guide, Monday: After a long search since the time of the fatal accident on Wednesday evening, Jan. 21st, the remains of the late Thomas Matthews was found this morning. The Railway employees and two brothers of the deceased had been busy since then removing the debris and discovered what was left of the deceased under a mass of printing paper that had been partly buried. The body was returned to a coffin, the only mark of identification being his working trousers. At time of writing no remains of the other body had been discovered.

A Pioneer Miner.

Mr. J. B. Vallentyne, private banker, of Sunderland, whose death was announced last week, was with Mr. J. S. Mitchell, among the first to take an active interest in minerals in the Parry Sound district, and long before the American prospectors discovered copper there. Mr. Vallentyne had looked a number of claims and spent money in trying to develop the properties and had a company. Some eight or ten years ago, when he purchased the Hatfield mine from Frank Laford, many years ago a resident of Bobcaygeon. Messrs. Vallentyne and Mitchell offered the property at a low price to Lindsay investors. Several made purchases, but neglected to hold, and thereby failed to benefit when the mine, some years later, was sold to an American syndicate at a good price.

Next Year's Crop of Fancy Peas.

Our local seed firm, Messrs. J. M. Squier & Son and Messrs. Squier & Flavell, are letting out large quantities of peas these days for next spring's sowing. Last week over 2500 bushels were taken by farmers from the firm's seed warehouses at the corner of Glenelg-st. and Victoria-ave., many of the farmers coming long distances owing to the fine sleighing. Notwithstanding the partial failure of the crop the last two seasons, sown by farmers, encouraged by the enhanced prices, are going to sow very extensively this year. Believing that the chances are against the occurrence of three bad seasons in succession, and that a good crop this year will bring much money, they are practicing the old proverb, "It is better to sow in the ground than to have it in the barn." In conversation with Mr. J. M. Squier, yesterday, he stated that some varieties of his fancy peas are almost exhausted.

Thoughtless.

Mrs. Justed (at the piano)—What shall I play?
Justed (absently)—Starlight, in the first race. He's got to break a leg to lose.

"My mother was troubled with consumption for many years. At last she was given up to die. Then she tried Ayer's Cherry Pectoral, and was speedily cured."
D. P. Jolly, Avoca, N. Y.

T.C.S. VS. L.C.I. AT HOCKEY.

SPLENDID GAME FOUGHT OUT SATURDAY IN PORT HOPE.

Score, College Team 7, Institute Team 6—Returns game Here Next Saturday—Our Boys Well Trained.

The L.C.I. team journeyed to Port Hope Saturday and played a match with the crack Trinity College School team. The game was very fast and exciting, and the hockey that was played by both teams was of the steller variety. Play started at 2:15 sharp, and Trinity scored first blood; the L.C.I. boys evened up shortly afterwards, and the score at half-time was four all, with both teams playing grand hockey. After a short rest play was resumed, and the score at the time was 7 to 6. For Trinity, Brecks, in goal, was a wonder; time and time again would the School forwards get inside of the defence, and he would save his goal. Paschal and Gey played a fine defense game, especially in the last ten minutes, and the latter's shooting was most deadly. The forward line is very speedy, and everyone is a splendid put up by. The game of hockey put up by L.C.I. was a treat to see. "The best team in years," is the verdict of everybody who saw the game. Souly in goal was "Johnny" (the spot), and he saved his eyelids repeatedly. Koyl's point played a team game, and bids fair to become a star. Duffus, at cover, (though not at all well), played his usual star game, and his combination with the forwards was excellent. The combination and general all-round play of the forwards could not be improved on, and the "com" of Hopkins, Killen and Eyres was a sight to behold. Hopkins and Eyres played their wings and checks, and Killen at center's always "delivered the goods." On account of McDonald spraining his wrist only three men a side were played on the forward line.

The Port Hope rink is a very fine one, and the accommodation for spectators and teams is excellent. The L.C.I. team have nothing but good words to say of their treatment in Port Hope. Both the College team and Port Hope people used Lindsay team white. Mr. Davidson, T. C. S., refereed a fair game and was very strict in his rulings. As the College men were immensely superior in weight the light School players were considerably knocked about.

The teams and officials for the Saturday game were:
T. C. S. (7): Goal, Brooks; point, Paschal; cover-point, Carey; forwards—Kild, McFarren, (Capt.), Henneman.
L. C. I. (8): Goal, Souly; point, Koyl; cover-point, Duffus (Capt.); forwards, Hopkins, Killen, Eyres. Goalkeepers, E. McDonald, J. Ross, Harstone, Referee, Mr. Davidson, T. C. S.

