from

G. T. R. Wreck at Peterboro.

Examiner Thursday, Shortly after three o'clock this afternoon a Grand Trunk engine was slightly damaged and a box car completely wrecked. The accident occurred on the line north of Brock-st., and was caused by an open switch. It appears that a single car was standing on Fitzgerald's siding. In the early part of the afternoon John Londey, the signalman at the Brock st. crossing. received instructions from Station in that the efforts of the shunter had failed to dislodge it in the morning. Londry was in the action of finishing the work when he heard a doubel-header freight approaching from the south. Leaving his pickage he went fo this flag to keep the crossing clear. Unfortunately he forgot that the switch was still open, so that when the train came along it went was in charge of Conductor Shaw. The front sagine was derailed and

Chamberlain's Remedy

This preparation is intended especially for coughs, colds, croup, whooping cough and influenza and has become famous for its cures of these diseases over a large part of the civilized world. It can always be depended upon and is pleasant to take.

It not only cures colds and influenza, (grip) but counteracts any tendency toward pneumonia.

It contains no opium or other harmful substance and may be given to a baby as confidently as to an adult.

THERE'S STYLE

in glasses as well as in dress.

The deep-rooted objection to the use of glasses on the ground of unsightliness is entirely removed by the artistic effect

produced by modern methods. Improperly fitted frames are both a disfigurement and a menace to health, the effect of a perfectly fitted lens being omitted by them.

We guarantee a perfect fit in both lenses and frames.
