The Weekly Post, LINDSAY, FRIDAY, JUNE 20, 1902

DYNAMITE, POWDER. Council More Dangerous Than Either, Says a Citizen. \$16,000 ASKED FOR NEW SCHOOL AND LIBRARY SITE.

Our Town Fathers Met Last Evening to Receive Deputations—Band Matters and the Storage of Explosives Discussed.

According to agreement made last week a joint meeting of the Town Council and Board of Education was held last Monday in order that the demand for \$14,000 for the erection of a new school might be further discussed.

After Mayor Igle had briefly noted the object of the joint meeting Clerk Knowlson read the resolution from the board asking for the sum of \$14,000, and another from Secretary Hardy, of the Public Library board, asking council to provide a site for the Carnegie library.

The School Board's Arguments. Mr. D. R. Anderson outlined very fully the case for the school board. There were three points to be considered: 1st, whether or not we require a new building; 2nd, the nature of the same; 3rd, the probable cost.

Our boys and girls have done well at the University this year. Miss M. A. Macdonald, B.A., took first-class honors in Modern Languages and Mr. A. G. Stacey first-class honors in Physics.

The closing exercises will be held on Friday evening, 20th inst., Hon. Clifford Sifton will be the speaker. Subject: "Boundary Questions—Between United States and Canada."

It was hard to tell the other day as the Cadet Corps inspection who was the best looking—the officers in the uniforms, with their swords, etc., or Mr. Taylor in his uniform.

Baseball Notes. We notice a letter in Thursday's Watchman-Warder over the signatures of the battery that figured in last Saturday's game, in answer to our article of Wednesday's issue regarding the surplus money which is on hand as a result of the game.

Mr. Stewart. There are two courses open to you as grant as the money or submit a by-law.

at the disposal of the Council for roads, walks and other controllable expenditure was 2-6-10 mills. When the Collegiate Institute debentures matured the sinking fund would be short some \$1,600, and there was owing to the Public School sinking fund the sum of \$3,358.32. If after considering these facts the Board persisted in demanding \$14,000 for a new school the Council would have no choice but to submit a by-law to the people.

Mr. Anderson—"If the two schools referred to were burned we would have to make the same request. The rate is high, but we can't help that. The buildings are unsuitable and unsanitary, and Inspector Knight could condemn them at any time."

Mr. Stewart, in reply to Ald. McDiarmid, said it would be as well if the people did not croak about the high rate; the town is right—we can pay our way and prosper. Reactionary as those referred to had led up to the present school situation. A resolution was then passed that a by-law be introduced for the submission of the matter to the ratepayers.

Storage of Explosives. Mr. McDiarmid, chairman of the Police and Lighting committee, stated that Messrs. McLennan, Edwards and Cinnamon were present by request to discuss the safer storage of dangerous explosives.

Mr. Edwards, on being asked to give his opinion, said he didn't think a large quantity of explosives should be allowed within the town boundaries. If the Council passed a by-law the dealers would have to observe it or give up the sale. He would prefer that the town should erect a magazine and charge a moderate rental.

Mr. J. M. McLennan, after a few remarks relative to explosives, said he had been speaking to a representative of the Fire Underwriters' Association, who said the failure of the Council to enforce the fire by-laws was more to be feared than the storage of explosives in the town.

The Police and Lighting committee will give the matter further consideration before introducing a by-law. Public Library Site. The Public Library Board having modified their demand for \$2,000 to purchase a lot at the north-east corner of William and Peel-sts., to a simple request to be furnished with a site, Ald. Burrows moved, seconded by Ald. Robertson that the board be permitted to build on the plot west of the town hall building.

In amendment it was moved by Ald. O'Reilly, seconded by Ald. McDiarmid, that the Finance committee take into consideration and report on the advisability of submitting a by-law to raise funds for the purchase of a suitable Library site.

Our boys and girls have done well at the University this year. Miss M. A. Macdonald, B.A., took first-class honors in Modern Languages and Mr. A. G. Stacey first-class honors in Physics.

The closing exercises will be held on Friday evening, 20th inst., Hon. Clifford Sifton will be the speaker. Subject: "Boundary Questions—Between United States and Canada."

It was hard to tell the other day as the Cadet Corps inspection who was the best looking—the officers in the uniforms, with their swords, etc., or Mr. Taylor in his uniform.

Baseball Notes. We notice a letter in Thursday's Watchman-Warder over the signatures of the battery that figured in last Saturday's game, in answer to our article of Wednesday's issue regarding the surplus money which is on hand as a result of the game.

A Remarkable Case.

TOLD BY MR. ORLIN POST, OF CRUMDICE, MANITOBA.

Suffered Greatly for Five Years From Rheumatism—Doctors and Many Medicines Failed to Help Him, But He Got the Right Medicine at Last.

