**Canada Life Assurance Co.**  
Lindsay, Can., June 5th, 1905.

THE CANADA LIFE ASSURANCE CO.,  
Toronto, Ont.

Dear Sirs,—

As a policyholder in the Canada Life for \$25,000, mostly on the Minimum system, I have pleasure in certifying to the fact that this insurance has been entirely satisfactory. I have had under the Minimum policies the largest amount of protection for the least possible outlay. I fully understood the conditions of the good strong Reserves and am much pleased on reading the last Annual Report of the Canada Life to note the Company's excellent position in this respect. In fact, I am so well pleased that I have decided to increase my insurance in the Canada Life by \$10,000, for which I am now giving you the application.

Yours truly,  
W. FLAVELLE.

### INTERESTING PARAGRAPHS

#### GATHERED BY POST REPORTERS ON THEIR DAILY ROUNDS

**What is Happening in Town and the Country About Us.**

—Miss M. A. Mills has sold her property on William-st. to Mr. William Broom.

—The Peterboro armories, tenders for which have been forwarded to Ottawa, will probably cost close on \$250,000.

—Now that the Lenten season is on, the numerous parties, socials, etc., which have been taking place of late, are at an end.

Seven only Men's Natural Canada Coon Coats—very choice qualities. Regular prices \$63, \$80, and \$53. Your choice to clear, \$46.90. J. Sutcliffe & Sons.

—On Saturday, Feb. 23rd, the Keenan property, comprising 32 acres on the 10th con. of Ops will be sold at public auction. Particulars on page one—w2.

—The announcement is made that the Dominion Salt Agency, formed two years ago, with headquarters at London, is to go out of existence the latter part of this month.

—Teamsters are busy drawing stone these days in preparation for spring work. A good many houses will in all probability be erected in Lindsay during the coming year.

—Furns remodelled, repaired and cleaned, satisfaction and prices right, at Mrs. F. Mullett's, over Boxall & Matthie's hardware store, nearly opposite post office, Lindsay—w4.

—Hockey has been the talk in Lindsay for the last couple of days. No matter where you get an animated group, you will be discussing the probability of the Midgets getting the championship.

—A large meteor fell near the village of Haliburton on Monday evening. It made a brilliant light for a few seconds and was accompanied by a noise like a great explosion.

—The gas pipe at the corner of Bond and Cambridge-sts. was broken off just where it enters the ground some time yesterday. It is supposed a runaway did the damage.

—Many are tiring of the continual severe weather and longing for the good old summer time again. In all probability they will pine for winter when the thermometer is 90 degrees in the shade.

—Carpenters are busy putting the store room formerly occupied by the Lindsay agency of the Massey Harris Mfg Co. into first-class condition. Mr. E. W. McGaffey will be the next occupant.

—The slight thaw Saturday combined with the cold spell yesterday afternoon resulted in patches of ice being formed on our main thoroughfares, which caused numerous falls last evening. This morning snow was scattered on them.

—The carnival at Oakwood in the near future promises to be a success and a few sleighloads from town will attend. The citizens of that village are well known for hospitality and a good time is sure to be spent.

—The guides at our summer resorts will, when asked by the Southern American tourists, "What is Beckey anyway?" refer them to Lindsay. Every man, woman and child is thoroughly acquainted with it here.

—Files get quick relief from Dr. Shoop's Magic Ointment. Remember it's made alone for the relief of itching, painful, protruding, or blind piles disappear like magic by its use. Try it and see. Sold by all dealers.

That's usually dearest  
Which brings a good price;  
Though a bargain's a bargain,  
It's sometimes a vice,  
When a man sells his daughter,  
"How wicked!" we say,  
But it's proper enough  
When he gives her away.

—A runaway occurred last evening but fortunately it was attended with no serious results. The horse started from near the G.T.R. depot, came down William-st. at a good clip, and turned down Kent. It then took a roundabout down York, Russell and Lindsay-sts. and into the east ward, where it was stopped.

—Group can positively be stopped in 30 minutes. No vomiting—nothing to sick or distress your child. A sweet pleasant and safe syrup, called Dr. Shoop's Croup Cure, does the work and does it quickly. Dr. Shoop's Croup Cure is for Croup alone, remember. It does not claim to cure other ailments. It's for Croup, that's all. Sold by all dealers.

—The practice of continually throwing waste water at the back door or in some convenient place for the most of the winter season is a very objectionable habit. It is a source of health as well as being a very repellent odor, and a little trouble during the winter season does away with it.

