A GOOD DRESSER

A Good Dresser wants "life" in his clothes. Lots of men wear "dead" clothes and don't know it. The life of a Suit is that dash in the cut, curves and kinks of its makeup that at once stamps its wearer as a well-dressed man.

Our Suits are Full of Life.

We charge no more for our "Suit excellence" than other clothiers charge for "ordinary-made clothes."

Our Spring Suits are now ready, and we trust you won't mind if we nudge you gently and say to you that it's high time you were thinking about yours.

We shall be pleased to assist you in making your selection and we shall be looking for you every day now.