From the Echo, Dominion City, Man. Recently, while chatting with a reporter of the Echo, Mr. Orlin Post, a well known farmer of Gumbridge, Man., gave the following story of five years of great suffering from that most painful of diseases—rheumatism. Mr. Post said: "There are few people, unless they have been how much I suffered during those five years from the pains of rheumatism. There were times when I was wholly unable to do any work, and I merely attempted to move my limbs several times a day, but they seemed to be glued to my body. I tried several advertised medicines that were highly recommended for such trouble, but they also failed to bring the longest relief from pain. At last, I began to look upon the trouble as incurable, and was almost in despair. At this time some friends asked me why I didn't try Dr. Williams' Pink Pills, and I decided to make at least one more effort to obtain a cure. I knew my case was not only a severe one, but from the nature of other medicines, I was sure that I should have a fair trial, so I bought a dozen boxes. I took them according to directions, and before they were gone there was a great improvement in my condition, but I had not an ache or a pain left, and was able to do a good deal of work without feeling any of the tortures that had for five years made my life miserable. You may say for me that I do not think there is any medicine in the world can equal Dr. Williams' Pink Pills as a cure for rheumatism. It is several years since my cure was effected, and as I have not since had the least sign of the trouble I think I can speak with authority."

When such severe cases as this are entirely cured it is not surprising that Dr. Williams' Pink Pills have made such a great reputation throughout the world for the cure of other diseases due to poor or watery blood. Paralysis, St. Vitus' dance, anæmia, consumption, dyspepsia, enlargement of the heart, nervous headache, female ailments and neuralgia are among the other troubles which have been cured by this medicine. Only the genuine pill will cure—substitutes never cured anything—be sure to avoid substitutes; you must get that full name of Dr. Williams' Pink Pills for Pale People on the wrapper around each box. These pills are sold by all dealers in medicine, and will be sent post free in a tin of 60 cents, a box of six boxes for \$2.50 by addressing the Dr. Williams' Medicine Co., Brockville, Ont.

A SPRING OUTING ON THE KAWARTHA LAKES.

An Enjoyable Early Summer Trip. To the lover of Nature, the restlessness, hearted ones, weary of being shut in, tired of the long monotony of winter, the Kawartna Lakes, radiant in all the fresh beauty that spring with lavish hand has bestowed upon that period of the year, are a most invitingly and the wind waters sparkle invitingly as the steamer glides swiftly along; the shore rises from the lake in all the green glory of early summer; Nature is at her best, her water awakened, and water and shore alike present a picture of unrivalled splendor.

Standing on the bow of one of the steamers plying on the lakes, a dancing gleam of sunlight on the water, a breeze that does not fail to clear one's brain of all the cobwebs that winter's enforced confinement has allowed to gather; one drinks in the balsam-scented air of the north and every sense responds to the pure joy of living. The sultry slumber of summer has not yet stolen over the lakes and woods, the water acquires freedom; the trees, with foliage profuse, the shores like verdured terraces, all extend an invitation, insidious, sensuous, an invitation to fling open all the life of one's heart and let it flow into the arms of the water and the woods. Nature is a companion who awaits with open arms and bids you remember that "Life slips its tether, When good fellows get together."

In the fellowship of Spring. For the facilities for such an outing ask the local G.T.R. Agent for the Trent Valley. Navigation Co's pamphlet, showing their excellent boat service and take your choice.

PRETTY JUNE WEDDING.

Fitzgerald—Ledy. One of the most pleasing events that has occurred in Maynooth for some time took place on Tuesday, June 10th, when Miss Katie Fitzgerald, daughter of Mr. Patrick Fitzgerald, of Greenview, was united in marriage to Mr. P. J. Ledy, of Lindsay. The ceremony was performed in St. Ignace's church, Maynooth, by Rev. Canon McNerney, in the presence of many friends and well-wishers.

The bride was assisted by Miss Joanna Fitzgerald, while the groom was ably supported by Mr. Michael Ledy. Both bride and bridesmaid looked sweet in dresses of white or gaudie trimmed with valencienne. After the ceremony the bride's drove to the residence of the bride's parents, where a dinner awaited them. The bride is a young lady of estimable character, and a favorite of all who know her. For many years she has been one of the leading members in the many valuable presents church. She received a go to show the esteem in which she was held by her many friends. Mr. and Mrs. Ledy left on Friday for their home in Lindsay, accompanied by the best wishes of a host of friends for a bon voyage over the sea of life.—Com.

WEDDED AT JOPLIN, MISS.

Nuptials of a Young Lady Well Known in This Locality. From the Joplin, Mo., Daily News-Herald of Wednesday, June 4th, we take the following reference to the marriage of a young lady who has many warm friends in Lindsay and vicinity—Miss Margaret Lawler, whose father, Mr. Edward Lawler, was an old and esteemed resident of this town for many years.