The best game of the season will result next Saturday, Jan. 31st, when the return game between T. C. S. and L. C. I. will take place. With McDonald on school wing, the L. C. I. boys look for victory, but T. C. S. are coming out to try and duplicate the game in Port Hope.

\$100 Dollars Reward, \$100.

The readers of this paper will be pleased to learn that there is at least one disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only medicine that cures it. It is a constitutional disease, and requires a constitutional treatment. Hall's Catarrh Cure is taken internally, it cures the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the system a new lease of life. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars reward for any case that it fails to cure. Send for list of testimonials.

OUR JUNIORS WIN AT HOCKEY.

The Local Aggregation Achieved a Victory Over Omeme's Yesterday by a Score of 6 to 4.

The Lindsay Junior Setpette journeyed to Omeme Monday and played an exhibition game with the senior team of that burg. It was a game for your life. Both sides played good hockey, but the locals had the better of the argument all the way through. It was generally understood that the youngsters were slated to play Omeme's Juniors, but contrary to their expectations they went up against a bunch some of whom had their faces decorated with heavy moustaches. However, the speedy Lindsay aggregation were equal to the occasion and after the first fifteen minutes they kept their opponents guessing. The Omemeites had the strong end, but they proved to be too slow for our juniors, who played some pretty combination. Before going onto the ice, after seeing the bunch they were up against, the locals decided not to indulge in any hard checking, but to play the rash and pass game. They followed this plan throughout, and it proved very successful. The game was exciting from start to finish. The first half ended 1 to 3 in favor of Lindsay, but in the second the Omeme defence men were unable to check the Lindsay forwards and they scored five to Omeme's four, the game ending 6 to 4 in favor of Lindsay. It was a splendid victory for our boys considering the size and weight of their opponents in a couple of years Lindsay will have a hockey team our citizens may be proud of.

Goosie Taylor refereed the game and gave satisfaction. The Lindsay team lined up as follows: Goal, Souly; point, Massaw; cover-point, McWilliams; forwards, Mahar, Hall, Wilson and Oatey.

A Serious Outlook.

"I see there is a talk of increasing the inheritance tax."
"Yes," said the rich man's son. "It's getting so a fellow would almost as lief have his father live, don't you know?"

A CURLING DITTY.

A' nicht it was freasin', a' nicht I was sneezin'!
"Tak' care," quo' the wifie, "gude man o' your cough!"
A fig for the sneezin', burrah for the freasin'!
This day we're to play the bonspiel on the loch!
Then get up, my ood' leddy, the breakfast get ready,
For the sun on the snowdrift's beginning to blink;
Gie me bannocks or bruchian, I am aff for the lochan,
To mak' for the stanoe fle to the toes o' the rink!

Chorus—
Then hurrah for the curlin', frae Girvan to Stirling!
Hurrah for the lads o' the besson and stane!
Ready mon! "Soop it up!" "Clap a guard!" "Steady, noo!"
Oh! Curlin' aboon every game stan's alone.
The ice it is splenid', it canna be mendel,—
Like a glass ye may glower on't and stave aff your board;
An' see how they gather, comin' ower the brown heather,
The servant and maister, the tenant and laird!
There's brave Jamie Fairlie, he's there late and early,
Nether curler than him or Tam Conn canna be.
Wi' the lads frae Killwinin', they'll see the stanes splinnin'!
Wi' "whirr" and a cur' till they sit round the tee.

Chorus—Then hurrah, etc.
It's an uno-like story that baith whig and Tory.
Mann aye coolyhangs like dogs ower a baue;
An' a' denominations are wantin' in patience,
For no kirk will thole to let others alone.
But in frosty weather let a' meet thagither,
Wi' a' bross in the han' an' a' stane by the toe,
An' then, by wy certan, ye'll see how a' parties
Like brithers will live, and like brithers agree.

Chorus—Then hurrah, etc.

—Rev. Dr. Norman MacLeod.

SCOTCH CURLERS AT PETERBORO.

Synopsis of Skip Flavell's Address on Behalf of Lindsay Club.

