MARIPOSA. The Council of Mariposa met at Oakwood on Monday, 12th May. The members were all present. The minutes of last meeting were read and confirmed. Communications were read as follows: From Messrs. Stewart & O'Connor, arrears of tax on east half of lot 5, con. 7. From J. A. Jackson, Clerk of Elton, respecting the claim of Mr. C. E. Ross for quantifying the house of Malcolm McArthur. From D. R. Anderson, relative to the claim of Mrs. Ross versus Jenkins, Parks and King. Mr. McKeown McKeown was present at the Council meeting and stated that the entire estate labor in his boat had been exhausted shovelling snow and he desired pay for extra time. Mr. A. Ashton and C. Kewler were also present on much the same line of business, and reports have come from different parts of the townships where the statute labor has been pretty well taken up. Mr. Suggitt enquired what information he could in regard to Mr. McCullough, now at the Home in Lindsay. The Rosses was advised to consult the solicitor on some points of law touching smallpox arrears of taxes, etc. Mr. Geo. Graham stated that he had built 62 rods of wire fences on the road-way and would be pleased to receive the bonus allowed by the Council. One of the Commissioners met Inspector McKeown's men and I went at next meeting of the Council. May 16th Mr. Suggitt presented by Mr. Cameron that this Council, having heard the report of

Mr. Suggitt as to Mr. McCullough, hereby decide that we are not legally responsible for his maintenance. -Carroll. Moved by Mr. Cameron, seconded by Mr. Mark, that the sum of \$0c. a rod be paid as a bonus for building wire fences on the high-ways of the township of Mariposa, in such places as one or more members of the Council deem necessary to prevent snowdrifts on the road-way. -Carroll. GALWAY. We record with deep regret the death of Mrs. John Clark, which sad event took place at the family residence on Monday, May 24th. The sad occurrence came as a shock to the whole community, for only two short years ago Mrs. Clark was made a bride and lived happily with her husband. Death was caused by premature confinement, the innocent cause being placed in the coffin at her side. She was only 24 years of age at the time of her death and had, apparently, before her a long and a bright future. In all the duties of her position she was faithful. She was affectionate and devoted and she served the role of a real home-maker in the widest sense of that term as she had already won a large circle of friends. The remains were taken to the Roman Catholic cemetery in Galway, followed by a very large number of relatives. The sympathy of the entire community goes out to Mr. John Clark (son of Mr. Thos. Clark, ex-Rector of Galway), whose wife is one of the most promising young men of our township.

GELETT. Mr. Carozze held a meeting in Scott's hall a few nights ago, at which the Liberals held equal sway with the Conservatives. The Tories were like the teeth - few and far between. Mr. Leonard, filled the chair. Mr. Carozze was called upon and delivered a brief speech, which contained but very little. Mr. Robert Horton, a very clever and promising young man of our town, and representative of Mr. Hoyt, was also called upon. On stepping forward he was given a rousing reception and was applauded through all his speaking. He said Col. Hughes, at the previous meeting in Kinnoupt, declared that he (Horton) was only a boy, and did not know much, and was just reciting some of the Liberal stock arguments. Mr. Horton retorted, "God forbid that he should ever recite any of Sam. Hughes speeches." Mr. Horton, in about forty-five minutes, and cheering was renewed when he took his seat. During the speaking something went wrong with one of the lamps and Col. Hughes proceeded to rectify it, with a voluble brock from the crowd. "I'll cut with coal oil, Sam!" Shortly after Col. Hughes rose to speak. It was the same old "Wily Sam." He spoke for a long time and became rattled, when the audience cornered him. When he sat down the cheering was for Mr. Hoyt. The meeting closed with cheers for Mr. Carozze, the King, and tremendous applause for Mr. Hoyt.

especially appreciated on account of the earnest, self-sacrificing spirit you have invariably shown in every part of the christian work. As a pastor Mr. Robeson has shown while ever placing the interests of the people before self-aggrandizement or any other consideration, and by his Christ-like example has succeeded in imparting to the people of this community much of his zeal and desire to promote the cause of Christ. You have been ever prompt in performing your duties and anxious to instill and implant in our minds the blessed truths as recorded in God's book of life, always a fearless exponent of God's word and earnest in your efforts to draw men by the tender cords of affection inside the circle of God's love, where they may live and breathe daily in the blessed sunshine of his favor. Not only in the church but in the League, Sunday School and every department of the Christian work, we have felt the tender warmth of your sympathy, and while we realize the loss we shall soon suffer in the event of your departure, we find consolation in the assurance that in whatever vantage you may forgo in the future, you will be found earnest in your efforts to extend the Kingdom of God on earth and to the glory of our Father in Heaven. From your friends of Little Britain Circuit.
