the Episcopal church on Tuesday, the had been made in proceeds being devoted to the puassisted by a choir of talented amatour artists, provided the program.

The friends of Mr. Jas. F. Murray, of the Bank of Upper Canada, of this place, having heard of his intended removal to Barrie, held a meeting, in large measure due to a spirit of the mayor presiding, and presented discontent and lethargy, was being him with a magnificent gold watch | counteracted by the renewal of inon behalf of the Roman Catholic | dustry and the new pulsation that choir and some of his friends. In | was being felt in the national life. the evening a farewell oyster etm-

vicinity of the town a tree fell over his back, killing him instantly. Provisional Council met at Funk's

hotel on Thursday, 6th, when tenders were received for the erection of a Court House and prison in Lindsay. The lowest tender was from Mr. Kesteran, which amounted to \$28,-771, being \$5,400 less than the high-

PRESENT POLITICAL AND INDUSTRIAL SITUATION IN IRELAND

Eloquent Lecture by Professor Kylie of Toronto University, in Aid of

men are suspicious of the Celtic temperament, dislike its exuberance and rhetorical exaggeration. They are eminently practical and take no ac-count of sentiment. With them nothing succeeds like success and the absence of it is put down as a sign of inferiority. They are slow to admit themselves wrong, and to grant home rule now would be paramount to admission that for centuries they had been wrong. Again, they fear Thursday, Jan. 16, 1862. - Mayors | C. Wood, esq., County Clerk, in the land, which looks to them for protection, and which in the event of home government would be at the mercy of the Catholic majority. Cog-Maloney on Thursday of last week. ent as these pretexts may be to prejudice the English mind against a home rule measure, yet with such One of the most determined sui-cides which we have had to record Asquith and Burns, we have reason was committed yesterday by a sol- to hope that much would be grant-dier of the 100th regiment, named ed in that direction in the near fu-

I nthe meantime, continued the speaker, much has been done to improve the condition of the Irish peasant. By the Land Act of 1903 an immense sum was loaned to Ireland miliion pounds are available yearly, and agreements are far in advance of this amount. The difficulty is that the tenants pay too much, and the poorer ones are obliged to hold off. We may judge of the importance of the land from the fact that there are on the island 200,000 holdings from 1 to 15 acres each. The speaker dwelt at considerable length upon the recent advancement that

Non-Return of Many Books May Mean Loss of Covernment Grant.

On Saturday night the Public Library Board met in special session to deal with regular business, the lollowing members being present: Chairamn Devlin, Judge Harding, Inspector Knight, Mayor Vrooman, and Messrs. Wm. Flavelle, R. M. Beal and F. D. Moore.

The minutes of the last meeting were read and confirmed. On motion of Messrs. Knight and Harding Mayor Vrooman was appointed to the same committees as ex-Mayor Ray.

A communication was read from Cierk Knowlson stating that Mr. R. Kylie had been appointed to the Public Library Board by Council.

A donation of five volumes of the Canadian Almanac from Mr. John Kelley, was gratefully acknowledg-

The Library committee stated that at the close of the year 1905 they found they were short of the required number of books to receive the Government grant.

A COUPLE OF REPORTS. Chairman Harding presented his

Finance report as follows: Andrew Robinson Light, Heat & Power Co.... 7.99 Miss Considing The Librarian's report was read.

Month ending December, 1905: Circulation in detail: History 77, biography 42, voyages and travels 69, general literature 76, juveniles, boys, 280, girls 100, little ones 84. bound periodicals 72, poetry 22, science 63, religion 20, miscellaneous 9, fiction 1019; total circulation for month, 1933; new tickets issued, 23; total number of borrowers to end of month, 2100; cash receipts, \$1.50,

Mr. Flavelle stated that to save the article being sold he had paid the freight on a radiator at the G. T. R. sheds addressed to the Public Library, which Keys & Morrison refused to take away. The Board commended the action.

DEFECTIVE BOILER. The Janitor's report was then read, in which he stated that on Jan. 4th he had found out that in some unaccountable way the boiler was losing water at the rate of 15 gallons per hour, and under the instructions of the chairman he had got Mr. Boxall to locate the cause, which was found McCrae had furnished a new flue The flue taken out was evidently a long time in use, as the hole in it was half an inch in diameter, eaten | through by rust, which could not be supposed to occur if the pipe had been new at the time the boiler was put in use. The janitor didn't think the coal bill would be any less than

Judge Harding tiefaght an action should be taken agianst the architeet for putting in such a boiler. Mr. Beal expressed the opinion that no man could say that the boiler was second-hand and he thought the flue

had been burnt through Mr. Moore was of the opinion that it did not require an expert to look at the boiler and see that there were second-hand parts in it, and he would say, "throw it out and see whether 1 they had been swindled or not." Mr. McCrae fad said that the five was a second-hand one.

Mr. Flavelle-"Mr. Miller said he was prepared to prove the boiler, was Mr. Moore-"Then secure a certifi-

cate from the manuracturers." It was agreed to put double windows on the north end, after which the Board adjourned.

STRIKE IT RICH.

Two Youths Made 75,000 Each in the Cobalt District.

Ottawa, Jan. 9 .- Two youths, William and George Darby, of Massey Station, are in Ottawa, having, it is stated made \$75,000 each at Cobalt. The story is that the youths started last spring prospecting around Mud Lake and Montreal river, but with little success. Farther west of their winter camp, near Clear Lake, they struck small veins of metal, but the results were unsatisfactory, and, staking a lot as their claims, they moved on to Bay Lake. After two weeks of persistent digging they sold out to a syndicate for \$150,000. An equal division was made between them, and they refused an offer of
