### MOUNT HOREB.

(From Our Own Correspondent.) An illustrated entertainment will be given by the Victoria Stereopticon Co., assisted by Mr. Arthur Waller and his Concert Grand Gramophonei embracing selections by celebrated bands and orchestras, also the latest songs, Whip-PoorsWill, Quartettes etc. To be held in the school house. Mount Horeb, on Monday evening. Feb. 16th. What everbody says must be 'true-that this is the best they have ever seen or heard. Doors open at 7 p.m. concert at 8 o'clock sharp. Admission, adults, 15c., children under 12 10c., children under 5 free. God Save The King .- w1.

# IRONDALE.

(From Our Own Correspondentl) In the report of our entertainment held a couple of weeks ago, a mistake occurred. It was stated the concert took place in the Methodist church. This is incorrect ;it took place in the large house owned by Mr. Handcock. However, its bad enough when a hall where an entertainment is given under the auspices of the church is converted into a dancing pavilion. It's about time our young people had better sense than to dance at entertainment even if they did go into another room. They should show some respect towards those who do not approve of dancing.

#### IRONDALE. (Special to The Post.)

Will you allow me space in your caper to state that there was an item in the Irondale correspondence of last week which was not correct. Your correspondent stated that some of the young people on the evening of the entertainment acted very much out of place, and insisted on turning the church into dance hall. Allow me to say that the entertainment was held in an unoccuried house, commenly known as the big bouse, which is owned by Mr Hancock, and where the young recole danced was in a room in the same tiouse but apart from where the entertainment was held. If the young reopie had been asked civilly to leave the house they would have done so There was one person present who seemed to think he held the keys of the universe, as he took upon himself to order the young reciple out. He acted very unwisely. men holding an office in the municipality-if he wishes to retain the good will of the people-should know better than to try to force the public in that way. The proceeds of the ranses, amounted to \$5.
