CORRESPONDENT'S LETTERS

FRANKLIN. (From Our Own Correspondent.) Quite a number of our young people visited Omemee on the 24th and report a pleasant time. Miss L. Veals spent Monday and Tuesday with Peterboro friends. Mr. H. Fallis and wife of Bathany, spent Sunday under the parental roof. Mr. Selby, of Pontypool, spent Sunday with Mr. Faris, of this village. Mr. and Miss Peel, of Salem, visited friends in this place Saturday and Sunday. DOWNEYVILLE. (From Our Own Correspondent.) The people of this vicinity are pretty well through with their spring work. The next thing on the programme is potato-planting. Our cheese factory is booming, but so far the low price of cheese has kept a good deal of milk away. Preparations have been begun for the annual picnic to be held here in the near future. Our troubles never cease. Just as we are congratulating ourselves that the season is over by getting up stairs by means of ladders placed at back windows, sleeping on clothes lines, etc., along comes the mosquito. Miss Monica O'Leary, of Campbellford, is home on a visit—a long one we hope. Posters are out announcing the date of the Downeyville picnic, which takes place on Wednesday, June 15, in the grove east of the village. An energetic committee have undertaken the task of making the picnic the event of the season. With good weather and good roads it cannot fail to be a most successful affair. OMEMEE. (From Our Own Correspondent.) There were quite a few from this place attended the convention at Lindsay Tuesday. Rates were at single fare. The crops are looking fine. Prices for all kinds of stock and produce are advancing and farmers want no change in the Government line. The 24th of May celebration has given the best of satisfaction and the sports were well carried out. New fire company will reorganize for sure. Miss Rowan, the former organist of the Presbyterian church, has been re-engaged, to the delight of all, and music is expected to "boom" again in this church. The D. D. G. M. of the Masonic Order here is shortly expected for his official visit. The 1st of July celebration at Lindsay will be attended by large crowds from here to meet the old Victoria boys. Mr. Thos. Kennedy and W. H. Sherwood, the leading spirits in the Victoria County Old Boys' Association, are both former pupils of the Omemee high school. Thos. Rutherford, Reaboro, has received the contract for the building of the Omemee school, for the sum of \$6,500. Work to begin at once. Kenneth and Wm. Jardine, sons of our big school principal, have gone to New Ontario, as assistant surveyors, with a view of locating in some good rising town to engage in bus. They are bound to succeed and the best wished of all go with them. The annual Downeyville picnic will

attract large crowds from here on June 15th. The village and township Courts of Revision had only a few appeals on Tuesday. HARTLEY. (From Our Own Correspondent.) Many from around here took in the excursion to Niagara on Wednesday. Mr. G. Campbell is now busy framing his new barn. May the 24th was a very quiet day here. The beef ring here was opened on Friday last. Mrs. Connor spent a few days last week among Woodville friends. Mrs. McEachern spent a few days recently in Toronto, visiting her son, Mr. Donald McEachern. MANILLA. (From Our Own Correspondent.) Among the people who visited our village on the 24th, we noticed Mr. and Mrs. Fred Veal, Mr. and Mrs. W. F. Gibson and children, Miss June Edwards, Miss Nan McQueen, Miss E. McLean, Mr. A. T. Delury, Messrs. Ralph and Jack Delury, Mr. Fou Patterson, of Toronto; Mr. and Mrs. D. B. McQueen, Mrs. Hugh Carmichael, Miss Belle Carmichael, of Port Perry, and Mr. Geo. Carter, of Sunderland. Mr. and Mrs. Butland of Toronto are spending a few days with their daughter, Mrs. (Dr.) McChall. Mr. Frank Cooke is home from Toronto for a few weeks. Mr. R. T. Edwards sold one of his fine drivers to Mr. John Blackwell, of Cannington, last week. Mr. Edwards has a number of good drivers left; if names wanting such will call on Bob, he will fit them out in gay style. Mr. H. Glendenning has purchased the farm known as the Williamson farm. It is a splendid farm opposite the one he lives on. Mrs. M. Coone and Miss V. Coone spent the 24th in Uxbridge. Mr. James Gibson spent a few days in Pickering, visiting his daughter, Mrs. Lorne Squire. Mr. D. King spent a few days in Peterboro last week visiting his son William. Mr. Richard Pearce, of Toronto, was home for Thursday night, and left for the city Friday morning. Mr. John and Miss Lillie Moore spent Sunday at Brechen. Mrs. Geo. Coone was in Lindsay on Tuesday. Mr. Joseph Edwards spent Tuesday in Lindsay. Mr. T. Short was in Lindsay on Tuesday. Mr. N. Minton spent Tuesday in Lindsay and took in the Liberal convention. Don't forget the glee club concert on June 7th, in the Oddfellows' hall. CAMBRAY. (From Our Own Correspondent.) The excursion to Niagara Falls, which is to take place on Wednesday, June 8th, promises to be the event of the season. A number from this vicinity have already signified their intention of attending it. Our village seemed deserted on Tuesday, 31st, the greatest number of citizens having gone to Lindsay to attend the Liberal convention. Mr. and Mrs. Joe Cooper, of the Temperance house, visited friends in Glenora this week. We learn that an excursion under the auspices of the S. O. S., of Beaverton, will be run to Toronto and Niagara Falls on Wednesday, June 8th. A few of our young men are making preparations to join the excursion at Woodville on that morning. Mr. and Mrs. Dobson, of Verulam, were visiting their niece, Mrs. W. A. Fanning, on Saturday last. Whilst Mrs. Wm. Blatchford was going home from the village on Tuesday morning her horse became unmanageable and ran away. The buggy was smashed, but luckily Mrs. Blatchford escaped unhurt. A very pretty house wedding took place at the residence of Mrs. Wood, on Tuesday the 31st, when her daughter, Maud, was married to Mr. T. Hunter, of Palestine. The ceremony was performed by the Rev. A. J. Terrell. Mr. Weldon became contumacious doing business with some of our business men mistook the place for his village and did not discover his mistake until the train was gone. We understand on finding his mistake that his chagrin was exceedingly great. Our school, under the directorship of Miss Rowe, is making steady progress. The best report of her services being appreciated by the ratepayers was the fact of her being re-engaged for the present year. She has shown a marked interest in her pupils and has been working during the past few months to get a school library established. In this she has been successful, and has at present a fair-sized collection of books from

