Suffered for Years.

"My gratitude to you and your 'Golden Medical Discovery' is so great," writes Mr. Ross Martin, of Arlee, Mason Co., West Virginia, "that I am at a loss to find words to express my true feeling. I had suffered for a number of years with lung and throat troubles, and doctored with specialists, but got no better. Then I decided to try Dr. Pierce's Golden Medical Discovery, and after using it I was greatly relieved. I have all faith that it has saved my life.

"I have one of your medical books and think it a grand work."

"I was a sufferer from torpid liver for over a year," writes Mrs. Nora Willis, of Wheatheld, Jasper Co., Ind., "and could not sleep, n. r eat but very little, and then it would cause me great distress. I tried several doctors but got no relief. Was advised by a friend to write to Dr. Pierce, which I did, and in a few days I received a letter advising me to take his 'Golden Medical Discovery' and also his 'Pleasant Pellets.' After I had taken only half a bottle I was greatly improved. I only took three bottles of the 'Golden Medical Discovery' and two vials of the 'Pellets' and, thanks to Dr. Pierce and his 'Pellets,' and, thanks to Dr. Pierce and his wonderful medicine, I am as well as ever in my life, and feel that life is worth living after all. sulted in pleurisy.
