FIRE AT CAMBRAY STATION.

Messrs. Hogg & Lytle's Grain Warehouse Destroyed—Loss about \$2,500. Tuesday afternoon the grain warehouse at Cambray station, owned by Messrs. Hogg & Lytle, caught fire and was burned to the ground, together with about 3000 bushels of grain. A couple of box cars standing on the siding were also destroyed, as well as Mr. Weldon's piggery. The fire is supposed to have originated from a spark from a passing locomotive. Messrs. Hogg & Lytle's loss will be about \$2,500 and is covered by insurance.

MARIPOSA FARMER'S LOSS.

Mr. Rodman's Barn Set on Fire by Lightning—Consumed with Contents. The southern portion of Mariposa township was visited by a thunder storm, accompanied by lightning Monday afternoon about 3 o'clock, which did considerable damage to property. The big barn on Mr. Isiah Rodman's farm, two miles south of Little Britain, was struck by lightning and consumed by fire, together with seven valuable horses, implements, grain, and considerable hay. Mr. Rodman and family were in the house at the time, and before they knew what had happened the barn was a mass of flames, making it impossible to save the horses or any of the contents. Fortunately a north-west wind kept the fire from spreading to the dwelling. Mr. Rodman's loss will be about \$3,000, which we understand is only partly covered by insurance. The barn was accompanied with seven horses, but very little rain. We understand the storm also struck Omeo and Emily, but we have not heard of any damage to property being done.

He Has a Sore Arm.

Mr. Chas. Graham, an employe of the Woods Stove Co. met with a slight accident Monday afternoon. He was handling some gasoline in the tinmithing department when the fluid exploded, setting fire to the bench in the shop. The fire was quickly extinguished, but not before Charlie had received a bad burn on the right arm.

OBITUARY.

The Late William Hobbs.

Mr. Hobbs' death occurred Wednesday at 9 o'clock at the Ross Memorial Hospital, of Mr. William Hobbs, Sussex-st., who was taken there last Tuesday to undergo an operation for some inward trouble. Owing to Mr. Hobbs' advanced years and the fact that the trouble was of long standing the operation was only partly successful, and the patient slowly sank until relieved by death.

The deceased was born in 1845 in the County of Cornwall, England, and when a small lad came with his parents to Canada, settling in Ontario County, near Whitby. After residing there for some years he removed to Mariposa township, where he engaged in farming for a number of years. Mr. Hobbs was a blacksmith by trade and for some time conducted a general store and blacksmithing business at Valentinia, where he made many friends. About three years ago he removed with his family to Lindsay, taking up his residence on Sussex-st. Since coming to Lindsay Mr. Hobbs has been employed at the Sylvester Works, but every summer had taken a trip to Carman, Manitoba, where a couple of sons were engaged in farming. In religion the deceased was a prominent Methodist and took a great interest in church work both in Valentinia and Lindsay. He attended the Queen-st. Methodist church, and was a member of the choir. He leaves a wife and five children—three sons and two daughters—to mourn his loss. Mr. Arthur Hobbs, a former clerk in Mr. Higginbotham's drug store, is a son of the deceased, and Mr. Jas. Hobbs, blacksmith at Janelville, a brother. The funeral takes place to-day at 10 a.m., in permanent taking place at Shiloh cemetery, South Mariposa. The family will have the sympathy of a large circle of friends in their bereavement.
