THE CURLERS' SEMI-ANNUAL

TREASURER FLAVELLE PRESENTS A PLEASING STATEMENT. Good Record Made in Last Winter's Games - Prizes Awarded. The annual meeting of Lindsay Curling Club, held last Monday evening at the rink, was well attended and many matters were talked over. Among those present were Dr. Walters, the president, Mr. W. R. Widless, vice-president; Mr. J. D. Flavelle, treasurer; Mr. J. C. Harstone, secretary; Rev. J. W. Wallace, C. H. Marsh and Fr. O'Sullivan, and Messrs. G. H. Hopkins, R. A. Miller, H. Galt, T. Burke, J. M. Knowlton, Dr. Sutton, L. V. O'Connor, Walter Reesor, Geo. Beall, R. Butler, Dr. Wood, A. Higinbotham, A. Watson, J. Graham, L. McIntosh and others. After the reading and the adoption of the minutes of last annual meeting a discussion took place about Secretary Harstone's proposal to change the method of electing skips. Mr. Hopkins thought a change would be beneficial but Mr. Flavelle was strongly of the opposite opinion, holding that the present method had helped to place Lindsay curlers in the lead and inviolate law, weak points. Secretary Harstone—"Three of our men who should be skips are passed over every year, and three or four who are scarcely deserving of the honor are chosen." The matter will be brought up at the annual meeting. The rules governing rink competitions were not observed as faithfully last season as formerly. The President, Vice-President and Secretary will draft a new code. THE BONSHIEL. The wisdom of undertaking to hold a big bonspiel in Lindsay next season had the attention of all for a time. Everyone was willing, but some feared the expense would be too great—in the neighborhood of \$600. Messrs. J. M. Knowlton, the Jas. Beall will call upon our business men with a list, and the response will make or mar the project. FOREIGN AND HOME GAMES. In all 65 foreign games were played. Those for Cup games embraced the following: Thirty at the Winnipeg Bonspiel—of these 23 were won and 7 lost; score for Lindsay 367, opponents 243. Two for the District Cup, both won by Lindsay; score 82, opponents 31. Two for Ontario General's Cup, one won and one lost; score for Lindsay 69, opponents 70. Two for the Beaverton-Lindsay Cup, both won; score for Lindsay 136, Beaverton 114. Two for the Shepherd-Needler Cup, both won; score for Lindsay 252, opponents 230. One for the Ontario Tankard, lost; score for Lindsay 29, Toronto 30. One for the Peterboro-Lindsay Cup, lost; score for Lindsay 130, Peterboro 135. Total games won 30, lost 10. Total score, Lindsay 1067, opponents 853. Of the other games 4 were played against Fenelon Falls, 3 won, 1 lost; score, Lindsay 138. One with Toronto Caledonians, lost; score for Lindsay 18, Toronto Caledonians 19. Two with Cannington, both won; score for Lindsay 59, Cannington 58. Two with Beaverton, lost; score for Lindsay 48, Beaverton 51. Two with Port Hope, both won; score for Lindsay 160, Port Hope 124. Total—11 games won, 1 a tie, 3 lost. Total score 851, opponents 411. Total number of games won altogether 41, 1 a tie, 13 lost. Total score for Lindsay 1918, opponents 1,584. It will be noticed that in all these games, when our Club met another Club more than once, that in the totality of the games played against that club we were invariably the winners.

