#### COATSWORTH IN TORONTO. License Reduction Bylaws Fail to Get

Toronto, Jan. 2 .- In a total vote cast of 28,751, according to returns as compiled last night, Emmerson Coatsworth is elected mayor over F. S. Spence by a majority of 4,106. Every one of the six wards contributes to this result. The vote is the largest ever polled in Toronto, excepting only that of last year, when it ran as high as 29,382, while the winner's margin is almost a record breaker, being second only to that of 4,500 given the late Warring Kennedy, when he first offered him-

self for election. The controllers elected were: Messrs. W. P. Hubbard, S. Alfred Jones, J. J. Ward, and John Shaw. Thirteen Conservatives are elected

to council, and ten Liberals. Majority against license reduction of taverns 1,580; against reduction of shops 2,154. Miss Clara Brett Martin was at the head of the poll for the Board of Edu-

cation, with 11,999 votes. The Hamilton Results. Hamilton, Jan. 2.-Politics cut considerable figure in municipal elections in this city. Only six Liberals were elected to the Council, yet this was two more than last year. Four Liberals, Ald, Eastwood, Wright and Dickson, are re-elected, and the new Liberals in the Council are Findlay and Lewis. Ald. Bowerman, E. Craig and Sullivan, Conservatives, were defeated, the principal of the school, in the op- | Ald Main again headed the poll, and, as was the case last year, Ald. Eastwood was second. Ex-Ald.
