

DEALT WITH STAFF VACANCIES THURSDAY NIGHT, JUNE 18

Principal Broderick Says the School Buildings Need Repairs. A special meeting of the Board of Education was held Thursday, June 18, in the Council chamber, called for the purpose of considering the resignations of Miss Addison, of the Collegiate Institute, and Miss Workman, of the Public School staff. Those present were Messrs. T. Stewart, chairman; J. D. Flavell, D. R. Anderson, E. Kyle, J. DeWitt, P. Filkie, Dr. Blanchard, Jos. Staples, Col. Deacon, Dr. Jeffers, J. G. Edwards, Principals Hartstone and Broderick.

On account of the absence of Mr. Spier, Mr. Anderson officiated as secretary. Two Communications. From Miss Workman, tendering her resignation as teacher in the public school. Mr. Stewart—"I don't feel like letting that matter go by without having something to say. Miss Workman has been in charge of one of the junior classes in the Public School for a long time, and she has fulfilled her duties admirably. Her removal will no doubt be a great loss to the teaching staff of this town."

From Miss Addison, tendering her resignation as Modern Languages teacher in the Collegiate Institute, on account of having been appointed Dean of Residence of Amherst Hall in connection with Victoria University. Mr. Stewart—"I don't feel like letting that matter go by without having something to say. Miss Addison has been in charge of one of the junior classes in the Public School for a long time, and she has fulfilled her duties admirably. Her removal will no doubt be a great loss to the teaching staff of this town."

To Fill the Vacancies. On motion of Mr. Filkie, seconded by Dr. Blanchard, the secretary was instructed to advertise in the "Toronto Globe" and "Mail and Empire" for a Commercial Master and Drill Instructor for the Lindsay Collegiate Institute. Mr. Filkie—"I thought Mr. Rose, of Port Hope, had been secured for the position of Commercial Master."

Repairs to School Buildings. Mr. Broderick presented a detailed statement of the repairs required to be made in the Union School building during the holidays. After considerable discussion the matter was left to the Management committee to make an inspection of the schools and to report on the repairs as they deem proper. The meeting then adjourned.

Winnipeg's Rapid Growth.

J. B. Delamere, editor of the Echo, who was in town Saturday, returning from Winnipeg, where he represented Eastern Ontario Orangemen at the Orange Grand Lodge meeting held in the Prairie City. Mr. Delamere, who is a Past Grand Master, says it was a very large meeting. Orangemen. Representatives from all over Canada were there, even as far east as Newfoundland. Speaking of Winnipeg, Mr. Delamere says it is a thriving city, possessing a healthy air so characteristic of large cities. Winnipeg citizens are very hopeful that their city will have a population of 160,000 within a few years. The present assessment was \$2,000,000, exclusive of \$7,000,000 of exempted property. A new bond was bought last year on the basis of \$800 per foot, and this year it will give some idea of how the city is prospering. While in Winnipeg, Mr. Delamere attended the opening of the Scott Memorial on Princess-st., which was erected in memory of the late Thos. Scott, who was treacherously murdered in the Red River Rebellion of 1870. On his way back Mr. Delamere stopped at Portage, where he visited his

the judiciary can afford to ignore the frantic insults of the Tory press. The judiciary of this Province has had a bad name; and the press never had anything else.

HELD ITS FORTNIGHTLY MEETING WEDNESDAY MORNING.

6680 Boxes Were Boarded—The Highest Price Paid was 10 7-16 Cents. (Daily Examiner.) A meeting of the Peterboro Cheese Board was held Wednesday, June 17, in the town Council chamber at 10:30 o'clock. There was a large representation of cheese makers present and the following were the buyers; Messrs Gillespie, Kerr, Fitzgerald, Cook, Whitton, Rollins and Wrighton. In all 6,680 boxes were boarded by 43 factories, that being two weeks' cheese.

The bidding was opened by Mr. Whitton at 10 cents. Mr. Wrighton followed with 1-16 higher. The price then rose to 10-3-8, which was offered by Mr. Fitzgerald. He called Keene, Westwood, Villiers, Fraser-ville, These accepted.

Mr. Whitton then also offered 10-3-8 cents. He chose Ormonde, Melrose Abbey, Dartford, Brickley, Shamrock, Norwood, Oak Leaf, none of which closed.

Mr. Rollins was the third bidder to offer 10-3-8 cents. He called Westminster, North Smith, Pine Grove, Maple Leaf, Young's Point, North Dummer, Cedarvale, Stony Lake, South Burleigh, Apsley. All of which accepted Mr. Rollins' offer.