NO MAY DAY REVOLT

Inflammatory Predictions For Paris Not Realized. TUMULT WAS LEADERLESS 1,000 Persons Were Arrested in Paris - Soldiers Charged Upon Disorderly Masses, and Many Were Wounded on Both Sides—Police Practically Lost Control at 5 o'Clock in the Evening—Provinces Turbulent. Paris, May 2.—The long-dreaded labor day failed to bring the revolution which inflammatory journals predicted, but none the less it brought scenes of extreme violence. The labor districts, which thousands of troops controlled with difficulty, and even central portions of Paris, have taken on the appearance of a siege, with regiments of infantry and cavalry camped about the Arc de Triomphe, the Bourse, and the Bank of France and the great railway station, while military sentries were placed before banks and private establishments. Throughout the afternoon, dragoons, republican guards and cuirassiers charged disorderly masses, sweeping the Place de la Republique and the broad Boulevard de Magenta. Trawn nightfall cavalry charged with drawn swords and many persons were wounded on both sides. The manifestos overturned omnibuses and threw up hasty barricades. Over 1,000 arrests were made during the day. At no time did the demonstration reach the magnitude of a revolt, but was rather a leaderless tumult, in which the serious labor element, struggling for a principle, was hopelessly confused with violent agitators, anarchists, revolutionists, ruffians and the curious. The workmen never succeeded in forming a procession or even an assembling more than scattered bands. The worst hours of the day was towards 5 o'clock in the evening, when the police practically lost control of the troops. The latter forming in lines 20 yards across and 15 yards apart, swept around the Place de la Republique, driving the disorderly crowds into the surrounding streets. A considerable number were wounded. By 6 o'clock calm had been measurably restored and most of the troops returned to their barracks. At 10 o'clock last night dragoons still guarded the streets surrounding the Bourse and the other great financial establishments. The temper of the workmen last night was threatening. They claim that the police acted brutally and cite many incidents of innocent people being beaten and arrested. They declare that yesterday was only the beginning of the movement. Reports from the provinces show that there were violent demonstrations at Marseilles, Brest, Bordeaux, St. Etienne, Lyons and Rouen. At Marseilles peace-processions carrying red flags and creating violent disorder came in collision with the troops and a number of persons were injured. At Bordeaux processions paraded the streets, singing revolutionary songs and the cavalry charged them, wounding many. At Lyons a crowd of manifestants attacked the street cars, breaking the glass windows, whereupon the dragoons charged the rioters, wounding a large number. There were lesser disturbances at many points. Warrants For Troopers. Mount Carmel, Pa., May 2.—Twenty-four warrants were issued yesterday on complaint of the United Mine Workers for the arrest of Lieut. Smith and members of the state constabulary. They are charged with assault and battery, with intent to kill, in connection with Monday's riot. The warrants will not be served until the present excitement subsides. GREAT MARATHON RACE. Sherrington, Canadian, Leads World's Runners at Athens in Presence of a Crowd of 150,000. Athens, May 2.—Before 150,000 people yesterday, Wm. Sherrington of Hamilton, Ont., won the Marathon race, the biggest event of the Olympia sports. There was great excitement at the finish. Prince George ran with him up the easier path. Sherrington smilingly waved a flag. The Crown Prince congratulated him as he bowed to King George, by whom he was presented with a bouquet. The race was over a 26-mile course, and 13 completed, including 26 Greeks, 7 Britons, 5 Americans, 22 French, 3 Germans, 2 Italians, 3 Swiss, 2 Egyptians, a Bohemian, Belgian and Dane. Sherrington's time was 2 hours 51 minutes 28 seconds, being seven minutes ahead of the Swede, who was second, nine minutes ahead of the American third. All shops were closed and business was completely suspended. The whole population of Athens and its suburbs and the villages in the vicinity, altogether some 150,000 persons, filled and overflowed the stadium and spread along the Marathon road and the surrounding hills. The race started at a hot pace. At 4.40 Sherrington took the lead. When he found himself well ahead, Sherrington dropped into a walk, giving himself great reserve for the final sprint. When ever he saw his opponents approaching he resumed running, and in this manner tired them all out. MURDER IS ALLEGED. Pretty Widow and Unmarried Man Held For Death of Her Husband. Brookville, May 2.—Mrs. Margaret Allea, a good-looking widow, slightly over 35, is under arrest at Lansdowne, a small village in Leeds County, charged with the death of her husband, Harry Allen, by administering poison, and William O'Connor, a young unmarried man of the neighborhood, is alleged, as her co-accused.
