WRITE FOR PHI TORONTO, CANADA : Some Remarks on

By "THE STROLLER."

(Continued from last week.) We were fortunate in having an ing for the boys and girls we could opportunity of visiting the houses of parliament whilst in session. The lower house is called the House of Deputies, and the higher the Senate, both being presided over by an officer of their own choosing. When the customs officers of the latter a member wishes to speak he does not stand in his place and address the chair as is done in Canada or Britain; he ascends a rostrum slightly under the chair and overlooking the house, and addresses the house. As the French are very excitable, it has happened that several members comparison with what one has to land has got to be such a price that and alt a hop, skip and jump, and all endeavored to speak at once. This naturally causes some excitement amongst the members and between the speakers trying to make themselves heard, and the members urging their favorite on, and the President pounding the table with his habit and thought, which raise still gavel, the scene is very amusing and higher the stilts upon which he somewhat ridiculous to an Anglo-This unnatural condition is in-