some of the best known authors. The proceeds of a concert given last December, were used in purchasing the first consignment of literature and no doubt the trustees will show their appreciation of the good work by making a substantial grant during the coming year to produce a further supply of good reading matter. We congratulate Miss Rowe on her venture and feel confident that her work will meet with the hearty approval and co-operation of the intelligent members of the community. WOODVILLE. Finest ice cream and fruit at Campbell's, Woodville—w1. The Brethren of Douglas Camp No. 27, S. O. S., will hold an excursion on Wednesday, June 8th, to Toronto and Niagara Falls, and from present indications there will be a large turnout from this village and surrounding country. The day being fine, it will certainly prove to be one of the most ideal outings of the season. Get your tomato plants, etc., at W. A. Campbell's—w1. Campbell's ice cream parlor was open to the public on Thursday evening last for the first time this season, and it goes without saying that the occasion was hailed with delight, by the many, who called to regale their palates with a taste of the congealed fluid. No doubt will prove a popular resort for the young people during the warm weather, which we must soon naturally expect. W. A. Campbell's accounts are ready on the first of each month—w1. Dr. McKay left on Wednesday for Toronto for a short visit. Rev. Mr. Ruel, of Belleville, a former pastor, occupies the pulpit of the Methodist church next Sunday, morning and evening. Mr. and Mrs. Jno. Farrow, of Sunderland, visited friends here on Sunday. Mr. J. Ross, of Beaverton, was in town last week, billing the Sons of Scotland excursion to Niagara Falls, which starts from Orillia on Wednesday, June 8th. Mr. Ross, is representative in his town of the Mackay-Harris Co., the Good, Shepley & Co., and several other leading Cos. He, when out, usually combines business with pleasure. Mr. Fox, of Toronto, an expert electrician, was inspecting Dr. Grant's X-ray machines on Monday. Mr. D. McRae's eldest daughter, who has been ill with pneumonia, is now improving. Mrs. C. E. Weeks visited in Toronto for a few days last week. Word was received here last Saturday of the death of Mrs. Parsons, of Toronto, who for many years was a resident of this town. After the death of her husband here about three years ago she went with her son to live in the city. The remains were brought to Cannington on Monday, for interment. Rev. W. Elliott left on Monday for Peterboro, to attend the Conference. He intends being away about two weeks. Mr. Jas. Brokenshire, at present in Rosedale, visited with his family on Sunday. Miss Mabel Bingham, of Cannington, was home on Sunday. We hear that there is to be a change among some of the stores in town. B. Switzer is to move down to the stand Mr. J. McPherson now holds—the latter going up to Tom Grant was, and Mr. L. Stuart, harnessmaker, moves into Switzer's shop. It is high time for our street commissioners to look around. There are several nasty holes, in the sidewalks, and on the main streets too. They are rather dangerous on dark nights, and should be attended to. Mr. Arch. Carmichael visited Beaverton friends on Sunday. Miss Annie Vaughan visited in Toronto last week. There is a new verandah being built on the front of the Manse, which adds very much to the appearance of the building. Mr. C. H. Cawley went to Toronto on Wednesday. Mr. Chard, of Lindsay, who is district manager for the Lindsay Sewing Machine Co., was in town last week and placed the local agency here with Mr. Jas. Vanstone. TO POST TOWN SUBSCRIBERS. Delivery of Weekly Mail. As it is becoming increasingly difficult to secure a prompt and careful delivery of The Weekly Post to town subscribers by route boys, we have decided—in the best interests of our many readers—to adapt the plan now being followed in many localities, and take advantage of the mails. (This method, we are convinced, will result in better satisfaction.) TORONTO RAILWAY'S PART. Judge Winchester Recommends That Toronto Council Have Power to Cancel Franchises of Such Corporations. Toronto, May 31.—Judge Winchester, in his report on the election investigation presented to the Mayor yesterday morning, finds the Toronto Railway Company guilty of taking part in the election, at least to the extent of \$30, to secure the return of Mr. Richardson; that there was bribery in the payments of money to "Glasgow" Robinson on behalf of Messrs. Richardson, Ramsden and McMurrich, because it was for the men's votes as well as services; that a case was not made out against Controller Wm. Burns for voting twice; that prima facie cases were made out against Frank T. and Thomas W. Slattey for voting twice for Messrs. Richardson, and submits eleven recommendations, including a numbered ballot, for municipal elections, Council to have power to cancel the franchise of a company that wrongfully engages in an election; that Council have power to order a recount; that there be only one ballot, and that Council officials should both deputy returning officers and poll clerks. The Judge states that the investigation occupied 22 days, and 398 witnesses were examined. He reviews the evidence taken at considerable length. Storage Passage For \$10. London, May 31.—The American Line has reduced its storage rate to \$10.
