

Easter Style Creations '07

Opening Days Tues. and Wed., March 26 and 27

A style event of unbounded interest to Lindsay fashion devotees. Here is original inspiration. Here is fashion in its most bewitching aspect. Exclusive and elegant. A style parade that would do credit to even the most pretentious style stores in metropolitan fashion centres.

This event will mark the most elaborate showing of beautiful styles in women's wearing apparel ever unfolded in Lindsay—and the air of exclusiveness permeating our fashion parlors will signalize the achievement of a still greater triumph for us. The showing will include