One of the most notable events in Joplin society takes place this evening at 6 o'clock in the marriage of Miss Margaret Marie Lawler to Mr. Thomas Connor Nolan, which will be celebrated at St. Peter's church, Eighth and Walnut-sts. The bride is one of the most beautiful and popular society girls of Joplin, and the groom is quite prominent in business circles having charge of the local business affairs of Col. Thomas Connor, who is his uncle.

As it is a church wedding St. Peter's church will no doubt be filled to the overflowing with admiring friends of the young couple. Miss Minnie Anderson and Miss Ella Beaman, both intimate friends of the bride, will act as bridesmaids, and the bride's sister, Mrs. H. B. Savage, whose own wedding was a feature of last year's social events, will be the matron of honor. Mr. Percy Lawler, brother of the bride, will be Mr. Nolan's best man.

A feature of the ceremony will be the vocal solo "Ave Maria" by the contralto, Mrs. John C. Keenan. The church choir will also participate, and the wedding will be performed by the pastor, Rev. Father O'Connell. The bridal party will take supper at the home of the bride's parents, and then proceed to include only the bridal party and the family.

Mr. Nolan and his bride will leave on the 8:30 Frisco for St. Louis, where they will be the guests for a week of Col. Thomas Connor, at the Flanore hotel. From there they will visit the groom's mother at Tilton, Ohio.

They will be at home on their return at 9:30 Walnut-st. after July 8. Mr. Nolan will erect a handsome residence in the fashionable west part in the near future.

Many elegant and costly presents have already been received from friends, both in and out of the city. The groom's cheque for \$10,000 from the groom's uncle, Mr. Nolan.

Turnip Seed

Fresh Carter's Elephant, Jumbo, Bartley's Bronze Top, etc. Every kind at Higginbotham's.—J.W.S.

Drink Grano Cereal Coffee.

Historical Society Officers. The following officers were elected at the annual meeting of the Ontario Historical Society, which met at Peterboro and Lindsay last week: President, C. C. James, Deputy Minister of Agriculture; First Vice-President, George R. Pattullo, Woodstock; Second Vice-President, Barlow Cumberford, Toronto; Treasurer, Frank Wright, Toronto; Council to the Officers, J. H. Thompson, Toronto; A. F. Heuter, Barrie; Lt.-Col. Edwards, Peterboro; I. E. Weldon, Lindsay; Alfred Wilson, Toronto.

BEHAVED LIKE TRUE SOLDIERS.

The Collegiate Cadets are Inspected. The annual inspection of the Collegiate Institute Cadet Corps took place Thursday morning last. At 9 o'clock Lt.-Col. Hamming, of Kingston, who had been appointed by the Government for this duty, arrived on the Public School grounds, accompanied by Lieut.-Col. Hughes. A large number of our citizens were also present and the County Council on the occasion with their attendance. The students from the Collegiate provided chairs and both the Collegiate and the Central School scholars were on hand in full force to encourage the Cadets.

The Cadets looked very smart and soldierly in their uniforms, the new caps and the red stripe on the trousers adding very materially to the effect. The officers are Capt. Macgregor and Lieut. Jamieson and Perrin. The inspection lasted about an hour, and in that time Capt. Macgregor handled his company exceedingly well. The boys not only presented a fine appearance, but their drill all through was very creditable. Their marching, the various company movements, the echelon marching, the extended order, the firing movements, the march past all were skilfully done, and reflect credit on the boys, their officers and their instructor, Mr. L. W. Taylor, of the Collegiate staff. Col. Hamming expressed himself as very much gratified with the Corps, in fact, it was the equal of any in the Province, in his opinion.

MORGAN BROS. Druggists and Opticians. KICKED BY A HORSE. Serious Accident in Mariposa. Mr. John O'Keefe, a young man about 21 years of age, employed on the farm of Mr. John Coughlin, Mariposa, about five miles west of here, met with a serious accident on Friday, and as a result he may lose his life. He was in a pasture field trying to catch a horse, using a box when the animal came within a few feet of the young man he reached forward to catch the halter, when the horse suddenly turned and kicked with both legs, striking O'Keefe in the stomach and knocking him to the ground in an unconscious condition. The unfortunate fellow was picked up a few minutes later and taken to Mr. Coughlin's house, Dr. Blanchard, who was called, struck O'Keefe on the right shoulder dislocated, in addition to internal injuries. The doctors are doing all they can to save the young man's life, but it is feared he may not recover.

EVERY BRIDE Will prize your gift more highly if it is not common place. Come and inspect our FINE DECORATED PORCELAINS, GLASSWARE, SILVERWARE, ART GOODS, ETC. BRITTON BROS., Jewellers.