Three bidders then called 10-3-8 at the same time. While these were arguing as to which was first Mr. Wrighton called 7-16. He called Bessfort, Mount Pleasant, Peterboro. At 10-3-8 Mr. Wrighton called Indian Head, East Union, Warsaw, Shearer, Ontario Em. These factories accepted.

Mr. Fitzgerald offered 10-3-8, but Mr. Cook succeeded with 7-16. He called Central Smith and Oakdale. At 10-3-8 he chose Lakeland, Lang, Backhorn, Daisy D, Fleetwood, Myrtle, Travera, Cavanville, Missing Link. Of these Lakeland, Fleetwood, Backhorn, Trevera, Myrtle and Cavanville refused.

Mr. Kerr then offered 3-8 and called Fleetwood, Cavanville, Lakeland, Trevera, Myrtle, Backhorn and Blyford, which he concluded the sale. The treasurer of the Board, Mr. Galvin, of Lakeland, then arose and made an explanation for refusing to sell his cheese for 7-16 and then accepting an offer of 3-8. He said that Mr. Cook called 3-8 but Mr. Kerr offered 7-16, and called two factories and then lowered the price to 3-8. Lakeland was one of the two factories Mr. Kerr offered to buy at 7-16. Mr. Galvin said he did not think it quite fair of Mr. Cook to call 7-16, and then shortly lower his price to 3-8, and it was for that reason that he refused, and no personal grievance.

In answer Mr. Kerr said he was surprised at Mr. Galvin's action at the time, as he had always thought that he had treated Lakeland fairly, but that he perfectly understood why he refused to buy. The President then called upon Inspector Ward to address the meeting. Mr. Ward said he did not intend to make a speech, but would like to make a few remarks. He dwelt upon the necessity of the co-operation of the cheese makers in the future for the purpose of increasing the quality and quantity of the cheese, and the regulation of the factories. In conclusion he said he would be pleased to be present at any meetings which buyers might hold.

After a short discussion the Board adjourned for two weeks, until July 1st.

SATISFIED MOTHERS.

When sales are large and increasing when customers are satisfied to the extent of continuing to buy the same remedy, then it must be admitted that the remedy has real merit. Baby's Own Tablets occupy this enviable position. Mothers having once tried them seldom fail to duplicate the order — no other remedy for children can truly claim as much. Concerning the Tablets Mr. C. W. Strader, (general dealer), North Williamsburg, Ont., writes; "Baby's Own Tablets have a large sale, and every purchaser is more than satisfied. We use them for our babies and have found them all that is claimed for them."

Baby's Own Tablets cure colic, indigestion, constipation, diarrhoea, simple fevers and all the minor ills of little ones. They make baby bright, active and happy and a joy to the home. Sold by druggists or sent by writing the Dr. Williams' Medicine Co., Brockville, Ont.

A SCATHING REBUKE ADMINISTERED TO WRONG-DOERS.

Manly Reply to the False Accusations Made Against Him — A Tribute to Mr. Ross. Hon. Mr. Stratton in the Ontario Legislature concluded his address at noon Thursday in his own defence in the debate on the motion of the Premier to adopt the report of the Royal Commission in the matter of the Gamey charges. The address occupied four hours in delivery. It was a most convincing and logical one and was received with frequent and hearty applause by the Ministerial side of the House. It reviewed the history of the case from the beginning, exposing the attitude of the Opposition in the shameful pre-judging of the case before investigation, their equally shameful attack upon the judges, not only before the sittings of the commission, but after the report was presented, and the keeness of their desire for making party capital, rather than a desire to arrive at the truth. It included a clear analysis of the evidence bearing upon the branch of the subject he was treating. Hon. Mr. Stratton concluded his address as follows:

