LIFFORD.

(From Our Own Correspondent.) We are reminded almost daily that in a very few years there will be hardly any of the first settlers left in this township. Shantymen are coming out these days, and the young men that have not been seen since last fall are on our streets once more. Mr. Green, photographer, of Peter-

boro, has been at his gatlery here for the past two weeks, and has done a rushing business. Master Walter Read is home from

The principal object of the meeting was the appointment of overseers of highways, pound-keepers and fenceviewers for the ensuing year. The list being revised, the Council adjourned for dinner, after which Mr. Michael entered and took his seat. The Clerk read a communication from Mr. W. L. Smith, secretary of the Farmers' Association of Ontario, respecting the equalization: of 'taxation. A large deputation of Oakwood citizens waited on Council regarding drainage matters. Mr. Channon, County Councillor, desired the bonus given by the Mariposa. Council on condition that he would build a wire fence on the eastern boundary of his farm. The members of the Council considered that it would be an advantage to the public, as the roads east through Ops were liable to bad drifts in the winter. Mr. Jos. Perrin, jr., had the misfortune to have one of his horses kicked on Monday night.

Owing to the bad roads, quite number took the train for town Saturday morning. Mr. John Earle, however thought the lake and river would be perfectly safe, but the passengers on the Haliburton train were treated to the spectacle of Mr. Earle leaving the river and mucking it through a ploughed field till he came to William-st.

The basket social in connection with Cameron L. O. L. took place Friday night last. The hall was comfortably crowded and every one seemed to enjoy himself. After a program of recitations, readings, music, singing and speech making had been run off. Mr. Steve Oliver, of Lindsay, mounted a chair and soon disposed of a large and fancy collection of baskets, prices ranging from 30c. to \$1.30 per basket. The Orangemen cleared in the neighborhood of \$18. They purpose reseating the hall, painting the walls and in fact overhauling the building thoroughly, chus making it as up-to-date as possible and a credit to the community. After every one had duly emptied the baskets of their goodly contents, the The Dovey Bros. and a gang of men young folks cleared the hall of all obstructions and danced till a very late or rather early hour in the morning to the lively tunes of Mr. Mac-Murray's violin.