We take from The Examiner of Wednesday the following sketch of Mr. J. D. Flavell's remarks at the reception to the Scotch Curlers in Peterboro Tuesday afternoon:
Mayor Roger considered it only fair, in view of what has been said, that Mr. Flavell should be heard.
The famous ship was greeted with rousing cheers and he was declared a jolly good fellow. He observed that if he were not so extremely modest he might fear an attack of swelled head. If he had attained a fair share of success in curling, he said, it was on account of the good material that was at his disposal, but if a team won the skip generally received the credit; if they lost the skip was blamed, and thus matters were evened up somewhat. He hoped the Scotchmen would not be loath to come to Canada and visit. Mr. Flavell did not think the visitors had reason for disappointment. If they were to take twenty-four members from different places in Ontario and put them together without united practice, I venture to assert that the Scotch curlers would give them a good thrash on the ice.
I am exceedingly glad to have the opportunity of meeting the Scotch curlers in Peterborough. I only fear that when I meet them in my ratty chaplain I will lose part of my reputation as a gentleman, for I will certainly do the best I can to defeat him. But I would rather be beaten by a Scotch team than by any team in Canada. (Applause.) Mr. Flavell said he hoped to accompany them to Winnipeg, and that he considered it an honor to be associated with them. He thanked the Peterborough curlers heartily for the treatment they have afforded him, and for the courtesy extended of an opportunity to speak. (Applause.)

(Good Advice Given.)

Mr. R. M. Denniston, of the Peterboro Club, made a clever and witty speech, in the course of which he said: We would like to remind you of the fact that you have come to a place that thinks considerable of itself. One thing you will not see in Lindsay or Toronto. Gentlemen, we have the greatest oatmeal mill in the world. (Laughter and applause.) We would like to wish you all success in your trip through Canada. We are anxious to see you beat Lindsay tomorrow afternoon. They have been our ancient enemies for the last half century, and while it may rejoice you to see Mr. Flavell on top frequently, it almost always means that Peterborough has just been turned under. (Laughter.) You are now on the confines of civilization. You will go to Lindsay and Toronto and thence away to that unknown land where the people are called Winnipeg'ers, and let me warn you, here is the last place where you can procure reliable tomahawks and scalping knives. (Laughter and applause.)

Peterboro's Little Joke.

Examiner, Friday: Practice enabled the Scotchmen to get accustomed to Canadian ice as a curling medium, but it seems, in spite of the distinguished effort of Lindsay to that end, impossible to get accustomed to Sougog water as a medium of convivial hospitality.

That Lindsay Reception.

Toronto Telegram: The Scotch curlers ran into the hottest curling town on earth at Lindsay last Wednesday night. There wasn't room in the rink for the crowd, and they were greeted with deafening cheers as they stepped on the ice. And of the thousands who saw or tried to see them, everyone can talk curling for hours at a stretch, and it necessary fill up a vacancy in the rink. The Lindsay small boy's ambition is not to be Prime Minister, but to some day catch a place on Flavell's rink.

LINDSAY CENTRAL EXHIBITION.

ANNUAL MEETING OF SOUTH VICTORIA AGRICULTURAL SOCIETY.

Report of Retiring Directors, Election of Officers and Financial Statement for Past Year.

A meeting of the Directors of the South Victoria Agricultural Society was held in the Council Chamber, Lindsay, Wednesday Jan. 21st, 1903. Members present, Johnston Ellis, Robert Bryans, Wm. Caannon, R. H. Reid, W. P. King, W. D. Hunter, Col. Deacon, Jos. Hickson. The minutes of last meeting were read and approved.

Moved by R. Bryans, seconded by Wm. Caannon, that the Directors vote to the retiring president, Mr. Ellis, the sum of twenty dollars for his past services.—Carried.

Moved by Col. Deacon, seconded by R. Bryans, that the retiring director be placed on record as a special expression of thanks to the gentlemanly, courteous, kind and efficient manner in which he has presided over our deliberations during the year just past.—Carried.

The minutes were then read and approved.

THE ANNUAL MEETING.

The annual business meeting of the society was held at 1 o'clock when the minutes of the last meeting were read and approved. Col. Deacon occupied the chair.

Directors' Report.

President Ellis read the following report from the directors, which was on motion approved:
Gentlemen—Another year is past but we are glad to report that we had a very successful year again. Although we were a little short in some departments at our Fair, such as dairy produce and field and garden roots, owing to the very wet summer, yet our Fair was a grand success in every way. We were enabled to pay all our prizes and pay out interest and \$200.00 on principal, thus reducing our mortgage to \$1,200, and the balance now on hand is over \$300.

But it has come to this—that something must be done to enlarge our grounds as we were very much obliged to have a suitable room for them and the visitors were also seriously inconvenienced, so therefore, we would recommend that the new Board of Directors secure more ground so that our fair may increase as it has been doing the last year, and we do hope that they will succeed in securing more space of a suitable kind.