—Perhaps the cleverest hit and most fun-provoking valentine noticed yesterday was one caricaturing several of our well-known town officials. These were drawn—very neatly too—on a large sheet of paper and pasted in a conspicuous place. Their likenesses to the originals made very prominent, created a good deal of amusement for our citizens.

—To stop a cold with "Preventic" is safer than to let it run and cure it afterwards. Taken at the "onset stage" Preventics will head off all colds and grippe, and perhaps save you from pneumonia or Bronchitis. Preventics are little toothsome candy cold cure tablets selling in 5 and 25 cent boxes. If you are chilly, if you begin to sneeze, try Preventics. They will surely check the cold and please you. Sold by all dealers.

—If you are constipated, dull, or bilious, or have a sallow, lifeless complexion, try Lax-ets just once to see what they will do for you. Lax-ets are little toothsome candy tablets—nice to eat, nice in effect. No griping, no pain. Just a gentle laxative effect that is pleasingly desirable. Handy for the vest pocket or purse. Lax-ets meet every desire. Outpacked metal boxes at 5 cents and 25 cents. Sold by all dealers.

### OBITUARY.

**Morris Switzer.**  
The death of William A., son of Mr. Morris Switzer, of Cameron, on Tuesday last was particularly sad. The young man was just in the prime of life and until his last illness enjoyed the best of health. About four years since he contracted a slight cold which he neglected and allowed to run on until it was found that his lungs showed signs of weakness. His friends were then alarmed and every attention was given to get the young man back to health, but without success. His death has cast a gloom over a large circle of loving friends.

**Frank Reeves.**  
The funeral of the late Frank Reeves, which took place yesterday afternoon to Riverside cemetery was very largely attended. The funeral was taken charge of by Lindsay, Lodge, I.O.O.F. No. 100, who were represented by a large number of members who marched in procession. The local lodge of Sons of England, of which the deceased was a member, also took part in the funeral procession. The pall-bearers were Messrs. W. J. Fee, J. J. Ashwell, J. N. Greer, J. F. Maunier, and W. H. Hammond and W. G. Carley.

The floral offerings were both numerous and beautiful, amongst which were a wreath from his widow; a wreath from his brothers and sisters; a wreath from the carpenters' department; a wreath from his fellow blacksmiths, and a cross from the management of the T. Eaton Co., Toronto; a wreath from Wilton Lodge No. 242, I.O.O.F., Toronto; a wreath from Westminster Lodge, No. 20, Sons of England, Lindsay; a wreath from Mr. and Mrs. Gordon, Toronto; spray flowers from Mr. and Mrs. D. Barrett, Mr. and Mrs. A. Love, Mrs. Stokes, Mr. Hunter and family, Mr. and Mrs. B. D. Humphrey and Mr. and Mrs. A. Barker, all of Toronto.

### IN MEMORIAM

**Mildred Mitchell who departed this life Nov. 30th, 1906, Aged 12 Years.**  
(Composed by Henry Yerex, expressing the feelings of Mr. and Mrs. Mitchell and sisters on the death of their youngest daughter.)  
Our Mildred dear has gone from earth  
To join the hosts above,  
And meet with loved ones gone before  
To praise a God of love.

We would not call her back to earth  
To suffer here again,  
For now she's saved for evermore,  
And freed from grief and pain.

O, how we miss the dear one, as  
The evening hour draws near,  
When gathered round the family board,  
We see the vacant chair.

We gather for our evening meal  
With hearts so sore and sad,  
And wait awhile for her return  
To cheer and make us glad.

We thank the Lord for mercies past,  
For blessings on the board,  
But oh, our hearts are bleeding still  
For her we all adore.

Ah, then, the thought comes home to us  
That she has gone to heaven,  
And though she can't come back to us,  
We have the promise given

That we, through faith in Jesus' blood,  
May join the one we loved  
And with her there, for evermore,  
Sing praise to God above.

Thus we're resigned to live and wait  
Our Heavenly Father's will  
And journey on our lonely way,  
Trusting our Saviour still.

A happy meeting that will be,  
When we get home to stay,  
Be short or long the time below,  
We'll meet some other day.

Thus hopefully and prayerfully,  
Our long days we spend,  
Looking for Jesus Christ to guide  
And keep us to the end.

A food crank has recently announced that fruit will soon be the sole article of diet among cultured people, meat being relegated to "the lower classes and persons of unimaginative mind."
