CORRESPONDENT'S LETTERS

BADDOW.
(From Our Own Correspondent.)
A pleasant event occurred at the home of Mrs. Salter, of this community, on March 12th, being the marriage of her daughter, Miss Beatrice Salter, and Mr. Harvey E. Mopson, of Minnesota, U.S. The ceremony was performed by Rev. T. H. McDonald. On the 15th the happy couple left for their farm home in Minnesota, taking with them the best wishes of all.

PLEASANT POINT.

The roads are in a very poor condition now. Some of the boys walked to town on Saturday and were unable to get back the same day. We are very sorry to learn that Mrs. Albert Hardy has a very serious attack of appendicitis, but we hope she will soon recover.

The roads were in very bad condition last Saturday, the most of the Fenelon boys having to walk to town. How are the girls feeling that got upset? GOODERHAM.
(From Our Own Correspondent.)
Snow is going, glad to say, and the rate it is going at is causing several people who live near the river to think of the meaning of certain passages of scripture. "For the rains descend, and the floods coming, and the sea is build up upon the sand." Question—will the rest of it prove true? Those of us who build on the rock have the laugh on them now. They used to tell us that it was hard to have our collars and have to build our furnaces in the gutter.
