in reference to a proposed grant to the Ress Memorial Hospital caused with Scott's Emulsion. Mr. Scully to make a few remarks. He the not think it right that the persons to take private wards if they dangister who went the other day wish. If the County was going to give s grant every month to this institution, then why prevent patients from taking the public ward? The cost of a private ward would be a great expense, and be did not think people should be dictated to if they preferred the other. A profit is being nade, and he did not think it right. Something was wrong. Mr. Brynns-"As one of the Board of Geverners I feel I should say a

few words in reply. I am sorry this

question was brought up again, as

I thought it had been thrushed out in committee. I can assure Mr. Scully that no person is making any meney out of the Hospital. Mr. Flavella, myself and others have subscribed liberally towards its maintenance. Mr. Fiavelle has not only given liberally, but he has also given a great deal of valuable time. I am not in a rosition to know whether Mr. Soulward because it is cheaper. The public ward is only intended for poor ly's daugater is able to pay for s private ward or not; however, I think if people are able to pay they should not try to get into the private people. As for the money so far given by the County, it would about pay

for the fuel that's been used so far this winter." Finance and Assessment Committee. On motion of Dr. Wood, seconded by Mr. Staback, the report of the above committee was introduced, read and adopted without amend-
