Canadian Duty on Soft Coal Not to Be Interfered With.

The rebate of duty by Congress is only Second Anniversary of Her Death Obsertemporary, and the opinion here seems to be that it would be inadvisable for Canada to take off its duty under the circumstances. As to a reduction of duty, Congress has not fulfilled the conditions which under the Dominion tariff would enable Canada to lower the coal rate from services. Scranton, who represent several of the large companies, challenging the correctness of Mr. Mitchell's statement that 3,000 men are idle and ready to go to work. C. S. Darrow, for the miners, re-

Convention at Beaverton Votes on Four Candidates-On Mr. Grant Securing Majority of Votes the Nomination

Was Made Unanimous-An Eminently Pleasing Speaker, Fluent and Earnest.

Beaverton, Jan. 28 .- The Liberals of North Ontario yesterday nominated Mr. George Grant of Orillia their candidate in the approaching Dominion bye-election. The convention was one of the best ever held in the riding.

An Enermons Riding. One or two of the upper townships were not fully represented, for attending conventions is a serious matter in North Ontario. In cases it would involve a journey of 80 miles, including a drive of niles. It is as if the people Stratford were required to come Toronto to attend their convention, yet Beaverton is the most centra point available. Three:Cornered Fight.

The balleting resulted in a keen three-cornered fight between three excellent men. Mr. Grant finally won by a small majority, but his ratification as the unanimous choice of the convention was urged by his rivals with a heartiness that augured well for the unity of the Liberals in the coming contest. Mr. Grant is a young man, who

will make an excellent candidate. He is a son of Rev. Dr. Grant of Orillia Knoxonian), a nephew of Senator McMullen, and a brother of Mr. R Money to Loan at 5 to 6 per cent. He is an eminently pleasing speaker, (as he proved in a five-minute speech to the convention), fluent SPECIAL ATTENTION GIVEN TO ALL SALES, and earnest, of dark complexion and athletic figure.

The Balloting. Four names went to the ballot made, but all retired except four:-George D. Grant, J. D. Shier, Dr. H. S. Bingham and Mr. R. M. Noble. Mr. Noble announced that while he was allowing his name to go before the convention, he did not desire the nomination; consequently the vote for him was small. The other three polled almost equal votes, about 50 each. A second ballot resulted in the same way, but after it Dr. Bingham retired, leaving only Mr. Shier and Mr. Grant. Mr. Grant won on the final ballot by 86 to76. Those Nominated.

The full list of nominations were as follows:- A. P. Cockburn, ex-M. D. Shier, Mayor of Brace bridge, Dr. H. S. Bingham, Canning. R. M. Noble, Uxbridge, W. Zephyt: Duncan Graham. BERTELTON: (188: 1) HERVE OF RAME: I B. THOUSE. Brillin: Wm. Smith, Brase Wm. McPherson, Cannington TE GOULD M. P.