We have received a report from the Superintendent of Fisheries, and minutes regarding expert Judges for Fall Fairs, and forming a circuit so that the expert Judges may be used at our Fair. Our new directors will have to consider this matter very carefully.

We cannot close this report without expressing our thanks to the citizens of the town of Lindsay, to the County Council, and all those who lent their assistance in carrying out last fair to such a successful issue, and if the County and Board of Directors the Lindsay Fair will still go on increasing as it has done in the past.

J. ELLIS, President.

JAS. KEITH, Sec.-Treas.

The Financial Statements.

The report was read by Sec.-Treas. Keith, and on motion was adopted, as follows:

RECEIPTS.
To bal. on hand per last annual report, \$ 141.40

LIABILITIES.

Prize moneys unpaid, but still due \$ 49.25
Accounts unpaid 40.00
Mortgage on land and buildings outstanding 1200.00
Total \$ 1289.25

Election of Officers.

The election of officers resulted as follows: President, (re-elected) Johnston Ellis; 1st Vice, Robt Bryans; 2nd Vice, Wm. Caannon; Directors, Edwin Mark, W. P. King, R. H. Reid, John B. Graham, Joseph Hickson, T. H. McQuade, Theo. Robertson, W. D. Hunter, Col. Deacon; Auditors, J. H. Sutherland and J. H. Hodgins.

Meeting of New Directors.

A meeting of the new directors was held immediately after the annual meeting. Present, Johnston Ellis, R. Bryans, Wm. Caannon, Joseph Hickson, W. D. Hunter, R. H. Reid, Col. Deacon, Jos. Hickson, absent, Edwin Mark, T. H. McQuade.

Moved by Col. Deacon, seconded by Wm. Caannon, that James Keith be

and is hereby appointed secretary, treasurer for the year 1903 at the same remuneration as last year.—Carried.

Moved by Col. Deacon, seconded by Joseph Hickson, that the same committee be appointed to look after the enlargement of the grounds, namely, Johnston Ellis, Robert Bryans and Wm. Caannon.—Carried.

Moved by Wm. Caannon, seconded by Robert Bryans, that Joseph R. Lucas be and is hereby appointed a director for the year 1903.—Carried. Thursday, Friday and Saturday, Sept. 24, 25 and 26, were selected as the dates for 1903 Exhibition. The meeting then adjourned.

IF BABY COULD TALK.

"I am sure if baby could only talk," says Mrs. B. Gaffney, L'Annaple, Ont., "she would praise Baby's Own Tablets too. They have given better results than any other medicine I have ever used for my little one." This is the verdict of all mothers who have used Baby's Own Tablets, and it is the very best proof that no other medicine can equal them for the speedy relief and cure of the common ailments of little ones. These Tablets cure colic, constipation, sour stomach, diarrhoea, and simple fevers; they break up colds, prevent croup and allay the irritation accompanying the cutting of teeth, and are positively guaranteed to contain no opiate. All children take them readily, and for very young infants they can be crushed to a powder. You can get Baby's Own Tablets from any druggist at 25c a box or they will be mailed postage paid, by writing direct to the Dr. Williams' Medicine Co., Brockville, Ont., or Schenectady, N.Y. Send for our book on the care of infants and young children. Every mother should have it.

Good Resolution Broken.

Once upon a time there was a New Year's Day. And a young man, who had a penchant for strong drink and pretty women and many other "evils" and certainly expensive things, made a good resolution, as has been the custom through all the time that years have begun. "I shall behave," said he, "and lay by for a rainy day." On Jan. 1 it "rained." An' thus was the origin of the expression. "And the next day it rained."

Marking an interesting Anniversary.

The Canadian Society of New York City is to erect a tablet, in Wall-st., to the memory of Morris Robinson, who was born in Wilno, Nova Scotia in 1784, and who was cashier of the New York branch of the United States Bank when that was the great national financial institution of the States. The occasion of the Canadian Society's observance is the 90th anniversary of the establishment by Mr. Robinson of modern life insurance in the United States, which falls on Feb. 1st. The making of the Robinson tablet, which is to be of bronze, is in the hands of Tiffany. The tablet will be affixed to the front of the building now numbered 56 Wall-st., on the site of the original office of the first permanent American life insurance organization. The Canadian Society is inviting as its guests at the unveiling, prominent officials of Canada, and the formal exercise will be followed by a banquet.

LARGE REWARDS AWAIT THE PEOPLE WHO DEAL WITH US. We offer splendid opportunities for the season of 1903. Our goods are durable and economical, and soon pay for themselves.
