TRYING

Saves Vain Regrets.

The fact that so many folks look elsewhere and come back here to buy proves it-

Also because we show one of thelargest and best assorted stocks of correct millinery styles is sufficient reason why so many people can get what they want at once; the splendid business we're doing proves that.

But after all, it is not so much the variety of stock that counts. It's the Millinery Artist who suggests the correct individual idea and has the knack of putting this or that at just its prettiest angle.

These are the reasons for the really fine and exclusive effects of the Ford Millinery.

Each day sees entirely new and fresh ideas from our own work-room.

We repeat what has been said by many a pleased customer,—"Go to Ford's for correct millinery at reasonable
