Considerable routine business was dealt with at the outset, including the reading and adoption of committee reports, and passing of accounts. The Board approved of Empire Day, May 24th, as the date of the opening of the Library, and Secretary Hardy was instructed to send invitations to a long list of rotables, in addition to the various town bodies. It was stated that the inspection of the building by the members of the Board last Saturday had been generally satisfactory. Mr. Beat said that as a result of complaints heard by him it seemed desinable that several new rules be added to those already framed for the guidance of the Librarians; 1. -That the Library be opened promptly at the appointed time. 2.-That the Librarians show civility to all and special favors to non . 3 .- That no becks be promised or laid aside for anyone.