The findings of the Royal Commissioners I accept without any feeling of triumph or personal boast and in the same spirit as I hope they will be accepted by my friends in this house and in the country. I am content to have the charges preferred against me investigated and tried by any tribunal chosen by the legislature. No one free from prejudice doubted that the conclusion would be that which the evidence warranted. The learned judges who sat as commissioners, have found that I am innocent of the serious charges made against me by a member of this House. The charges gravely offeuded my position as a Minister of the Crown, my standing as a member of the Legislature and my character as a citizen of Ontario. I met them at the proper time and place. I desired the fullest enquiry and sought the closest investigation. The consequences were of greater importance to me than to any other member of the Government. It is true that the political life of the Government was endangered, but my whole business and personal career depended upon the result. Yet throughout the long and trying investigation which was made I never feared nor altered. Considering how I might be regarded by the public mind, and the accusations which were made, I bore with patience the abuse of the Tory press and never flinched and never lost the lash of the Tory merrillings. Let before the accusations had the sanctity of proof, however worthless to support them, I was condemned and pronounced guilty by my opponent. The average fair play which is given to the worst and meanest criminal was denied me. Every fact was tortured, every circumstance was constructed in order to destroy my character as a public man and as a private citizen, and all this was done with a greedy delight far beyond the lines of decency and honest self-respect on the part of my enemies. I fought in the halls of justice, I met my accuser, I stood my ground, whilst he fled. I had everything to lose. He had everything to gain. I at least played no part of the coward shrinking from justice. I waited in silence whilst some of those who once called themselves friends doubted my innocence. When called on for my answer I was ready. There was no mutilation of books, no fabrication of documents, no fleeing from the terrors of the law on my part. The records of my private life were laid bare to my enemies. Not a page was found missing, not a leaf bore evidence of the hand of the spoiler. The sanctity of my family relations was not spared. Business relations with my fellowmen were openly laid on the dissecting table and every item of my personal transactions was willingly offered as a sacrifice to the knife of my accuser. I asked for no favours, sought no special interventions, save the assistance of counsel, and claimed no protection from first to last in this long trial. To-day I have my reward, and I accept that reward more gratefully in the interest of the good name of my native province than as a vindication of my own personal honour. The attempt to cast a stain on the fair name of Ontario has miserably failed. The strenuous effort made to destroy the character and wreck the future of myself has met with a like defeat. The judgment of the Royal Commissioners may not be able to undo all the wrong that has been done to me and mine, and may not effectually silence the tongues of the slanderer, or stay the pen of the libeller, but it will be a source of gratification to the many friends who have stood loyally by me in these months of shadow and suspense, to know that their confidence was not unfounded. Such friends will be gratefully remembered throughout the years God may give me to enjoy, but no one of them with that great feeling of affection and thankfulness which I owe to my esteemed friend, the Premier of this province, whose faith was never shaken for a moment and whose sympathy for me never wavered in the hour of greatest adversity. I feel no resentment against those of my opponents who have been misled for the great wrong that have endeavored to do me. And I would say to my accusers that I hope they will learn as a result of their experience in this matter that for good works its own revenge, and deceit brings its own just retribution."

Accident at Carew's Mill.

Monday afternoon about 4 o'clock Charles Quibell, shingle sawyer at Carew's mill, met with a very painful accident, and those who witnessed it say it was a miracle that he did not lose his leg. He and his companion sawyer, Walker, who had his thumb cut about a week ago, were about to stop work for a time in order to change saws, and as Quibell was stepping over the belt a nick in the edge caught his right foot and carried it against the saw. The teeth cut a long gash just below the knee cap, and Dr. McAlpine had to put five stitches in the wound.

AFTER OTHER HELP FAILED.

Dr. Williams' Pink Pills Restore a Young Lady to Full Health and Strength. Doctors and nurses recommend Dr. Williams' Pink Pills because they have seen their wonderful power to make new, rich, red blood and to cure all diseases due to poor blood or weak nerves. Dr. Williams' Pink Pills are not a common medicine. They do not purge and weaken. They are safe, sure, simple, stimulating and scientific. That is why these pills should be taken by all who are weak, bloodless, nervous and sickly. He is a bit of very positive proof of the wonderful power to conquer disease which Dr. Williams' Pink Pills possess; Miss Esther E. Lewis, Lynn, N.S., says: "At the age of sixteen my health failed me completely. I was taken with a fever, I had a grippe, which was followed by measles, from the after effects of which I was left in a deplorable condition. I became very pale, suffered from headaches, dizziness and want of appetite. I tried several medicines, but they did me no good; on the contrary I was growing weaker and finally became so bad that I would take spells of unconsciousness lasting from fifteen to thirty minutes at a time. I was at one time so weak that I could hardly move about. At this stage I was advised to try Dr. Williams' Pink Pills, and I have good reason to bless the day I began their use. I had only taken them a few weeks when I began to recover and under their continued use for some time longer I fully regained my former good health. I will be glad if my experience will be of benefit to some other poor sufferer. The full name, "Dr. Williams' Pink Pills for Pale People" is printed on the wrapper around each box. Sold by all dealers or sent by mail at 50 cents a box or six boxes for \$2.50 by writing to the Dr. Williams' Medicine Co., Brockville, Ont.

LOCAL BREVITIES. —The Butler house, at the corner of Kent and Cambridge-sts., now presents a fine appearance, the exterior having been painted. The work was done by Mr. Geo.
