BROWN PAPER VS. LEATHER

Young Canuck—"Say, pa, what is an adult?" Old Canuck—"An adult, Johnny, is a person who doesn't kick out a pair of new shoes every two weeks."

Isn't it Hard on the Boy

When you blame him for something he is not responsible for? He makes the best use possible of footwear supplied him, which is often of a very inferior quality.

We sell a School and Knock-About Boot will satisfy any parent as to the wearing quality as it is built of solid leather. The shape is just what is needed for the boy's feet, and no reason why the boy's boots should not be in line with the rest of his attire. Parents, call and try this line—it's a money-saver.
