PRAISE FOR THE ROSS GOVERNMENT. In the course of an editorial headed | Politics in Ontario," the Toronto Russia kisses a sentinel once a year. News, which does not err on the side It would be a pleasure for Lord Minof friendliness to the Ross Govern- to do likewise if Col. Sam Hughes, ment upon most occasions, feels im- M.P., was the sentinel. pelied by the facts to publish the following commendatory paragraph: The proposals oof the Government to guarantee \$5,000,000 of the bonds of the James Bay Railway, and to aid other pioneer roads in the unmetiled areas of New Ontario, can perdly be successfully attacked. If it be true that as a result of the construction of the James Bay road the direct connection with Toronto and old stand. When will it dawn upon Canadian Pacific will obtain running with western and central Ontario, sed that the Canadian Northern, which is to construct the Sadbury ext. usion, will maintain a haulage arrangement with the Canadian Pacific over the Lake Superior section of the railway, great national advantages must result. Through such on arrangement the Canadian Northern would become a through system, and the Canadian Pacific connections with Ontario would be manlike, and so thoroughly national Government is responsible to all the greatly improved. The whole conin its scope and objects, that the Province can wall afford the guarsarging road to Lake Abitibi to connext with the Grand Trunk Pacific may be commended, and whether the Grand Trunk is probably not of material consequences. It is, at least, tery necessary that the mercantile and manufacturing communities of

Ortario should have direct connec-

tion with the West by means of the

Grand Trunk Pacific, and this prob-

ably can be best be had by the con-

cession of running rights over the

Demiskaming road or by direct

Grand Trunk operation of the Pro-

vincial railway. If all these pro-

jects should work out satisfactorily,

this Province, which is virtually

sidetracked under existing railway

connections with the West, would

have circet touch with three great

CLEAN SEEDS

We Offer the Best We can Buy in Alsike and Red Clover, Timothy and other Seeds.

TT WILL BE ADMITTED by most farmers that notwithstanding the improved appliances for the tilling of the land, it is a rare thing to find a clean farm The Government, recognizing that the spread of noxious weeds is on the increase, has passed a law to prevent the. sale of impure seed, but it will not deter the farmer from

selling seed to his neighbor. It is a sad fact that a farmer who will work hard early and late, to clean a field and prepare it for a good crop, will very likely sow it with impure seed because he can buy the risky kind cheaper than the white whale, the porpoise, war-rus, the seal, salmon, cod and other the sure kind. This we consider is very poor economy as many

fish, but the whale fishery, in the farmers have found to their great cost. There are over 100 impure seeds to be guarded against \$100,000 yearly. The Ungava rivWhile we do not guarantee our seeds to be absolutely pure from all of these, we offer you the very best we can buy, and the cer-If Hudson Bay was navigable it tainty that in any event only a few of the least objectionable will be would afford the finest outlet for the found therein. REMEMBER, it is necessary to sow good, sound, Northwest Territories. Edmonton clean seed to insure a good crop and a good price. Try ours and was 880 miles from Churchill, and that you have secured as good seed as can that post was 3380 miles distant you may rest satisfied that you have secured as good seed as can
