(From Monday's Evening Post.) Shortly after 4 o'clock Saturday ofternoon a sad accident occurred in the G. T. R. yards a short distance west of the passenger station, resulting in the instant death of Henry Hogg. a track repairer.

The unfortunate man and a companion named Peter Campbell, were at work levelling the rails at the curve near Victoria-ave. when the shunting engine, pushing five or six cars, backed down towards tham at a rapid rate of speed. Campbell was at work on the north side ralls and Hogg on the south rail. The former, when he saw that the shunting engine was going to pass on their track, stepped to one side, at the same time shouting to Hogg, who was stooping down and apparently of the opinion that the chunter was on another

The first ruckage of Hem-Roid (the intallible Pile cure) that was put out went to a small town in the State of Nebraska.

It made the care of a case of Piles that was considered hopel ss.

The news spread and although this was only two years ago the demand prompted Dr. J. S. Leonhardt, of Lincoln, Neb., the discoverer, to prepare it for general use. Now it is being sent to all parts of the world. It will cure any case of Piles. There is a month's treatment in each

Cut Price Sale

We never offered such bargains. Prove it and you'll see why the Safe. Satisfactory Store, keeps on increasing it's business.

Beginning Friday, April 8th, continuing till closing hour, Tuesday, April 19th.

For one reason and another the General Dry Goods Trade has not been what it should have been during February and March,

Now that the weather is more settled and shopping will be a pleasure again we have planned "A VERY GREAT TEN DAY CUT PRICE SALE.

Our ambition is to double our usual sales every day for these ten days. How can we do it? Only by lowering the prices to such tempting and ridiculous figures that you will crowd a considerable amount of your spring buying into these ten special days.

That's all.

you've many miles to come; it will pay you and pay you big.

A price revelation awaits shoppers here. All this space is given to this one piece of news-for it is great for a store to plan economies for hundreds of people - for a store to turn its powers and energies to ten days of bargains. It is almost as though a great railroad said: "We'll sell on these ten days tickets to all points at half price.

If a railroad did such a thing it would be with the view of resultant and good to itself. And these ten days of bargains are so planned by us. We're lowering the prices but we'll sell double the quantity. The following prices furnish pointers in how to save the pennies and make the grow into dellars.
